Real Questions About God Real Questions:

Answering the Toughest Questions About God and the Bible Bruce Bickel, Stan Jantz, 2016-10-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God Is he real Why are Christians so unlike Jesus Does he really care about me Bruce Bickel and Stan Jantz don't pretend to have all the answers But they do know how to wrestle with doubt They welcome questions and in these pages they ask some of the most important ones you have about God and the Bible With candor insight and a disarming touch of humor they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling asking and seeking Truth There is no shame in asking after all even some of the greatest men and women in the Bible had doubts Don't let your questions go unanswered What you find might just change your life

Questions about God S. Michael Houdmann, General Editor, 2014 God welcomes questions The Bible is full of inquisitive characters with good questions From Abraham's inquiry Will not the Judge of all the earth do right to Mary's wide-eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus' gracious promise says Ask and it will be given to you Matthew 7:7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more

Aquinas: Summa Theologiae, Questions on God Saint Thomas (Aquinas), 2006-02-16 Thomas Aquinas 1224-6-1274 was one of the greatest of the medieval philosophers His Summa Theologiae is his most important contribution to Christian theology and one of the main sources for his philosophy This volume offers most of the Summa's first 26 questions including all of those on the existence and nature of God Based on the 1960 Blackfriars translation this version has been extensively revised by Brian Davies and also includes an introduction by Brian Leftow which places the questions in their philosophical and historical context The result is an accessible and up-to-date edition of Aquinas' thoughts on the nature and existence of God both of which have continuing relevance for the philosophy of religion and Christian theology

Questions God Asks Us Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we're encouraged to focus on the quest rather than a resolution Such

an approach leads to deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God

Great Questions God Asks Kathy Call,2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God s great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with the same questions in our lives bringing us face to face with ourselves and with God himself

Asking God Some Tough Questions E. Graham,2015-11-20 I was taken into the Spirit for three days Thats when God revealed to me that I was to write this book and interview Him He said to me This book is one of My many tools that I will use in these last days to bring many out of bondage and bring healing to the nations of the world This is not a new revelation as God said He is the same yesterday

today and forever This book just deals with serious questions of everyday life and the answers from God Himself God said this does not replace or override His written Word in the Holy Scriptures but is another aide for everyday living All the questions and answers were under the inspiration of God The Bible's Answers to 100 of Life's Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell 40 Questions About Calvinism Shawn D.
