Multi-Criteria Decision-Making Techniques for Improvement Sustainability Engineering Processes Edmundas Kazimieras Zavadskas,Dragan Pamučar,Željko Stević,Abbas Mardani,2020-12-15 The success of any activity and process depends fundamentally on the possibility of balancing symmetry needs and their satisfaction That is the ability to properly define a set of success indicators The application of the developed new multi criteria decision making MCDM methods can be eliminated or decreased by decision makers subjectivity which leads to consistency or symmetry in the weight values of the criteria In this Special Issue 40 research papers and one review study co authored by 137 researchers from 23 different countries explore aspects of multi criteria modeling and optimization in crisp or uncertain environments The papers propose new approaches and elaborate case studies in the following areas of application MCDM optimization in sustainable engineering environmental sustainability in engineering processes sustainable multi criteria production and logistics processes planning integrated approaches for modeling processes in engineering new trends in the multi criteria evaluation of sustainable processes and multi criteria decision making in strategic management based on sustainable criteria

Analysis of DOT Near-term Transportation Research, Development, and Demonstration Activities Laura E. Baker,David W. Humphreys,Donald L. Vairin,1978 **The Soldiers of Yosemite: Green Warriors in a Golden Era** Pasquale De Marco,2025-04-08 In the annals of American history the national parks hold a special place These vast and awe inspiring landscapes are not only natural wonders but also symbols of our nation s heritage and spirit But the parks didn t just appear overnight They were fought for and protected by a group of men and women who believed that the natural world was worth preserving for future generations One of the most important groups of people in the history of the national parks is the rangers These men and women have dedicated their lives to protecting the parks and ensuring that visitors have a safe and

enjoyable experience They are the guardians of our national heritage and their work is essential to preserving these special places This book tells the story of the rangers from their early days as soldiers and cowboys to their current role as protectors of the parks It is a story of dedication courage and love of the outdoors It is also a story of the challenges that the rangers face from climate change to pollution to overuse But despite the challenges the rangers remain committed to their mission They are the ones who keep the parks safe clean and accessible for all to enjoy They are the ones who educate visitors about the importance of conservation and stewardship And they are the ones who will continue to fight for the parks ensuring that they remain a source of inspiration and enjoyment for generations to come This book is a tribute to the rangers past and present It is a celebration of their work and a call to action for all of us to support them in their mission to protect our national parks If you like this book write a review
