Reason Reality Religion Regeneration And Reincarnation:

Reason, Reality, Religion, Regeneration, and Reincarnation William Kingsland, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

An Anthology of Mysticism and Mystical Philosophy William Kingsland, 2024-11-01 First published in 1927, *An Anthology of Mysticism and Mystical Philosophy* is a valuable contribution to the literature of mysticism in general, both in its theoretical and experimental aspects. It contains over seven hundred and fifty quotations from one hundred and fifty-eight ancient and modern mystical philosophical and scientific works. This book also acts as a supplement to William Kingsland's previous volume, *Rational Mysticism*, for it is illustrative of the principles therein set forth.

The God Matrix: Decoding the Divine Blueprint for Reality, Faith, and Society Roger Ball, 2025-09-01 This book is not a single linear argument but a collection of expeditions into the deepest questions of human existence. Each chapter essay stands alone as a focused, intense exploration of a specific facet of truth, life, and reality. Together, they weave a larger tapestry revealing the profound and often hidden architecture of the divine order in which we live, move, and have our being. Here, the Matrix is not an illusion; it's the foundational gridwork of reality, the operating system authored by God. These essays are attempts to interface with that system to understand its source code of love, logic, justice, and grace. Some ideas will comfort you; others will challenge you. You are invited not to simply agree but to actively participate in a conversation as old as creation. Read in sequence or begin wherever your most urgent question lies. Within these pages, you will find the tools to decode the divine signals in your life, better understand the heart of God, and ultimately see the world as it truly is: a reality sustained by and forever connected to the mind of its Maker. This is the story of everything. This is the red pill that can change your life. Chapter titles include: Can God's Existence Be Proven? Why Did God Create Mankind? Why Do Good People Go to Hell? Moral Failure and God's Purposes. How to Destroy Any Society. Know the Truth. Can Same Sex Attraction Be Overcome? Do You Have a Soul Mate? Does Suicide Damn the Soul? American Bloodlust. The Violent Psychological Conditioning of Today's Young People. Nurturing the Divine Within. Raising Healthy Children Through Structure, Love, and Spiritual Awareness. Knowing God's Will. Don't Just Do Something, What Are Your Spiritual Gifts? Explore the Faith. A Glossary of Christian Words, Beliefs, and Practices.

A Tidy Faith Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing prooftexts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry
