*Religion, politics, and social change in the Third World : a sourcebook* Donald Eugene Smith, 1974      *Religion, Politics and Social Change in the Third World* Donald Eugene Smith, 1971      **Religion and Politics** John T. S. Madeley, 2019-07-15 This title was first published in 2003 This subject area of this work cross cuts conventional sub disciplinary boundaries in the study of comparative politics Connections between religion and and politics can be identified in all of the thematic areas covered by the articles within      **The New Cold War?** Mark Juergensmeyer, 2023-04-28 Will the religious confrontations with secular authorities around the world lead to a new Cold War Mark Juergensmeyer paints a provocative picture of the new religious revolutionaries altering the political landscape in the Middle East South Asia Central Asia and Eastern Europe Impassioned Muslim leaders in Egypt Palestine and Algeria political rabbis in Israel militant Sikhs in India and triumphant Catholic clergy in Eastern Europe are all players in Juergensmeyer's study of the explosive growth of religious movements that decisively reject Western ideas of secular nationalism Juergensmeyer revises our notions of religious revolutions Instead of viewing religious nationalists as wild eyed anti American fanatics he reveals them as modern activists pursuing a legitimate form of politics He explores the positive role religion can play in the political life of modern nations even while acknowledging some religious nationalists proclivity to violence and disregard of Western notions of human rights Finally he situates the growth of religious nationalism in the context of the political malaise of the modern West Noting that the synthesis of traditional religion and secular nationalism yields a religious version of the modern nation state Juergensmeyer claims that such a political entity could conceivably embrace democratic values and human rights Will the religious confrontations with secular authorities around the world lead to a new Cold War Mark Juergensmeyer paints a provocative picture of the new religious revolutionaries altering the political landscape in the Middle East South Asia Centr      **Current Issues in Law and Religion** Silvio Ferrari, 2017-07-05 This volume focuses on issues that have only recently come to the forefront of the discipline such as freedom from religion ordination of homosexuals apostasy security and fundamentalism issues that are linked to the common themes of secularism and globalization Although these subjects are not new to the academic debate they have become prominent in law and religion circles as a result of recent and rapid changes in society The essays in this volume present multiple points of view facilitate scholars in understanding this evolving discipline and act as a stimulus for further research This collection gives the reader a sense of the key topics and current debates in law and religion and is of interest to law politics human rights and religion scholars      **The Oxford Handbook of Secularism** Phil Zuckerman, John R. Shook, 2017 The Oxford Handbook of Secularism offers a wide ranging examination of secularism on a global scale bringing together an international collection of views from prominent experts in a variety of fields This volume reflects the impressive level of academic attention now given to secularism across the humanities social sciences law and public policy and international relations Long reigning theories about the pace of secularization and ideal church state

relations are here scrutinized by a new generation of scholars studying secularism with new questions better data and fresh perspectives

**Religion and the Legitimation of Power in South Asia** Smith,2022-04-25 *Global Rebellion* Mark Juergensmeyer,2008-05-16 A new religious activism has seized the imaginations of political rebels around the world In providing a road map through this complex terrain the author bases his discussion on interviews with militant activists and case studies of rebellious movements

**Religion in World Conflict** Jonathan Fox,Shmeul Sandler,2014-02-04 This new book tackles two crucial questions First how does religion in its various forms and manifestations influence world politics Second how will adding religion to the discourse on international relations modify our theoretical understanding Each of these leading authors addresses different aspects of these questions in different contexts providing a diverse and multifaceted view of the topic Susanna Pearce and Tanja Ellingsen examine the religious causes of conflict on the macro level Several of the contributors focus on specific conflicts The Gaurav Ghose and Patrick James examine the Kashmir conflict from the Pakistani perspective and Carolyn James and Ozgur Ozdamar examine it from the Indian perspective Similarly Hillel Frisch examines the Palestinian Israeli conflict from the Palestinian perspective and Jonathan Rynhold examines it from the Israeli perspective Finally two of the authors examine other important issues Stuart Cohen examines the evolution of the religious view of war in the Jewish tradition and Yehudit Auerbach examines whether it can play a role in conflict resolution and reconciliation These assessments deliver fascinating conclusions This book was previously published as a Special Issue of *Terrorism and Violence*

**History and Politics In Post-Colonial India** Michael Gottlob,2011-05-30 The writing of history in India has been fraught with controversies From the storm over textbooks in the 1970s and the furore over the Babri Masjid in the 1990s to the flaring up of religious sentiments over beef eating and the Ram Sethu this book provides a synoptic view of teaching and writing of history in post colonial India Michael Gottlob explores historical research and teaching as important components contributing to the development of a national identity and ideas of citizenship in post colonial India He shows how the urge to decolonize and recover the self has given rise to several approaches that attempt to reclaim Indian history from its colonial past The book discusses diverse areas like methodological research and public use of history cultural identity and diversity nationalism and communalism and social movements and deconstructs their far reaching implications in contemporary India It also examines the role of women Dalits and Adivasis to understand their position in the multicultural reality of India

**God Caesar and the Freedom of Religion** Elizabeth Warren,2011-06-02 Summary of *God Caesar and the Freedom of Religion* by Elizabeth Warren November 17 2004 This book is a distillation of the current practices of 191 national governments concerning their respect for the Human Right of freedom of religion Its focus on the relationships between governments and religions reveals the relative political power of both Religions are vital to societies They give people a way to express their responses to the divine impulse They form the basis for social order and morality Since 1948 when the Universal Declaration of Human Rights was approved by the United Nations a majority of the nations of the world

have approved it The question presented by this book is how well do the nations respect the right in practice While a majority of the governments do respect the freedom of religion some restrict the right of people to practice their religion through laws and administrative practices Moreover there are times when inter religious rivalries get in the way of free expression of religion and lead to conflicts Sometimes a benign religion comes to be used by militants who badly distort its message Some religions become seekers after power either with respect to each other or with respect to their governments In at least one case religion and government are one The book is different from others that discuss freedom of religion in that it classifies 191 countries according to their governments respect for freedom of religion in practice using U S State Department reports and other sources The focus of the book is political not theological The Publishers Weekly ,1972 *Buddhism and Political Theory* Matthew J. Moore,2016 This work provides a comprehensive survey and analysis of Buddhist political theory from the time of the Buddha to the present World History Encyclopedia [21 volumes] Alfred J.
