# Mudhouse Sabbath Eleven Spiritual Practices I Learned From Judaism

**Mark Ogilbee, Jana Riess**

## **Mudhouse Sabbath Eleven Spiritual Practices I Learned From Judaism:**

**Mudhouse Sabbath** Lauren Winner, 2003-11-30 After her conversion from Orthodox Judaism to Christianity Lauren Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism She set out to discover how she could incorporate some of these practices into her new faith Winner presents eleven Jewish spiritual practices that can transform the way Christians view the world and God Whether discussing attentive eating marking the days while grieving the community that supports a marriage candle lighting or the differences between the Jewish Sabbath and a Sunday spent at the Mudhouse her favorite coffee shop Winner writes with appealing honesty and rare insight Lauren Winner speaks the language of this generation It is authentic free and bold Ben Young author of *The Ten Commandments of Dating* At a time when we are so aware of the differences between Judaism and Christianity Lauren Winner's book on what we can learn from each other is so refreshingly welcome Rabbi Harold Kushner author of *When Bad Things Happen to Good People* For all of us who can't get our spiritual lives in shape by shipping out to a monastery Lauren Winner explores simple doable ways of keeping company with God in the ordinary day to day world of eating working resting romancing aging earning grieving and celebrating Her rich identity as a Jewish Christian scholar writer informs every sentence Brian McLaren pastor and author of *A New Kind of Christian* Winner is a gifted writer who has much to teach us about the deep and indestructible bonds between Judaism and Christianity Richard Mouw President Fuller Seminary

**Mudhouse Sabbath** Lauren F. Winner, 2015-08-01 Winner's original *Mudhouse Sabbath* has sold 45 000 copies been translated into three languages and spawned a successful video study series After her conversion from Orthodox Judaism to Christianity Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism She here presents eleven Jewish practices that can transform the way Christians view the world and God including attentive eating mourning candle lighting and Sabbath keeping Since first publishing the book Lauren has earned her MDiv and PhD and become an Episcopal priest Her thought has deepened and developed This new Study Edition incorporates the complete original text plus primary texts from Jewish and Christian sources and new material on each of the eleven topics The result is a powerful work for Christians wanting to explore in depth and understand the Jewish origins of Christianity At a time when we are so aware of the differences between Judaism and Christianity Lauren Winner's book on what we can learn from each other is so refreshingly welcome Rabbi Harold Kushner author of *When Bad Things Happen to Good People*

*Tiny Step Away from Deepest Faith* Marjorie Corbman, 2005-10-01 In a society where my generation is often mischaracterized or misunderstood by parents and those around them assumed to be irreligious cynical and jaded I intend to depict it as I see it which is to say a generation lying just at the door of faith having rejected everything but faith itself Having assumed everything to be meaningless we are very close to accepting God as the only source of meaning Marjorie Corbman In this candid thought provoking account seventeen year old Marjorie Corbman teaches the rest of us something about faith She recounts her own

experiences as well as those of many of her friends dismantling with remarkable transparency and grace the misconceptions surrounding today's teenagers. Chapters focus on issues and experiences that Corbman and her peers are searching for such as intimacy, tradition, eternity, community, justice, escape, and how each relates to what Corbman calls the one thing needful, faith. Much has been written about teenagers from self-help books for parents to young adult novels, but very little has been written by teens themselves. This is a book that is sorely needed both for adults wishing to understand today's kids and also for those teenagers who wish to assign some meaning to their beliefs, sufferings, and searching.

**Creating with God** Sarah Jobe, 2011-10-01. *Creating with God* is a boldly truthful, sometimes funny and deeply spiritual account of where babies come from and where babies take us. Jobe reads the Bible through the lens of her back-to-back pregnancies and finds that God shows up in pregnancy when we least expect it. Weaving together biblical reflection, her own story, and the stories of the moms around her, Jobe reveals the ways in which pregnancy is at the heart of God's work in the world. She invites her readers to see the image of Jesus in pregnant women, feel God abiding in the work of pregnancy, and to consider the ways that pregnancy can train us in the very practices we need to live a life of faith.

**Lilith**, 2003. *How (Not) to Speak of God* Peter Rollins, 2006-01-01. With sensitivity to the Christian tradition and a rich understanding of postmodern thought, Peter Rollins argues that the movement known as the emerging church offers a singular, unprecedented message of transformation that has the potential to revolutionize the theological and moral architecture of Western Christianity. *How Not to Speak of God* sets out to explore the theory and praxis of this contemporary expression of faith. Rollins offers a clear exploration of this embryonic movement and provides key resources for those involved in communities that are conversant with and seeking to minister effectively to the needs of a postmodern world. Here in pregnant bud is the rose, the emerging new configuration of a Christianity that is neither Roman nor Protestant, neither Eastern nor monastic, but rather is the reformation of all of them. Here in pregnant bud is third millennium Christendom.

Phyllis Tickle: I am a raving fan of the book you are holding. I loved reading it. I have already begun widely recommending it. Reading it did good for my mind and for my soul. It helped me understand my own spiritual journey more clearly, and it gave me a sense of context for the work I'm involved in. In fact, I would say this is one of the two or three most rewarding books of theology I have read in ten years.

Brian McLaren (from the Foreword): **American Pilgrimage** Mark Ogilbee, Jana Riess, 2006. A unique guide explores the ins and outs of places filled with spiritual meaning and purpose in the United States, from a small adobe chapel in Chimayo, New Mexico, to packed football stadiums at a Billy Graham Crusade, and explains why Americans search for holiness in their own backyard.

**The Illumined Heart** Frederica Mathewes-Green, 2007-07-01. Why are modern Christians so indistinguishable from everyone else? How come Christians who lived in times of bloody persecution were so heroic, while we who live in safety are not? How could the first Christians fast valiantly but we feel deprived without dessert? How did New Testament believers pray without ceasing? How could the early Christian martyrs actually forgive their torturers? What did the Christians of the first centuries know that

we don't That's what this book is about     *A World Transformed* Lisa Deam, 2015-03-30 On the edge of medieval maps monsters roam In the west pilgrims take well traveled roads to Rome and Compostela In the east Old Testament history unfolds And at the center in the city of Jerusalem Jesus saves the world In *A World Transformed* Lisa Deam takes us on an incredible journey through medieval maps Despite their curious appearance these maps as Deam shows are surprisingly modern In their monstrous marvelous sights lie treasure troves of wisdom to guide twenty first century Christians on their walk with God Each chapter in this geographical journey links medieval maps to biblical concepts and spiritual practices that transform our faith and our world     **Nurturing Faith** Fred P. Edie, Mark A. Lamport, 2021-09-07 Faith left on rocky soil withers But faith nurtured in the good soil of Christian teaching formation and mentorship grows to maturity and yields thriving community Educational ministries are so often where this happens where the desires of the human heart are shaped toward a love for God a love for one's neighbor and a love for the world In this comprehensive guide to educational ministries in the twenty first century Fred Edie and Mark Lamport explore how church leaders and others involved in Christian education can nurture a robust cruciform faith within their communities When discussing strategies and goals Edie and Lamport consider a range of contexts and a variety of related fields that might give insight into educational ministry theology pedagogy philosophy social science and more Those working with any age group children adolescents and adults will find a relevant discussion of key underlying theological themes a guide to concrete practices and indispensable help in navigating shifting cultural dynamics Exceedingly practical and consistent with the teachings of the gospel the wisdom in this book will speak to all who long to foster discipleship in their church school or missional community Key Features A Road Map at the beginning of each chapter concisely introduces the chapter's topic and essential themes Sidebars throughout the text provide deeper insight into particular important or nuanced concepts Discussion questions at the end of each chapter facilitate further reflection especially in conversation with others Suggestions for further reading are provided at the end of each chapter for those interested in exploring the chapter's ideas in greater depth Concluding the book is a series of afterwords from experts in the field of Christian educational ministries Martyn Percy Almeda Wright Craig Dykstra Kirsten Oh Elizabeth DeGaynor and Thomas Groome     **Forthcoming Books** *Rose Army*, 2003     **Mudhouse Sabbath** Lauren F. Winner, 2003 With characteristic wit intellectual sharpness and passion for authenticity the groundbreaking author of *Girl Meets God* illuminates eleven spiritual lessons that Judaism has taught her     **Monks in the World** William Thiele, 2014-02-03 In this moving spiritual memoir Dr William Thiele shares inspiring stories of the birthing of a monastery without walls among everyday women and men around New Orleans after the devastation of Hurricane Katrina in 2005 Along the way core contemplative attitudes practices and principles were discovered He offers these stories of birthing a School for Contemplative Living as a challenging call to a frantic and polarized world Readers will be drawn toward their own spiritual transformation as they encounter imperfect monks with messy lives who are practicing God's presence and learning to serve

the world from that presence He encourages readers to join these monks in the world by forming contemplative communities who radiate loving kindness as their first priority      **Checklist for Life for Teachers** Checklist for Life,2005-04-30

Checklist for Life for Teachers is the ultimate handbook for educators offering insight into issues that are specific to the challenges teachers face every day in the classroom In addition to a brief narrative each chapter of this interactive handbook features An I Will checklist of heart and attitude reinforcements A Things to Do checklist of action points A Things to Remember section of scripture verses and applicable quotes from famous and not so famous people Topics addressed include patience fairness goals time management leadership creativity and vision to name a few In all there are insightful narratives scriptures quotations and checklists on sixty six topics The practical inspirational content plus the attractive two color text design and unique cover make this a book teachers will want to purchase or receive as a gift      The Jesus Creed Scot

McKnight,2004 Winner of the 2005 Christianity Today Book Award When an expert in the law asked Jesus for the greatest commandment Jesus responded with the Shema the ancient Jewish creed that commands Israel to love God with heart soul mind and strength But the next part of Jesus answer would change the course of history Jesus amended the Shema giving his followers a new creed for life to love God with heart soul mind and strength but also to love others as themselves Discover how the Jesus Creed of love for God and others can transform your life      *Soul Tending* Anita Amstutz,2018-05-08 We live in

hungry times There is economic uncertainty fear violence division and social chaos What is needed for times such as these is a heart full of courage and wisdom grounded in compassion and resilience For this we can turn to one of the practices that for so many centuries nourished people of faith through incredibly difficult life circumstances and service Traditionally it was a communal gathering time of rest ritual and prayer It is Sabbath keeping In *Soul Tending* Anita Amstutz offers field notes and a road map from her own Sabbath keeping practice for the 21st century a practice rooted in tradition but whose tenets can be applied to practices fit for our present hectic and troubling world Anita has written the book in such a way that it can easily be adapted as a study guide Each chapter ends with a list of questions for reflection that are perfect for use by full congregations independent readers and every kind of group in between This provides an accessible and engaging method to a shared understanding of Sabbath keeping in the modern day      *Recovering Jewishness* Frederick S. Roden,2016-02-22

Judaism and Jewish life reflect a diversity of identity after the past two centuries of modernization This work examines how the early reformers of the 19th century and their legacy into the 20th century created a livable liberal Jewish identity that allowed a reinvention of what it meant to be Jewish a process that continues today Many scholars of the modern Jewish identity focus on the ways in which the past two centuries have resulted in the loss of Jewishness through assimilation intermarriage conversion to other faiths genocide in the Holocaust and decline in religious observance In this work author Frederick S Roden presents a decidedly different perspective that the changes in Judaism throughout the 19th and 20th centuries resulted in a malleable welcoming and expanded Jewish identity one that has benefited from intermarriage and

converts to Judaism The book examines key issues in the modern definition of Jewish identity who is and is not considered a Jew and why issues of Jewish authenticity and the recent history of the debate Attention is paid to the experiences of individuals who came to Judaism from outside the tradition through marrying into Jewish families and or choosing Judaism as a religion In his consideration of the tragedy of the Holocaust the author examines how a totalitarian regime s racial policing of Jewish identity served to awaken a connection with and reconfiguration of what that Jewish identity meant for those who retrospectively realized their Jewishness in the postwar era     *CCAR Journal* ,2005     *The Sabbath Complete* Terrence D. O'Hare,2011-12-01 The Sabbath Lord s Day controversy exists because of a lack of faithful hermeneutics and attempts to validate denominational traditions with Scripture Terrence O Hare has studied this topic for a decade and presents his findings with the hope of attaining a consensus among professing Christians The Sabbath Complete is thoroughly researched and comprehensive in its scope In a readable and instructional manner O Hare analyzes the full range of biblical texts on this topic two millennia of church history and literature from Jewish Catholic and many Protestant varieties thus providing a comprehensive and unique answer that should appeal to a wide range of interested readers     **The Publishers Weekly** ,2003

Eventually, you will utterly discover a extra experience and achievement by spending more cash. still when? complete you allow that you require to get those all needs following having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more approximately the globe, experience, some places, taking into account history, amusement, and a lot more?
