

# THE RELIGIONS OF ANCIENT ISRAEL

*A SYNTHESIS OF PARALLACTIC APPROACHES*

Ziony Zevit

# Religions Of Ancient Israel A Synthesis Of Parallactic Approaches

**Scott C. Dulebohn**

## **Religions Of Ancient Israel A Synthesis Of Parallactic Approaches:**

The Religions of Ancient Israel Ziony Zevit, 2003-06-01 This is the most far reaching interdisciplinary investigation into the religion of ancient Israel ever attempted The author draws on textual readings archaeological and historical data and epigraphy to determine what is known about the Israelite religions during the Iron Age 1200-586 BCE The evidence is synthesized within the structure of an Israelite worldview and ethos involving kin tribes land traditional ways and places of worship and a national deity Professor Zevit has originated this interpretive matrix through insights ideas and models developed in the academic study of religion and history within the context of the humanities He is strikingly original for instance in his contention that much of the Psalter was composed in praise of deities other than Yahweh Through his book the author has set a precedent which should encourage dialogue and cooperative study between all ancient historians and archaeologists but particularly between Iron Age archaeologists and biblical scholars The work challenges many conclusions of previous scholarship about the nature of the Israelites religion The Cambridge Guide to Jewish History, Religion, and Culture Judith R. Baskin, Kenneth Seeskin, 2010-07-12 This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture **Israelite Religions** Richard S. Hess, 2007-10-15 Archaeological excavation in the Holy Land has exploded with the resurgence of interest in the historical roots of the biblical Israelites Israelite Religions offers Bible students and interested lay leaders a survey of the major issues and approaches that constitute the study of ancient Israelite religion Unique among other books on the subject Israelite Religions takes the Bible seriously as a historical source balancing the biblical material with relevant evidence from archaeological finds *Linguistic and Philological Studies of the Hebrew Bible and its Manuscripts*, 2023-07-10 This volume honors the extraordinary scholarship of Prof Gary A Rendsburg whose work and friendship have influenced so many in the last five decades Twenty five prominent scholars from the US Europe Israel and Australia have contributed significant original studies in three of Rendsburg's areas of interest and expertise Hebrew language Hebrew Bible and Hebrew manuscripts These linguistic philological literary epigraphic and historical approaches to the study of Hebrew and its textual traditions serve as a worthy tribute to such an accomplished scholar and also as an illustration how all of these approaches can complement one another in the fields of Hebrew and Biblical Studies **Household and Family Religion in Antiquity** John Bodel, Saul M. Olyan, 2012-02-15 The first book to explore the religious dimensions of the family and the household in ancient Mediterranean and West Asian antiquity Advances our understanding of household and familial religion as opposed to state sponsored or civic temple cults Reconstructs domestic and family religious practices in Egypt Greece Rome Israel Mesopotamia Ugarit Emar and Philistia Explores many household rituals such as providing for ancestral spirits and petitioning of a household's patron deities or of spirits associated with the house itself Examines lifecycle rituals from pregnancy and birth to maturity old age death and beyond Looks at religious practices relating to the household both within

the home itself and other spaces such as at extramural tombs and local sanctuaries      *The Cambridge Companion to the Hebrew Bible/Old Testament* Stephen B. Chapman, Marvin A. Sweeney, 2016-07-12 This volume features an impressive array of leading biblical scholars and presents an illuminating and lively cross section of this traditional field of study Treating core topics and changing methodologies within twenty three comprehensive chapters this Companion provides an outstanding introduction to the historical origins and literary character of the canonical literature      **Judaism and Other Religions** Alan Brill, 2010-04-14 With insight and scholarship Alan Brill crisply outlines the traditional Jewish approaches to other religions for an age of globalization He provides a fresh perspective on Biblical and Rabbinic texts offering new ways of thinking about other faiths In the majority of volume he develops the categories of theology of religions for Jewish text and arranges the texts according classification widely used in interfaith work inclusivist exclusivist universalist and pluralist Judaism and Other Religions is essential for a Jewish theological understanding of the various issues in encounters with other religions With passion and clarity Brill argues that in today s world of strong religious passions and intolerance it is necessary to go beyond secular tolerance toward moderate and mediating religious positions      **Hermeneutics, Politics, and the History of Religions** Christian K. Wedemeyer, Wendy Doniger, 2010 This volume comprises papers presented at a conference marking the 50th anniversary of Joachim Wach s death and the centennial of Mircea Eliade s birth Its purpose is to reconsider both the problematic separate legacies of these two major twentieth century historians of religions and the bearing of these two legacies upon each other Shortly after Wach s death in 1955 Eliade succeeded him as the premiere historian of religions at the University of Chicago As a result the two have been associated with each other in many people s minds as the successive leaders of the so called Chicago School in the history of religions In fact as this volume makes clear there never was a monolithic Chicago School Although Wach reportedly referred to Eliade as the most astute historian of religions of the day the two never met and their approaches to the study of religions differed significantly Several dominant issues run through the essays collected here the relationship between the two men s writings and their lives and in Eliade s case the relationship between his political commitments and his writings in fiction history of religions and autobiography Both men s contributions to the field continue to provoke controversy and debate and this volume sheds new light on these controversies and what they reveal about these two scholars legacies      The Interpreting Angel Motif in Prophetic and Apocalyptic Literature David P. Melvin, 2013-08-01 Melvin traces the emergence and development of the motif of angelic interpretation of visions from late prophetic literature Ezekiel 40 48 Zechariah 1 6 into early apocalyptic literature 1 Enoch 17 36 72 82 Daniel 7 8 Examining how the historical and socio political context of exilic and post exilic Judaism and the broader religious and cultural environment shaped Jewish angelology in general Melvin concludes that the motif of the interpreting angel served a particular function Building upon the work of Susan Niditch Melvin concludes that the interpreting angel motif served a polemical function in repudiating divination as a means of predicting the future while at the

same time elevating the authority of the visionary revelation The literary effect is to reimagine God as an imperial monarch who rules and communicates through intermediaries a reimagination that profoundly influenced subsequent Jewish and Christian tradition *The Oxford Handbook of the Historical Books of the Hebrew Bible* Brad E. Kelle, Brent A. Strawn, 2020-11-02 The Oxford Handbook of Historical Books of the Hebrew Bible is a collection of essays that provide resources for the interpretation of the books of Joshua Judges Samuel Kings Chronicles Ezra and Nehemiah The volume is not exhaustive in its coverage but examines interpretive aspects of these books that are deemed essential for interpretation or that are representative of significant trends in present and future scholarship The individual essays are united by their focus on two guiding questions 1 What does this topic have to do with the Old Testament Historical Books and 2 How does this topic help readers better interpret the Old Testament Historical Books Each essay critically surveys prior scholarship before presenting current and prospective approaches Taking into account the ongoing debates concerning the relationship between the Old Testament texts and historical events in the ancient world data from Assyrian Babylonian and Persian culture and history are used to provide a larger context for the content of the Historical Books Essays consider specific issues related to Israelite Judean history settlement state formation monarchy forced migration and return as they relate to the interpretation of the Historical Books This volume also explores the specific themes concepts and content that are most essential for interpreting these books In light of the diverse material included in this section of the Old Testament the Handbook further examines interpretive strategies that employ various redactional synthetic and theory based approaches Beyond the Old Testament proper subsequent texts traditions and cultures often received and interpreted the material in the Historical Books and so the volume concludes by investigating the literary social and theological aspects of that reception

King Manasseh and Child Sacrifice Francesca Stavrakopoulou, 2012-10-24 The Hebrew Bible portrays King Manasseh and child sacrifice as the most reprehensible person and the most objectionable practice within the story of Israel This monograph suggests that historically neither were as deviant as the Hebrew Bible appears to insist Through careful historical reconstruction it is argued that Manasseh was one of Judah's most successful monarchs and child sacrifice played a central role in ancient Judahite religious practice The biblical writers motivated by ideological concerns have thus deliberately distorted the truth about Manasseh and child sacrifice

**Remembering Abraham** Ronald Hendel, 2005-02-03 According to an old tradition preserved in the Palestinian Targums the Hebrew Bible is the Book of Memories The sacred past recalled in the Bible serves as a model and wellspring for the present The remembered past says Ronald Hendel is the material with which biblical Israel constructed its identity as a people a religion and a culture It is a mixture of history collective memory folklore and literary brilliance and is often colored by political and religious interests In Israel's formative years these memories circulated orally in the context of family and tribe Over time they came to be crystallized in various written texts The Hebrew Bible is a vast compendium of writings spanning a thousand year period from roughly the twelfth

to the second century BCE and representing perhaps a small slice of the writings of that period The texts are often overwritten by later texts creating a complex pastiche of text reinterpretation and commentary The religion and culture of ancient Israel are expressed by these texts and in no small part also created by them as they formulate new or altered conceptions of the sacred past Remembering Abraham explores the interplay of culture history and memory in the Hebrew Bible Hendel examines the Hebrew Bible's portrayal of Israel and its history and correlates the biblical past with our own sense of the past He addresses the ways that culture memory and history interweave in the self fashioning of Israel's identity and in the biblical portrayals of the patriarchs the Exodus and King Solomon A concluding chapter explores the broad horizons of the biblical sense of the past This accessibly written book represents the mature thought of one of our leading scholars of the Hebrew Bible

*Interpreting Judean Pillar Figurines* Erin Darby, 2014-09-11 Judean Pillar Figurines regularly appear in discussions about Israelite religion monotheism and female practice Erin Darby uses Near Eastern texts iconography the Hebrew Bible and the archeology of Jerusalem to explore figurine function the gender of figurine users and the relationship between Judean figurines and the Assyrian Empire Back cover

*A Story of YHWH* Shawn W. Flynn, 2019-09-06 A Story of YHWH investigates the ancient Israelite expression of their deity and tracks why variation occurred in that expression from the early Iron Age to the Persian period Through this text readers will gain a better appreciation for the complexities and contexts in the development of YHWH from its earliest origins to the Persian period Two interpretive frameworks cultural translation and subversive reception are offered for filtering through the textual data and contexts Comparative study with ancient Near Eastern deities and select biblical texts lead readers through early YHWHism YHWH's original outsider status and the eventual impact of urbanization on the expression Perceived and real pressures then challenge urbanite YHWHism and invite new directions for forming a unique expression of divinity in the ancient world This book is intended for those interested in the study of ancient divinity broadly as well as those who study ancient Israel and the Hebrew Bible The work provides generalists with a better appreciation for the particular challenges in working in the ancient Near East and with the bible specifically while it provides specialists with a broad theory that can be continually tested For both the study provides two reading lenses to work through similar questions and an accounting of why the many contextually driven and varied constructions of YHWH may have occurred

**Max Weber's Economic Ethic of the World Religions** Thomas Ertman, 2017-03-24 This book identifies what is living and what is dead in Max Weber's analyses of China India and Ancient Israel

**Congress Volume Basel 2001** André Lemaire, 2014-09-03 This volume publishes the papers given by invitation at the 17th Congress of the International Organization for the Study of the Old Testament which was held in Basel from 5-10 August 2001 It presents a state of the art of the current exegesis of the Hebrew Bible taking into account the latest research in general linguistics and semitic philology as well as textual criticism Massora Magna Septuagint Qumran manuscripts ethno sociology and archaeology Feminist biblical studies are duly represented as

well as the last research on literary criticism on the Pentateuch especially in its relation to other ancient Near Eastern texts Neo assyrian and Aramaic inscriptions Finally two contributions throw light on the problem of religious interpretation of the Bible Resurrection of the Dead and Biblical Theology      **Introduction to the Old Testament** Bill T. Arnold,2014-04-07

This volume introduces ancient Israel s Scriptures or the Hebrew Bible commonly called the Old Testament It also traces the legacy of monotheism first found in the pages of the Old Testament Where pertinent to the message of the Old Testament the book explores issues of history comparative religions and sociology while striking a balance among these topics by focusing primarily on literary features of the text In addition frequent sidebar discussions introduce the reader to contemporary scholarship especially the results of historical critical research and archaeology Along the way the book explores how the Old Testament conceptualized and gave rise to monotheism one of the most significant developments in history giving this study a currency for twenty first century readers      *Jewish Studies on Premodern Periods* Carl S. Ehrlich,Sara R. Horowitz,2023-05-22

This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge      *What Is Religion?* Nigel Ajay Kumar,2013-09-11

What Is Religion is one of those questions rarely asked by Christian theologians who engage in interreligious discourse Nigel Kumar makes the case however that to answer the question is critical for Christian scholars attempting to negotiate multiple religious identities as well as for those who want a clearer understanding of their own faith as religion Kumar takes a historical approach to answering the question He traces the development of the concept of religion and then formulates a theological answer not only by looking at an Indian theologian Chenchiah but also by listening to other secular and theological voices      *The Hebrew Bible* Norman K. Gottwald,2008-10-28

A landmark textbook made accessible for the beginning college student Thoroughly updated charts and graphs reflection guides and study questions Richly illustrated with maps and photographs Companion Web site features professor and student friendly resources

## **Religions Of Ancient Israel A Synthesis Of Parallactic Approaches Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religions Of Ancient Israel A Synthesis Of Parallactic Approaches free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religions Of Ancient Israel A Synthesis Of Parallactic Approaches free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religions Of Ancient Israel A Synthesis Of Parallactic Approaches free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religions Of Ancient Israel A Synthesis Of Parallactic Approaches. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religions Of Ancient Israel A Synthesis Of Parallactic Approaches any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Religions Of Ancient Israel A Synthesis Of Parallactic Approaches Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religions Of Ancient Israel A Synthesis Of Parallactic Approaches is one of the best book in our library for free trial. We provide copy of Religions Of Ancient Israel A Synthesis Of Parallactic Approaches in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religions Of Ancient Israel A Synthesis Of Parallactic Approaches. Where to download Religions Of Ancient Israel A Synthesis Of Parallactic Approaches online for free? Are you looking for Religions Of Ancient Israel A Synthesis Of Parallactic Approaches PDF? This is definitely going to save you time and cash in something you should think about.
