The Afrikan Revolution in Ayiti Kimoni Yaw Ajani,2023-12-18 Throughout the history of Western academia there have been scholars who have interpreted and examined various aspects of human history and made it a point to universalize their own interpretations of different people s histories and cultures This type of scholarship tends to ignore the contributions and historical realities of other people This case is especially true of the scholars who have interpreted the historiography around the Afrikan revolution in Ayiti otherwise known as The Haitian Revolution Kimoni Yaw Ajani s *The Afrikan Revolution in Ayiti Lib te ou Lanm Freedom or Death* is an Afrocentric re examination and interpretation around the historiography of the Revolution in Ayiti and provides an in depth study that highlights several significant Afrikan epistemological and cosmological aspects that led to freedom These aspects include but are not limited to the persistence of Afrikan complementary forces in Ayiti Vodou Vodun and Afrikan cosmology Afrikan combat traditions such as Tire Mach t and the numerous Afrikan languages personalities and roles that emerged from the growing numbers of Afrikans brought to Ayiti as a result of the European slave trade Ajani calls for building communities on the best of Afrikan epistemological foundations and reclaiming Afrikan history **Slavery and Resistance in Africa and Asia** Edward A. Alpers,Gwyn Campbell,Michael Salman,2013-09-13 First published in 2004 This book previously published as a special issue of the journal *Slavery and Abolition* provides pioneering studies on the nature and structure of resistance to forms of bondage in Africa Asia and the Indian Ocean world *The Cambridge World History of Slavery: Volume 2, AD 500–AD 1420* Craig Perry,David Eltis,Stanley L. Engerman,David Richardson,2021-08-12 Medieval slavery has received little attention relative to slavery in ancient Greece and Rome and in the early modern Atlantic world This imbalance in the scholarship has led many to assume that slavery was

of minor importance in the Middle Ages In fact the practice of slavery continued unabated across the globe throughout the medieval millennium This volume the final volume in The Cambridge World History of Slavery covers the period between the fall of Rome and the rise of the transatlantic plantation complexes by assembling twenty three original essays written by scholars acknowledged as leaders in their respective fields The volume demonstrates the continual and central presence of slavery in societies worldwide between 500 CE and 1420 CE The essays analyze key concepts in the history of slavery including gender trade empire state formation and diplomacy labor childhood social status and mobility cultural attitudes spectrums of dependency and coercion and life histories of enslaved people **Captives and Companions** Justin

Marozzi,2025-10-21 The definitive history of the slave trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet s Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan s elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For wom leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world s insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania Captives and Companions takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization

Eurasian Slavery, Ransom and Abolition in World History, 1200-1860 Christoph Witzernath,2016-03-09 Recent research has demonstrated that early modern slavery was much more widespread than the traditional concentration on plantation slavery in the context of European colonial expansion would suggest Slavery and slave trading though little researched were common across wide stretches of Eurasia and a slave economy played a vital part in the political and cultural contacts between Russia and its Eurasian neighbours This volume concentrates on captivity slavery ransom and

abolition in the vicinity of the Eurasian steppe from the early modern period to recent developments and explores their legacy and relevance down to the modern times The contributions centre on the Russian Empire while bringing together scholars from various historical traditions of the leading states in this region including Poland Lithuania and the Ottoman Empire and their various successor states At the centre of attention are transfers transnational fertilizations and the institutions rituals and representations facilitating enslavement exchanges and ransoming The essays in this collection define and quantify slavery covering various regions in the steppe and its vicinity and looking at trans cultural issues and the implications of slavery and ransom for social economic and political connections across the steppe In so doing the volume provides both a broad overview of the subject and a snapshot of the latest research from leading scholars working in this area

Domestic Slavery in Syria and Egypt, 1200-1500 Jan Hinrich Hagedorn, 2019-12-09 Slavery touched many aspects of Mamluk society This volume focuses on the role of slaves within the family from birth to purchase liberation and death It investigates domestic slavery in Syrian and Egyptian society from the thirteenth to the fifteenth century Jan Hagedorn focuses on the agency of slaves in the context of master slave relationships within households and in wider society He argues that the ability of slaves to shape the world around them was underpinned by a constant process of negotiation within the master slave relationship and that intermediaries such as the court system channelled the agency of slaves The principal sources for this study are purchase contracts listening certificates marriage contracts and estate inventories in combination with scribal market inspection and slave purchase manuals as well as chronicles
