Search For Authenticity In Modern Japanese Literature:

The Search for Authenticity in Modern Japanese Literature. , **Representing the Other in Modern Japanese Literature** Rachael Hutchinson, Mark Williams, 2006-09-27 Representing the Other in Modern Japanese Literature looks at the ways in which authors writing in Japanese in the twentieth century constructed a division between the Self and the Other in their work Drawing on methodology from Foucault and Lacan the clearly presented essays seek to show how Japanese writers have responded to the central question of what it means to be Japanese and of how best to define their identity Taking geographical racial and ethnic identity as a starting point to explore Japan's vision of non-Japan representations of the Other are examined in terms of the experiences of Japanese authors abroad and in the imaginary lands envisioned by authors in Japan Using a diverse cross section of writers and texts as case studies this edited volume brings together contributions from a number of leading international experts in the field and is written at an accessible level making it essential reading for those working in Japanese studies colonialism identity studies and nationalism *Historical Dictionary of Modern Japanese Literature and Theater* Scott J. international array of established experts in the field as well as promising young researchers It represents a wide variety of critical approaches giving the study a broad range of perspectives This handbook will be of interest to students and scholars of Asian Studies Literature Sociology Critical Theory and History

Magill,2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography *Time Frames* Scott Nygren,2007 **Mishima, Aesthetic Terrorist** Andrew Rankin,2018-09-30

Half a century after his shocking samurai style suicide Yukio Mishima 1925 1970 remains a deeply controversial figure Though his writings and life story continue to fascinate readers around the world Mishima has often been scorned by scholars who view him as a frivolous figure whose work expresses little more than his own morbid personality In *Mishima Aesthetic Terrorist* Andrew Rankin sets out to challenge this perception by demonstrating the intelligence and seriousness of Mishima s work and thought Each chapter of the book examines one of the central ideas that Mishima develops in his

writings life as art beauty as evil culture as myth eroticism as transgression the artist as tragic hero narcissism as the death drive Along with fresh readings of major works of fiction such as *The Temple of the Golden Pavilion* and *Patriotism* the book introduces less familiar works in different genres Special prominence is given to Mishima's essays which contain some of his most brilliant writing Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity and the decline of strong identities in a world of increasing uniformity and globalization In his cultural criticism Mishima makes an impassioned defense of free speech and he rails against all forms of authoritarianism and censorship Rankin reads Mishima's artistic project up to and including his spectacular death as a single sustained lyric an aggressive piece of performance art unfolding in multiple media For all his rebellious energies Mishima's work is suffused with a sense of ending the end of art the end of eroticism the end of culture the end of the world and it is governed by a decadent aestheticism which holds that beautiful things radiate their most intense beauty on the cusp of their destruction Erudite and authoritative yet written in clear accessible prose *Mishima Aesthetic Terrorist* is essential reading for all those who seek a deeper understanding of this radical and provocative figure

On the Bullet Train with Emily Brontë Judith Pascoe, 2019-01-23 While teaching in Japan Judith Pascoe was fascinated to discover the popularity that Emily Brontë's novel *Wuthering Heights* has enjoyed there Nearly 100 years after its first formal introduction to the country the novel continues to engage the imaginations of Japanese novelists filmmakers manga artists and others resulting in numerous translations adaptations and dramatizations *On the Bullet Train with Emily Brontë* is Pascoe's lively account of her quest to discover the reasons for the continuous Japanese embrace of *Wuthering Heights* including quite varied and surprising adaptations of the novel At the same time the book chronicles Pascoe's experience as an adult student of Japanese She contemplates the multiple Japanese translations of Brontë as contrasted to the single or non-existent English translations of major Japanese writers Carrying out a close reading of a distant country's *Wuthering Heights* Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature In this and in her previous book *The Sarah Siddons Audio Files* Pascoe's engaging narrative innovates a new scholarly form involving immersive research practice to attempt a cross-cultural version of reader response criticism *On the Bullet Train with Emily Brontë* will appeal to scholars in the fields of 19th-century British literature adaptation studies and Japanese literary history

The Strong and the Weak in Japanese Literature Fuminobu Murakami, 2010-06-10 This book uses texts from classical to modern Japanese literature to examine concepts of respect for the strong as a notion of an evolutionary society and sympathy for the weak as a notion of a non-violent and changeless egalitarian society The term strong refers not just to those with strength and power It also includes other ideal attributes such as beauty youth and goodness Similarly the term weak implies not only the weak and infirm but also the disadvantaged the indecent the unsophisticated and those generally shunned by society The former are associated not only with the power of life competition evolution progress development ability effectiveness efficiency individuality the

future hope and romance but also with violence fighting bullying discrimination and sacrifice The latter in contrast invoke notions of peace egalitarianism anti discrimination and welfare as well as stagnation retreat retrogression degeneration and the decline of vital powers By using these two concepts Murakami skillfully weaves a narrative that is part literary criticism part social commentary As such the book will be of huge interest to not only scholars and students of Japanese literature but also those of Japanese society and culture
