

Real People Working In Communications

John G. Oetzel, Stella Ting-Toomey

Real People Working In Communications:

Real People Working in Communications Jan Goldberg, 1997 Gives an insider's view of the diverse careers in the fields of radio and television advertising public relations newspaper publishing magazine publishing book publishing literary agencies technical writing communications education and more

Workplace Communication for the 21st Century Jason S. Wrench Ph.D., 2013-01-09 Written in clear non technical language this book explains how employees and employers can maximize internal and external organizational communication for both personal benefit and to the entity as a whole

Workplace Communication for the 21st Century Tools and Strategies That Impact the Bottom Line explains and simplifies what organizational communication scholars have learned presenting this knowledge so that it can be easily applied to generate tangible benefits to employees and employers as they face everyday challenges in the real world This two volume work discusses internal organizational and external organizational communication separately first explaining how communication functions within the confines of a modern organization then addressing how organizations interact with various stakeholders such as customers clients and regulatory agencies The expert contributors provide a thorough and insightful view on organizational communication and supply a range of strategies that will be useful to practitioners and academics alike

Public Relations Online Tom Kelleher, 2006-12-20 Rich in scholarly foundations combined with actual practice Public Relations Online Lasting Concepts for Changing Media connects the social and technological forces that are changing public relations Using plain talk discussion of theory and research this book helps readers identify how lasting concepts for effective public relations can be applied in a changing media environment and how a changing media environment affects the practice of effective public relations Key Features Provides Hands On activities Internet resource exercises challenge readers to apply concepts to their world in real time on the day that they read the chapter Offers Questionable Claims boxes Discussions present alternative perspectives on sometimes over hyped claims and serve to help sharpen critical thinking skills Discusses computer systems and networks Server side and peer to peer technologies are introduced as models for understanding online public relations Focuses on how real people are using online media to communicate Online public relations is more a matter of what people are doing with online media technologies than what these technologies are doing to people Intended Audience This text is designed for advanced undergraduate and graduate courses in Public Relations strategies and practices such as Public Relations Cases Public Relations Management Public Relations Strategy and Public Relations Campaigns

Organizational Communication Dennis K. Mumby, Timothy R. Kuhn, 2018-11-29 While traditional in its coverage of the major research traditions that have developed over the past 100 years Organizational Communication is the first textbook in the field that is written from a critical perspective while providing a comprehensive survey of theory and research in organizational communication Extensively updated and incorporating relevant current events the Second Edition familiarizes students with the field of organizational communication

historically conceptually and practically and challenges them to critically reflect on their common sense understandings of work and organizations preparing them for participation in 21st century organizational settings Linking theory with practice Dennis K Mumby and new co author Timothy R Kuhn skillfully explore the significant role played by organizations and corporations in constructing our identities

Populist Political Communication in Europe Toril Aalberg, Frank Esser, Carsten Reinemann, Jesper Stromback, Claes De Vreese, 2016-07-01 In an increasing number of countries around the world populist leaders political parties and movements have gained prominence and influence either by electoral successes on their own or by influencing other political parties and the national political discourse While it is widely acknowledged that the media and the role of communication more broadly are key to understanding the rise and success of populist leaders parties and movements there is however very little research on populist political communication at least in the English speaking research literature Originating from a research project funded by the European Cooperation in the field of Scientific and Technical Research COST this book seeks to advance this research It includes examinations 24 European countries and focuses on three areas within the context of populism and populist political communication populist actors as communicators the media and populism and citizens and populism

The SAGE Handbook of Conflict Communication John G. Oetzel, Stella Ting-Toomey, 2013-02-14 This second edition of the award winning The SAGE Handbook of Conflict Communication emphasizes constructive conflict management from a communication perspective identifying the message as the focus of conflict research and practice Editors John G Oetzel and Stella Ting Toomey along with expert researchers in the discipline have assembled in one resource the knowledge base of the field of conflict communication identified the best theories ideas and practices of conflict communication and provided the opportunity for scholars and practitioners to link theoretical frameworks and application tools
