Rebirth And Restoration Of Israel:

The Rebirth and Restoration of Israel Murray Dixon, 1988

Restoring the Fortunes of Zion Rob Yule, 2017-09-20

Restoring the Fortunes of Zion tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt. It shows how the return of the Jewish people from two millennia of exile realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future. Rob Yule brings together accessible scholarship, biblical, historical, geographical, political and theological, with strong advocacy to create a book that I found riveting and moving. I commend Restoring the Fortunes of Zion to all those who wish for a clearer sense of Israel, its emergence from desolation to vitality, and those who helped and hindered its progress. It is an exceptionally valuable resource. Dame Lesley Max Auckland. The publication of Restoring the Fortunes of Zion is extraordinarily timely and vital for our understanding of current world events. It enables us to better understand from a biblical perspective what has happened in Israel's past, what is happening in Israel today, as well as what is going to happen to Israel in the future. Revd Murray Dixon, Palmerston North. Rob Yule's book weaves together a carefully researched, erudite, scholarly but eminently readable and fascinating account of Israel. He intertwines and interprets the history, politics, military strategy, theology and culture of the region in the past, present and future. The sweep of his vision is as breath-taking as the intriguing subject matter that he covers. Revd Owen Hoskin, Auckland.

The Oracle Jonathan Cahn, 2019-09-03. New York Times and USA Today Best Seller. Discover the amazing secret of the ages and the mystery of your life. The Oracle will reveal the mystery behind everything: the past, the present, current events, even what is yet to come. Open the seven doors of revelation and prepare to be blown away. Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries* and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything: from the rise and fall of nations and empires, even America, to the current events of our day, to the future, to end-time prophecy and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago

be determining the events of our day Could some of the most famous people of modern history and current events be secretly linked to this mystery even a modern president of the United States Could this ancient revelation pinpoint the events of our times down to the year month and day of their occurring Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times Could these manifestations have altered and now be altering the course of world events Jonathan Cahn takes the reader on a journey to find the man called the Oracle One by one each of the Jubilean mysteries will be revealed through the giving of a vision The Oracle will uncover the mysteries of The Stranger The Lost City The Man With the Measuring Line The Land of Seven Wells The Birds The Number of the End The Man in the Black Robe The Prophet s Song The Matrix of Years The Day of the Lions The Awakening of the Dragon and much more The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses from King Nebuchadnezzar to Donald Trump from the fall of empires to the rise of America from a mystery hidden in a desert cave to another in an ancient scroll from the palace of the Persian Empire to the US Senate from the Summer of Love to the Code of Babylon and much much more Ultimately the Oracle will reveal the secret that lies behind end time prophecy and the mystery of the end of the age As with The Harbinger and The Book of Mysteries Cahn reveals the mysteries through a narrative A traveler is given seven keys each will open up one of seven doors Behind each door lies a stream of mysteries The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors the ancient secrets that lie behind the world changing events of modern times and revelations of what is yet to come Hailed as a mind blowing masterpiece The Oracle will reveal mysteries that are absolutely real amazing stunning mind blowing and life changing Prepare to be blown away Also Available in Spanish ISBN 13 978 1 62999 267 9 E Book ISBN 978 1 62999 268 6 *The Gospel of John and the Future of Israel* Christopher M. Blumhofer, 2019-12-19 This is a study that combines the insights of historical literary and theological approaches to the Gospel of John **Miracle Israel** John Barnett, 2003 **The Popular Bible Prophecy Commentary** Tim F. LaHaye, Edward E. Hindson, 2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the world s kingdoms and the interpretation of the book of Revelation [Deconstruction and Reconstruction in Yhwh's Universal Project](#) Louismary Ocha, 2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it

investigates Jeremiah's prophecies as flying with two wings oracles of judgement and oracles of salvation. In other words, the oracles are not only against the nations but also for the nations. With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah, YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel's history. In like manner, the book portrays the abiding divine presence in the history of humankind in general. Therefore, Israel is only used to form a bridge of YHWH's concern for the nations; hence, the entire humanity. As YHWH sets the history of Israel in motion, so He performs for the rest of humanity. The goal of which has always been for the good and salvation of humankind, of which the culmination is in the person and advent of Jesus Christ.
