Searching For Blue Eyed Trout:

Searching for Blue-Eyed Trout Larry Mehelic, 2002-12 This is a collection of short stories written over the last ten years There are no essays extolling fly fishing as a healer of mind and body Neither will you find dry how to where to details and you won't find a secret fly pattern guaranteed to catch fish on every cast Instead there are anecdotes tall tales and fictional adventures Some of the stories are humorous A couple have more in common with science fiction and Mad Magazine than fly fishing A few take a healthy swipe at fly fishing dogma while a bit of sarcasm drifts in and out of others All however are just yarns meant to entertain the reader
