Munich Residence And The Treasury:

The Munich Residence and the Treasury Hermann Neumann,2001 **Munich Residence** ,2007 Embodiments of Power Gary B. Cohen,Franz A. J. Szabo,2008-07-01 The period of the baroque late sixteenth to mid eighteenth centuries saw extensive reconfiguration of European cities and their public spaces Yet this transformation cannot be limited merely to signifying a style of art architecture and decor Rather the dynamism emotionality and potential for grandeur that were inherent in the baroque style developed in close interaction with the need and desire of post Reformation Europeans to find visual expression for the new political confessional and societal realities Highly illustrated this volume examines these complex interrelationships among architecture and art power religion and society from a wide range of viewpoints and localities From Krakow to Madrid and from Naples to Dresden cities were reconfigured visually as well as politically and socially Power in both its political and architectural guises had to be negotiated among constituents ranging from monarchs and high churchmen to ordinary citizens Within this process both rulers and ruled were transformed Europe left behind the last vestiges of the medieval and arrived on the threshold of the modern Treasury in the Munich Residence Residenzmuseum München. Anne of Bohemia Kristen L. Geaman,2022-04-19 This volume examines the life of Anne of Bohemia the first queen of Richard II 1377 1399 and situates her within the context of medieval queenship by arguing that Anne ably fulfilled the political role of the queen consort through her intercession patronage and piety Much previous scholarship on Anne has focused on her relationship with famous poets such as Geoffrey Chaucer but from analyzing government documents it becomes clear that Anne used her wealth and status to enact power Through financial religious and cultural patronage Anne

rewarded supporters and servants and influenced court life The examination of sources such as a letter from Anne to her half brother and an apothecary bill that contains some fertility medicines suggests that the queen both desired and tried to have children As such the volume questions the public imagination of Anne and shows that in this example although she died childless Anne and Richard attempted to have children throughout their marriage With the inclusion of tables listing Anne s acts of intercession and her land holdings and land grants Anne of Bohemia is a useful tool for students and scholars interested in queenship studies medieval women s history and the history of the English monarchy Ludwig II and His Dream Castles Ludwig Merkle,1995 **American Overseas Guide** ,1972 The British National Bibliography Arthur James Wells,2002 **The Defortification of the German City, 1689-1866** Yair Mintzker,2012-07-09 This book tells the story of German cities metamorphoses from walled to defortified places between 1689 and 1866 Using a wealth of original sources the book discusses one of the most significant moments in the emergence of the modern city the dramatic and often traumatic demolition of the city s centuries old fortifications and the creation of the open city **The Lonely Empress** Joan Haslip,2000 Consort to Emperor Franz Joseph of Austria Elizabeth of Bavaria was a modern woman who fled the confines of Habsburg to roam free she fancied dangerous riding sailing and poetry but her life ended with her assassination in 1896 Makes us feel the impact of her beauty as well as the fatal egotism which led to unhappiness restlessness and futility Elizabeth Harvey Well documented and illustrated a grand and fascinating tale Brian Aldiss The International Cyclopaedia ,1892 *Fodor's Essential Germany* Fodor's Travel Guides,2025-08-26 Whether you want to take a boat down the Rhine go to Oktoberfest in Munich or explore the Black Forest the local Fodor s travel experts in Germany are here to help Fodor s Essential Germany guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor s Essential guides were named by Booklist as the Best Travel Guide Series of 2020 Fodor s Essential Germany travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 55 DETAILED MAPS to help you navigate confidently COLOR PHOTOS throughout to spark your wanderlust HONEST RECOMMENDATIONS FROM LOCALS on the best sights restaurants hotels nightlife shopping performing arts activities side trips and more PHOTO FILLED BEST OF FEATURES on What to Eat in Germany German Beer and Wine Best Historic Sights Best Small Towns and more TRIP PLANNING TOOLS AND PRACTICAL TIPS including when to go getting around beating the crowds and saving time and money HISTORICAL AND CULTURAL INSIGHTS providing rich context on the local people politics art architecture cuisine music geography and more SPECIAL FEATURES on Celebrating Oktoberfest The Fairy Tale Castles of King Ludwig and Wine Tasting in the Mosel Valley LOCAL WRITERS to help you find the under the radar gems GERMAN LANGUAGE PRIMER with useful words and essential phrases UP TO DATE COVERAGE
