Irvine,2013-06-01 Bombs death and a deadly terrorist have television reporter Bob Christopher at odds with an evil conspiracy The star anchorman of Los Angeles Channel 3 News had appeared on his last show as the victim of a terrorist bomb The shock waves were still rumbling when his accused killer was found dead of an apparent suicide The terrorist's death should have closed the case But instead it opens a nightmarish can of worms when television newsman Bob Christopher can't let bad enough alone and defies the men with money and muscle to focus in on a macabre conspiracy of evil that feeds on human lives and manacles the law Forthcoming Books Rose Arny,1983 *The Mix* ,1996 *No Boundaries* Tom Diaz,2009-07-28 Tom Diaz has worn out some shoe leather much like a good detective in gathering facts not myths or urban legends As a result he has produced an accurate and comprehensive look at a grave and present danger to our society From the foreword by Chris Swecker former Assistant Director of the FBI and former head of the FBI's Criminal Investigative Division No Boundaries is a disturbing account of what many consider the next Mafia Latino crime gangs Like the Mafia these gangs operate an international network consider violence a routine matter and defy U S law enforcement at every level Also the gangs spawn kingpins such as the notorious Nelson Martinez Varela Comandari who nearly became the first Latin godfather in the United States Focusing on the Los Angeles based Mara Salvatrucha MS 13 and the 18th Street Gang and the Chicago based Latin Kings Tom Diaz describes how neighborhood gangs evolved into extremely brutal sophisticated criminal enterprises and how local and federal authorities have struggled to suppress them As he makes clear the problem of transnational Latino gangs involves complex national and international issues such as racial tensions immigration policy conflict in Latin America and world economic pressures Tom Diaz is a
