Love, Joy, and Sex Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's *Amoris Laetitia*. This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life. This volume has gathered seminal commentaries on *Amoris Laetitia* by African Catholic theologians social scientists and pastoral workers. They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other divisive issues. These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations. Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling. The authors here also call for the inclusion of Africa's own unique challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life. They also challenge uncritical clichés in world Christianity that Africa's opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent

Communicating Christ in Asian Cities Paul H. De Neui, 2009-06-01 *Urban Issues in Buddhist Contexts* *Communicating Christ in Asian Cities* *Urban Issues in Buddhist Contexts* is the sixth volume in a series produced from the annual SEANET Missiological Forum held in Chiang Mai Thailand. It developed from a keen awareness that certain urban concerns for evangelistic mission must be addressed in a unique way when viewed within the myriad and complex cultures found within Asian Buddhism. All authors included here write from many years of experience as Evangelical mission theologians scholars pastors and practitioners working within Asian urban Buddhist contexts. This book is divided into three sections with the first focused on foundational issues of ministry within the framework of Asian Buddhist cities. The second section includes four chapters addressing several contextual issues specific to peoples within Asian Buddhist cities. The final section includes three chapters on the topic of strategic means of evangelization found useful in specific Asian urban Buddhist contexts

Asian American Christianity Reader Timothy Tseng, Viji Nakka-Cammauf, 2009-08-20 This textbook is an interdisciplinary collection of scholarly and religious articles about Asian American Christianity. Its four sections contexts sites identity and voices offer in depth understanding of both Catholic and Protestant traditions practices theologies and faith communities. It also highlights diversity and complexity across lines of gender generation denomination race and ethnicity in Asian American Christianity.

Annual Review of the Sociology of Religion. Volume 11 (2020) Nanlai Cao, Giuseppe Giordan, Fenggang Yang, 2020-12-15 As China is being increasingly integrated into the global economy more and more Chinese people live transnational lives and practice religion globally So far scholarship of the relationship between religion and globalization in the Chinese religious field has primarily been set in the historical context of the encounter between Western Christian missionaries and local Chinese agents and little is known about a global Chinese religious field that is in the making The Annual Review of the Sociology of Religion volume 11 Chinese Religions Going Global seeks to challenge the dichotomous ordering of the western global and the Chinese local and to add a new perspective for understanding religious modernity globally Contributors from four continents who represent a range of specialisms apply social scientific methods in order to systematically research the globalization of Chinese religions **Biblical Texts and African Audiences** Ernst R. Wendland, Jean-Claude Loba-Mkole, 2004 *Social Catholicism for the Twenty-First Century?--Volume 1* William F. Murphy, 2024-09-12 This first of two volumes introduces the tradition of social Catholicism not only in its earlier realizations but regarding how a contemporary renewal might address the crisis in which constitutional democracies and the postwar liberal order are under assault by populist and even neo fascist movements that could soon usher in a frighteningly dark future unless a broad movement in defense of constitutional democracy quickly arises In this context some of the most influential voices among American Catholics are focused on criticizing liberal democracy on advocating a postliberal order and the establishment of a Catholic integralist state or on insisting that abortion should be the primary sociopolitical concern for Catholics treating these threats to democracy as largely irrelevant This volume shows the rich tradition of social Catholicism and how the Social Doctrine of the Church came to appreciate the key tenets of constitutional democracy As Pope Benedict XVI wrote this social doctrine leads us to take a stand for the common good to take the institutional or political path of charity to be solicitous for the institutions that give structure to the life of society juridically civilly politically and culturally It engages some of the most influential contemporary Catholic thinkers and argues that they too should recognize the grave threats facing the human family and join in working to defend and renew our constitutional democracy **Handbook of African Catholicism** Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism **River of God** Douglas D. Priest, Stephen E. Burris, 2012-04-19 River of God is an introduction to world missions aimed at undergraduate students However the readers will soon discover that the book is rich in its content far beyond the editors original plan It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions This book introduces a new paradigm Kingdom Missiology which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament The first half of the book looks at Kingdom Missiology from the biblical historical and cultural dimensions The second half of the book describes helpful strategies in the implementation of this

paradigm The importance of urban ministry is woven throughout the book Contributors Ashley Barker Gina Bellofatto Kendi Howells Douglas Robert Douglas Todd Johnson Robert Kurka Janice Lemke Paul McAlister Mark Moore Doug Priest Greg Pruett Mike Sweeney Bill Weber Donovan Weber Linda Whitmer and Tetsunao Yamamori

,1994 **The Book of Church Growth** Thom S. Rainer,1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't

In Your Eyes I See My Words Pope Francis,2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio's writing as Pope Francis especially in *Evangelii gaudium* November 2013 Gaudete et exsultate On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio's homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio's friend the Uruguayan philosopher Methol Ferr the literary figure Miguel Angel Asturias and Enrique Santos Disc polo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God's people that seeks to spread God's merciful anointing to those living on the margins of life

[Amoris Laetitia](#) Grant Gallicho,James F. Keenan, SJ,2018 Essays by distinguished bishops and theologians that not only introduce readers to the theological depth found in *Amoris Laetitia* but consider the full document including its reception in the multicultural and diverse environment that characterizes the church in the United States and the full range of challenges and issues related to marriage and family life

Developing Disciples of Christ

Julianne Stanz,2017-10-01 St Pope John Paul II reminds us in *Catechesi Tradendae* that catechesis is a moment a very remarkable one in the whole process of evangelization In other words catechesis is an essential part of evangelization not something separate from it Therefore it is critically important that catechetical leaders recognize how to effectively catechize in a way that advances the Church's primary mission to evangelize To that end this third volume of *The Effective Catechetical Leader* will explore a Catholic understanding of evangelization grounded in Scripture and Tradition how the New Evangelization supports and enhances today's catechesis the inseparable nature of content and methodology in catechesis

the absolute importance of adult catechesis and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God's word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church

Recognizing The Latino Resurgence In U.s.

Religion Ana Maria Diaz-stevens, 2018-02-12 This book delivers a knockout blow to the old notion that Latinos and Latinas are just another immigrant group waiting to be assimilated Taking as analogy the scriptural episode of Emmaus in which Jesus walked unrecognized alongside his disciples the authors detail how after nearly a century of unrecognized presence the nations more than 25 million Latinos and Latinas began in 1967 to use religion as a major source of the social and symbolic capital to fortify their identity in American society Ana Mara Daz Stevens and Anthony M Stevens Arroyo describe how this Latino Religious Resurgence has created a church based model of multicultural pluralism that challenges the current trend of U S politics Emmaus is the biblical episode that recounts how the disciples who had been unable to recognize the resurrected Jesus even as he traveled with them finally come to know him as their Lord through his inspirational conversation In this major new work exploring Latino religion Ana Mara Daz Stevens and Anthony M Stevens Arroyo compare a century old presence of Latinos and Latinas under the U S flag to the Emmaus account They convincingly argue for a new paradigm that breaks with the conventional view of Latinos and Latinas as just another immigrant group waiting to be assimilated into the U S The authors suggest instead the concept of a colonized people who now are prepared to contribute their cultural and linguistic heritage to a multicultural and multilingual America The first chapter provides an overview of the religious and demographic dynamics that have contributed a specifically Latino character to the practice of religion among the 25 million plus members of what will become the largest minority group in the U S in the twenty first century The next two chapters offer challenging new interpretations of tradition and colonialism blending theory with multiple examples from historical and anthropological studies on Latinos and Latinas The heart of the book is dedicated to exploring what the authors call the Latino Religious Resurgence which took place between 1967 and 1982 Comparing this period to the Great Awakenings of Colonial America and the Risorgimento of nineteenth century Italy the authors describe a unique combination of social and political forces that stirred Latinos and Latinas nationally Utilizing social science theories of social movement symbolic capital generational change a new mentalit and structuration the authors explain why Latinos and Latinas who had been in the U S all along have only recently come to be recognized as major contributors to American religion The final chapter paints an optimistic role for religion casting it as a binding force in urban life and an important conduit for injecting moral

values into the public realm Offering an extensive bibliography of major works on Latino religion and contemporary social science theory Recognizing the Latino Resurgence in U S Religion makes an important new contribution to the fields of sociology religious studies American history and ethnic and Latino studies
