The Juvenilization of American Christianity Thomas Bergler,2012-04-20 Pop worship music Falling in love with Jesus Mission trips Wearing jeans and T shirts to church Spiritual searching and church hopping Faith based political activism Seeker sensitive outreach These now commonplace elements of American church life all began as innovative ways to reach young people yet they have gradually become accepted as important parts of a spiritual ideal for all ages What on earth has happened In *The Juvenilization of American Christianity* Thomas Bergler traces the way in which over seventy five years youth ministries have breathed new vitality into four major American church traditions African American Evangelical Mainline Protestant and Roman Catholic Bergler shows too how this juvenilization of churches has led to widespread spiritual immaturity consumerism and self centeredness popularizing a feel good faith with neither intergenerational community nor theological literacy Bergler s critique further offers constructive suggestions for taming juvenilization Watch the trailer **Chicago Catholics and the Struggles within Their Church** Andrew M.

Greeley,2017-09-08 What might one expect to learn from a probability sample study of the Archdiocese of Chicago Can one form a national portrait of Catholics in the United States from data about Chicago Certainly Chicago is unique in its judgments about its clergy As the eminent Catholic sociologist Andrew M Greeley argues it is this very difference that makes rigorous comparisons between Chicago Catholics and other Catholic subpopulations possible He suggests that history and geography provide a basis for understanding the development of the Catholic Church not just in this specific area but also in the entire United States The Catholic Archdiocese of Chicago it composed of two counties Lake and Cook At the same time the Catholic population has been pushed up against the boundary of DuPage County by racial change in the city so that much of the west and south side Catholic population of the city has moved into the southern and western suburbs In this research area half of the Catholics have attended college and half of those have attended graduate school Thus the conventional image of Chicago as a mix of ethnic immigrant neighborhoods has to be modified although there are still many new immigrants attending special immigrant parishes Greeley argues that the official church in Chicago and by inference elsewhere has not recognized the community structures that permeate the neighborhoods that it does not grasp the religious stories that shape its peoples identity and it does not understand the intense if selective loyalty of the archdiocese to its leadership As part of this argument Greeley includes transcriptions of in depth interviews with former Catholics This study provides a fascinating window into the world of Catholicism in twenty first century urban America *Ready-to-tell Tales* Bill Mooney,1994 A multicultural collection of traditional tales contributed by more than forty of America s most experienced storytellers with

tips for telling the stories Who Says? Carol L. Birch, Melissa A. Heckler, 1996 In the last two decades the storytelling movement has gained momentum both as an educational tool and an entertainment form But the revival is so young that there is no common vocabulary for discussing it Contemporary storytelling has its roots in the oral and literary traditions Performances are often judged according to the aesthetics of print theater or music even television and film The Christ-Haunted Landscape Susan Ketchin, 2009-11-12 Here are Susan Ketchin's discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O'Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn't convinced of it is very much afraid that he may have been formed in the image and likeness of God Guided by O'Connor's perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the contemporary South Doctor, Will You Pray for Me? Robert L. Klitzman, Professor of Psychiatry and Co-Founder of the Center for Bioethics Robert L. Klitzman, 2024 Psychiatrist and bioethicist Robert Klitzman here explores the need for spiritual guidance among patients and their families who are experiencing illness They often struggle to make sense of their situation and as they confront their mortality they will try to seek hope purpose and larger connections beyond the world of medicine While physicians are frequently uncomfortable with these issues often under the guidance of hospital chaplains can and do fill this void Klitzman uses interviews with patients families and chaplains to bring their stories to life and more broadly he explores the ways in which hospitals and the health care system might address this neglect of a vital human need in times of crisis Pathways of Hope and Faith Among Hispanic Teens Ken Johnson-Mondragón, 2007 Building on the largest national survey of teenage religion ever conducted leading Catholic and Protestant experts recount in unprecedented detail the experiences of God faith community youth ministry and family among the fastest growing segment of young people in the country Latinos Listen as young Hispanics describe their faith and hopes in their own words gain understanding of the major issues affecting their religious development and life prospects and improve your ministry or family life with insightful pastoral recommendations Note Please allow 7-14 days for delivery
