The Military Balance in the Middle East Anthony H. Cordesman, 2004-09-30 Noted Middle East military expert Anthony H Cordesman details the complex trends that come into play in determining the military balance in a region that has become so critical to world peace This ready resource provides a wealth of information on military expenditures and major arms systems as well as qualitative trends by country and by zone However as Cordesman stresses because the greater Middle East is more a matter of rhetoric than military reality mere data summarizing trends in 23 different countries is no substitute for a substantive explanation Using tables graphs and charts this study explores every aspect of the regional military balance with attention to sub regional balances internal civil conflicts and low level border tensions The Middle East is certainly one of the most militarized areas in the world and changes in technology access to weapons of mass destruction and political instability contribute to a situation that has long been in constant flux Some of the regional flashpoints covered in this study include the Maghreb North Africa the Arab Israeli conflict dominated by Israel versus Syria and the Gulf divided into those states that view Iran as the primary threat and those who lived in fear of Iraq Internal conflicts such as those in Mauritania Algeria Libya Egypt Sudan Bahrain Saudi Arabia Iraq and Yemen increasingly dominate regional tensions In addition border conflicts within the region and with neighboring countries could further aggravate the delicate balance *Regional Security in the Middle East* Zeev Maoz, 2013-06-17 Middle Eastern politics of the 1990s have been characterized by a drive towards peace Whether this is successful or not will depend on the negotiating process These articles discuss the challenges and provide some practical advice on how risks of failure could be avoided

Religious Radicalism in the Greater Middle East Efraim Inbar, Bruce Maddy-Weitzman, 2013-01-11 This collection offers a political analysis of religious radicalism in the Greater Middle East comprising the Middle East Central Asia and North Africa The contributors present various conceptual perspectives including international relations Middle East studies and political sociology **Defending Iran** Gawdat Bahgat, Anoushiravan Ehteshami, 2021-09-23 An authoritative analysis of Iran's defense doctrine and security policies set within the context of security and political relations in the Middle East [A Self-Fulfilling Prophecy](#) Katherine Harvey, 2022-01-01 Examines why the Saudis refused to engage with Iraq's post 2003 Shia led government despite continual outreach by Iraq's new leaders and considerable pressure from the United States [The Sword And The Olive](#) Martin Van Creveld, 2008-08-06 Combining razor sharp analysis with dramatic narrative vivid portraits

of soldiers and commanders with illuminating discussions of battle tactics and covert actions The Sword and the Olive traces the history of the IDF from its beginnings in Palestine to today The book also goes beyond chronology to wrestle with the political and ethical struggles that have shaped the IDF and the country it serves struggles that are manifesting themselves in the recent tragic escalation of the Palestinian Israeli conflict Often revisionist in attitude surprising in many of its conclusions this book casts new light on the struggle for peace in the Middle East *Syrian Chemical Weapons and International Law* Tatsuya Abe, 2023-08-21 This is the first book to focus on international efforts to address Syrian chemical weapons issues in an international law context It provides an overview of the process of control over Syrian compliance non compliance with international obligations including the keys to success in eliminating Syria's stockpiles and reasons for difficulties in handling multiple uses of toxic chemicals as weapons in domestic armed conflicts It also addresses collective and unilateral sanctions against Syria outside of international institutional frameworks and their implications for subsequent cases Supported by extensive analyses of developments within the OPCW Executive Council and the UN Security Council this book is recommended for readers seeking insight about chemical weapons issues and dynamism of international law

Recognition in International Relations C. Daase, A. Geis, Caroline Fehl, Georgios Kolliarakis, 2015-05-12 Recognition is a basic human need but it is not a panacea to all societal ills This volume assembles contributions from International Relations Political Theory and International Law in order to show that recognition is a gradual process and an ambiguous concept both in theory and political practice Kuwait Anthony H Cordesman, 2018-02-20 With the thoroughness that this recently spotlighted nation requires this volume examines Kuwait's internal and external security situation after the turbulent days of the Gulf War and investigates continued Western involvement in its safekeeping It also examines Kuwait's changing role as an energy exporter With the thoroughness that this recently spotlighted nation requires this volume examines Kuwait's internal and external security situation after the turbulent days of the Gulf War and investigates continued Western involvement in its safekeeping It also examines Kuwait's changing role as an energy exporter **Iran and the Gulf: A Search for Stability** Prof. Jamal Sanad Al-Suwaidi, This volume presents the research and analyses of internationally recognized scholars concerning the internal and external dynamics which affect and often determine the policies of the Islamic Republic of Iran Following an introduction designed to provide an analytical and contextual backdrop the volume begins with a detailed look at the Iranian polity its evolution before and after the revolution and the role of ideology The next section addresses Iranian foreign policy with respect to the Arab Gulf states as a function of domestic dynamics and as a response to regional and international events and constraints The third section discusses Iran's military capabilities and includes reasoned judgments concerning the Islamic Republic's intentions and aspirations in the military realm The book concludes with a discussion of the evolving relationship between the GCC states and Iran with particular focus on the security dynamics that attend that relationship for the foreseeable future This timely and comprehensive work acknowledges

Iran's important and immutable role in Gulf affairs and particularly in Gulf security affairs. It also acknowledges the important evolution in Iranian foreign policy which has occurred since the revolution of 1979 and particularly since the death of the Iranian revolutionary leader Ayatollah Ruhollah Khomeini. **Israel: the First Hundred Years** Efraim

Karsh, 2013-11-26 The end of the British mandate in Palestine heralded the birth of the new state of Israel. It also marked the end of one of the most tumultuous and momentous chapters in Israeli history. But the new state, born into a hostile environment and struggling with the manifold demands of sovereignty, would have to face many post-Independence challenges to its existence, not least in the form of armed conflict and confrontation with its Arab neighbours. This volume examines the conflicts that from the 1948 until the 1967 Six Day War came to define the Israeli struggle for existence.

Defending the Holy Land Zeev Maoz, 2009-04-15 Defending the Holy Land is the most comprehensive analysis to date of Israel's national security and foreign policy from the inception of the State of Israel to the present. Author Zeev Maoz's unique double perspective as both an expert on the Israeli security establishment and esteemed scholar of Mideast politics enables him to describe in harrowing detail the tragic recklessness and self-made traps that pervade the history of Israeli security operations and foreign policy. Most of the wars in which Israel was involved, Maoz shows, were entirely avoidable: the result of deliberate Israeli aggression, flawed decision making and misguided conflict management strategies. None, with the possible exception of the 1948 War of Independence, were what Israelis call wars of necessity. They were all wars of choice, or worse, folly. Demonstrating that Israel's national security policy rested on the shaky pairing of a trigger-happy approach to the use of force with a hesitant and reactive peace diplomacy, Defending the Holy Land recounts in minute-by-minute detail how the ascendancy of Israel's security establishment over its foreign policy apparatus led to unnecessary wars and missed opportunities for peace. A scathing and brilliant revisionist history, Defending the Holy Land calls for sweeping reform of Israel's foreign policy and national security establishments. This book will fundamentally transform the way readers think about Israel's troubled history. Zeev Maoz is Professor of Political Science at the University of California, Davis. He is the former head of the Graduate School of Government and Policy and of the Jaffee Center for Strategic Studies at Tel Aviv University, as well as the former academic director of the M.A. Program at the Israeli Defense Forces National Defense College. V. Paul, James J. Wirtz, Michel

Fortmann, 2004 Since the sudden disappearance of the Soviet Union, many scholars have argued that the balance of power theory is losing its relevance. This text examines this viewpoint as well as looking at systematic factors that may hinder or favour the return of balance of power politics. **Saudi Arabia** Anthony H. Cordesman, 2019-05-20 With this multivolume

study, Anthony H. Cordesman once again proves that he is a leading authority on the affairs of the Middle Eastern states.

Cordesman led this comprehensive net assessment of the political economic energy security both internal and external and military trends in each of the Gulf states as well as the power projection cap **The Military Balance 1994-1995** Rachel Neaman,2023-05-31 First published in 1995 The Military Balance is updated each year to provide a timely quantitative assessment of the military forces and defence expenditures of over 160 countries The current volume contains as of 1 June 1994 The break up of the Soviet Union necessitated a re evaluation of the way in which The Military Balance divides the world into geographical sections Russia is both a European and an Asian state and is given a separate section in the book

Israel's National Security Efraim Inbar,2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973 After Khomeini Anoushiravan Ehteshami,2002-03-11 For Iran the years since Ayatollah Khomeini s death have been dominated by the need for political consolidation and economic reconstruction The book assesses the critical dilemmas of the regime both previous to and since the demise of its first spiritual leader The vital issues of political succession and constitutional reform are addressed contributing to an analysis of the structures and politics of power How these have reflected upon economic policy is considered with close attention being given to the reform policies of Rafsanjani Foreign policy and security issues are discussed in both regional and global terms and include a study of Iranian defence strategy and its controversial re armament drive The final chapter examines the direction and context of all of these major policy areas providing an analysis of whether the Islamic Republic truly represents a revolutionary alternative for the Third World or whether in fact it has developed in time to fall within a similar mould to other notable revolutions casting by the wayside any uniquely Islamic agenda and alternatives At the heart of this study is the belief that the Islamic regime has since the cease fire with Iraq but more specifically since Ayatollah Khomeini s death passed into a new stage of development referred to in the book as the Second Republic
