The Return of Peter Grimm David Belasco,1921 **The Return of Peter Grimm** David Belasco,2018-02-16 This is a novelization of the popular play in which David Warfield as Old Peter Grimm scored such a remarkable success The story is spectacular and extremely pathetic but withal powerful both as a book and as a play We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Return of Peter Grimm* David Belasco,2019-11-29 In David Belasco s poignant play *The Return of Peter Grimm* the narrative artfully melds realism and supernatural elements to explore themes of life death and redemption Set against the backdrop of a small town grappling with the complexities of human emotions the work delves deeply into the psyches of its characters particularly the titular Peter Grimm who returns from the grave to witness the repercussions of his life choices The play employs a mix of rich dialogue and vivid characterization which are hallmark traits of Belasco s literary style evoking deep empathy and existential reflection among audiences This work stands as a significant contribution to early 20th century American theater encapsulating the transitional mood between traditional values and the burgeoning modern existentialism of the period David Belasco a prominent figure in American theatre was known for his innovative stagecraft and a keen understanding of human nature which profoundly informed his writing His experiences in the theatre world coupled with a passion for storytelling often led him to tackle intricate moral dilemmas faced by individuals *The Return of Peter Grimm* reflects Belasco s fascination with spirituality and mortality as he seeks to illustrate the impact of one s life on the living Readers who appreciate a deep emotional narrative intertwined with elements of the supernatural will find *The Return of Peter Grimm* a compelling examination of human existence Belasco s insightful treatment of his characters makes this play not only a poignant theatrical experience but also a profound commentary on the enduring influence of love and regret beyond the grave *The Return of Peter Grimm* [microform] David Belasco,1998 *The Return of Peter Grimm* Francis Edwards Faragoh,1935 **The Return of Peter Grimm** Belasco David 1853-1931,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain
