Schoolmaking An Alternative In Teacher Education:

Schoolmaking Carolyn Lipton Ellner, Betty J. Barnes, 1977 An experimental training program designed to produce change agents with special skills for working with disadvantaged and culturally deprived children **Alternative Routes to Teaching** Pam Grossman, Susanna Loeb, 2021-02-25 Over the past 20 years alternative certification for teachers has emerged as a major avenue of teacher preparation The proliferation of new pathways has spurred heated debate over how best to recruit prepare and support qualified teachers *Alternative Routes to Teaching* provides a thorough and dispassionate review of the research evidence on alternative certification It takes readers beyond the simple dichotomies that have characterized the debate over alternative certification encourages them to look carefully at the trade offs implicit in any route into teaching and suggests ways to marry the proven strengths of both traditional and alternative approaches Schoolmaking Carolyn Lipton Ellner, B. J. Barnes, 1972 *Resources in Education*, 2001 *The Hows and Whys of Alternative Education* Darlene Leiding, 2008 The *Hows and Whys of Alternative Education* offers the essential information on the history of alternative education school choice alternative schools charter schools magnet schools homeschooling private schools vouchers distance learning teacher student parent attraction and the future of educational choice Alternative Schooling, Social Justice and Marginalised Students Stewart Riddle, David Cleaver, 2017-07-14 This book examines the experiences and perspectives of students and teachers at an alternative music school which caters for young learners who have been marginalised and disenfranchised from mainstream schooling The school utilises a rich music infused curriculum that connects to the lives of its students alongside a democratic ethos and ethic of care for members of the school community including the students teachers and parents The combination of personal narratives together with detailed critical discussion provides a compelling argument for how schools can make a major difference to the lives of young people The case study presented in this book offers one potential response to the institutionalised social and educational inequities that young people continue to face and highlights the important lessons from alternative schooling for education more broadly It will be of particular interest to researchers in the areas of education and sociology especially those concerned with matters of social justice and equity in education **Action in Teacher Education**, 1989 Alternative Approaches to Education Fiona Carnie, 2003 This book is designed to give parents and teachers information on the alternative education options available in the UK It covers three main areas Outside the state system small schools Steiner Waldorf schools Montessori schools democratic schools and other schools with alternative philosophies Doing it yourself setting up a small school or learning centre educating at home flexible schooling Alternatives within the state system how some state schools are finding different ways of working The values philosophies and methods of each alternative are described including the first hand experiences and accounts of children teachers and parents There are answers to common questions and useful sources of further information This accessible and informative book is the ideal introduction for parents deciding how best to educate their children It will be of interest to

teachers looking to build their knowledge of different education philosophies **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1979 **Alternatives in Education** Allan A. Glatthorn,1975 Alternatives in Education Greg S. Goodman,1999 Using critical theory as a foundation Alternatives in Education posits psychology s role in educating at risk youth as the number one ingredient for student success To reach and teach disaffected youth the best psychological practices must be wedded to modern multicultural perspectives Alternatives in Education brings free choice and opportunity to a milieu of students and teachers alienated by competitive and hegemonic school models Blending critical theory into the actual stories of the Wonalancet Alternative School Alternatives in Education speaks to practicing educators of at risk youth **Hearings, Reports, Public Laws** United States. Congress. House. Committee on Education and Labor,1967 **School Choice and Social Controversy** Stephen D. Sugarman, Frank R. Kemerer,2011-12-01 In this important new volume distinguished legal and public policy scholars address issues that are critical to the successful drafting and implementation of school choice programs yet are usually overlooked in the choice debate They explore whether school choice is a threat or an opportunity to the many children who are largely deprived of choice today and they offer a variety of perspectives with some authors enthusiastic others more skeptical The book begins with a discussion of the types and extent of school choice what is known about its consequences and how politics has influenced its development It then focuses on three important public policy issues how school choice can revolutionize the way schools are financed what policy interventions are necessary to increase the supply of choice schools and how choice programs can be held accountable to parents and the state without undermining institutional autonomy The book addresses legal issues including whether public and private choice schools will be required to observe student and teacher rights generally recognized in traditional public schools how the religion and speech clauses of the First Amendment may affect the participation of religious schools in school choice programs whether school choice will enhance or aggravate opportunities for racial justice what the implications of school choice are for teacher unions and collective bargaining and whether children with disabilities will be accommodated in school choice programs under federal disability law Throughout the book the authors offer recommendations for public policy development The contributors are Jeffrey Henig Robert Bulman and David L Kirp Paul T Hill Robert M O Neil Jesse H Choper Betsy Levin William G Buss and Laura F Rothstein Stephen D Sugarman is Agnes Roddy Robb Professor of Law at the University of California Berkeley Frank R Kemerer is Regents Professor and director of the Center for IJER Vol 4-N2 International Journal of Educational Reform,1995-04-01 The mission of the International Journal of Educational Reform IJER is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities As the only peer reviewed scholarly publication that combines authors voices without regard for the political affiliations perspectives or research methodologies IJER provides readers with a balanced view of all sides of the political and educational mainstream To this end IJER includes

but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals objectives and methods for success throughout the world Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes Finally it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U S and the world *Alternative Education* Mario D. Fantini,1976

No two children are alike They have different needs they learn differently and at different rates have unique interests and talents as well as special problems In the past decade this age old fact has become increasingly obvious in our educational system We have come to realize the unavoidable doom of institutional uniformity and the absolute necessity of alternatives and choices which allow all students and not only those who can afford it to learn in the best possible situation for them Mario D Fantini one of the nation s best known spokesmen for alternatives in education has brought together important material which shows how this task can be and is being done in the educational system today He has compiled a handbook for parents students teachers and administrators who want to know how to improve education in their community Mario D Fantini is professor and Dean of education at the State University of New York at New Paltz He is author of *What s Best For The Children* also published by Anchor Press Doubleday *Primary Education-Popular Educator* ,1928 To Establish a National Institute of Education, Hearings Before the Select Subcommittee on Education...92-1, on H.R. 33, 3606 and Other Related Bills, Feb. 18, 24; March 17, 23; May 11, 14, 1971; March 20, and June 14, 1971 United States. Congress. House. Education and Labor,1971 Grade Teacher ,1928 **Alternatives in Education** Vernon H. Smith,Robert D. Barr,Daniel J.
