

A scenic view of a river at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The river flows from the foreground towards the background, reflecting the light. In the distance, there are dark, silhouetted mountains. The overall atmosphere is peaceful and serene.

## Parables By The Sea:

**Parables from the Sea** Robbins Wolcott Barstow, 1959      **Parables by the Sea** Pamela Reeve, 1976 Using beautiful photographs of nature and personal reflections the author explores the beauty of God's creation in each of us and His unique plan for us and invites us to respond to Him More than 220 000 copies in print      **Parables of the Sea** Justin Major, 2025-11      The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached      **All the Parables of the Bible** Herbert Lockyer, 1963 A study and analysis of the more than 250 parables in Scripture      *Parables of the Kingdom* Mary Ann Getty-Sullivan, 2017-06-15 Do you not understand this parable is a question Jesus posed to his disciples Mark 4 13 Just as the first disciples often did not understand Jesus many parables so it is for listeners and readers nearly two thousand years later In *Parables of the Kingdom* Mary Ann Getty Sullivan helps readers to hear and see and understand the parables of Jesus She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church In addition Getty Sullivan helps readers learn to interpret parables to enter into what the parables can reveal about Jesus and his audience about the evangelists and their communities and about how we are to understand the Kingdom of God today *Parables of the Kingdom* helps us hear and see Jesus parables with new eyes and renewed hearts thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's power in our world Mary Ann Getty Sullivan holds an S T D from the Catholic University of Louvain in Belgium She has been teaching New Testament courses in colleges and seminaries for more than thirty years and has recently retired from teaching full time to devote more time to writing and lecturing Mary Ann has written several commentaries on the Letters of Saint Paul Her recent books include *Women in the New Testament* published by Liturgical Press      An exposition of the Parables Benjamin Keach, 1856      **The Field and Sea** J. M. Bray, 2025-09-07 The *Field and Sea* frames the context and surroundings of two parables that Jesus told his apostles these parables were the treasure in the field and the pearl of great price These two parables were spoken only to the twelve apostles of Jesus these were not shared with the other disciples or crowd and there is a reason for that Jesus's disciples ask why he teaches in riddles Jesus tells them that they have been given to know the secrets of the kingdom but for others it has not been given Jesus speaks in parables allowing the Holy Spirit to work with hearts to understand and those seeking and searching may get the depth of the teaching The book takes us deeper into the details using the information provided from the bible and following the information revealed and examined from the scriptures The scriptures will give rise to the desire to understand the depths of what Jesus is telling us searching for the meanings within Then there is the hope that in sharing what is discovered it will encourage others to look deeper within God's word and not just linger on the surface We must passionately pursue the creator in all that He has given us to find revelation that is personal to each of us      **Proclaiming the Parables** Thomas G. Long, 2024-03-12 In *Proclaiming the Parables* noted preacher and scholar Thomas G Long moves away from past

treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

*AN EXPOSITION OF THE PARABLES* Benjamin Keach, 2023-12-23 Originally written in 1701 this classic work has seen several reprinted versions in the nineteenth century and beyond In this volume Benjamin Keach introduces each parable as a sermon with lessons that help the reader find application Keach's thorough familiarity with Scripture shines in every page of this study as he compares epistle messages and Old Testament commands with the lessons of each parable providing the reader wide and deep access to scriptural study surrounding the parables

*Matthew 13 and the Prophetic Parables About the Present Age* Todd Baker, 2011-12-01 Matthew chapter 13 is key to correctly understanding the specific time frame for the Second Coming and establishment of Messiah's Kingdom on earth and how the course of the present age will unfold and progress from the first coming of Christ until His return Failure to properly understand these parables of Matthew 13 results in a failure to understand all the rest of the parables Jesus spoke after them as He so indicated in Luke 4:13 Therefore it behooves every Bible believing Christian to take serious study of the unfolding prophetic events of the present age as symbolized in the eight parables of Matthew 13 This simple exposition is a humble effort to help the Bible student and reader gain a better appreciation and understanding of this chapter as it pertains to those living in the present age as these prophetic parables are unfolding and being fulfilled right before our very eyes
