Digital/Online Networks in Everyday Life During Pandemics Pilar Lacasa, Nelson Zagalo, Martin Emmer, 2022-04-18

Handbook of Research on the Impacts and Implications of COVID-19 on the Tourism Industry Demir, Mahmut, Dalgıç, Ali, Ergen, Fatma Doğanay, 2021-06-25 The tourism sector has been deeply affected particularly in economic terms by the COVID 19 pandemic This crisis has led to new practices and radical changes Scientists emphasize that mankind will face pandemics more frequently in the forthcoming years Thus it is important to understand the negative impacts the COVID 19 pandemic had on the tourism sector as well as the measures that were and are being put in place to protect the industry during future outbreaks The Handbook of Research on the Impacts and Implications of COVID 19 on the Tourism Industry is a comprehensive reference source that reflects upon the evaluations of the experienced and ongoing pandemic crisis in the context of the tourism sector The positive and negative effects experienced by tourism employees and tourists are examined and post pandemic processes and business practices are evaluated Covering topics including consumer rights in tourism dynamic changes in the tourism industry and employment in tourism this book is suitable for travel agencies restaurateurs hotel managers brand managers marketers advertisers managers executives hospitality personnel policymakers government officials tourism practitioners students academicians and researchers seeking the latest sustainable policies and practices that are being utilized to increase the productivity of the tourism sector and will allow it to thrive in the years to come

Pandemic Communication and Resilience David M. Berube, 2021-08-07 This book examines how we design and deliver health communication messages relating to outbreaks epidemics and pandemics We have experienced major changes to how the public receives and searches for information about health crises over the last twelve decades with the ongoing shift from text broadcast based to digital messaging and social media Both health theories and practices are examined as it applies to testing tracking hoarding therapeutics and vaccines with case studies Challenges to communicate about health to diverse

audiences including the science illiterate and across both Western and developing economies have been complicated by politics norms and mores personal heuristics and biases such as mortality salience news avoidance and quarantine fatigue Issues of economic development and land use trade and transportation and even climate change have increased the exposure of human populations to infectious diseases making risk and resilience more pressing The book has been designed to support health communicators and public health management professionals students and interested stakeholders and university libraries

Economy, Society, and Education: Learning from the COVID-19 Crisis Tapas R. Dash, Casey Barnett, 2025-05-29 The global COVID 19 pandemic triggered severe economic shocks that reverberated across the world significantly affecting the lives and livelihoods of millions Economies were brought to a standstill leading to unprecedented downturns that disrupted growth trajectories and pushed many into poverty While the magnitude and nature of these impacts varied from country to country the overall consequences were both immediate and far reaching The crisis highlighted the importance of understanding macroeconomic indicators and social dynamics before during and after the pandemic to develop informed strategies for economic recovery and resilience Recognizing the need for deeper insights into these evolving challenges CamEd Business School convened a series of annual international research symposiums These forums provided a platform for scholars researchers and policymakers to share data driven insights critically examine the economic and social impacts of the pandemic and explore innovative policy solutions The research based discussion papers presented at these symposiums formed the foundation of this book Through rigorous analysis they offer valuable perspectives on navigating post pandemic recovery with a focus on evidence based decision making and long term resilience This compilation aims to serve as both a reflection of the pandemic s wide ranging effects and a guide for rebuilding stronger more inclusive economies in the years ahead

Pandemic Communication Stephen M. Croucher, Audra Diers-Lawson, 2023-02-28 This book details how the processes of communication are affected by the presence of a pandemic and establishes a research agenda for those effects across the broad field of communication studies Through contributions from experts in communication subdisciplines such as crisis organizational interpersonal health intergroup and intercultural this book provides the reader with a comprehensive view of the emerging field of study pandemic communication Each chapter has four primary objectives to 1 define critical issues for pandemic communication from its subdiscipline s perspective 2 examine how communication varies during pandemic s 3 provide examples of how pandemic s have for affected communication and 4 propose a research agenda to build pandemic communication theory This book is suited to undergraduate or post graduate courses or modules in communication studies across a variety of subdisciplines as well as a reference for researchers in the subject
