The Dictionary of Obscure Sorrows John Koenig,2021-11-16 NEW YORK TIMES BESTSELLER It s undeniably thrilling to find words for our strangest feelings Koenig casts light into lonely corners of

human experience An enchanting book The Washington Post A truly original book in every sense of the word The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don't have the words to express until now Have you ever wondered about the lives of each person you pass on the street realizing that everyone is the main character in their own story each living a life as vivid and complex as your own That feeling has a name sonder Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster hoping it would shake up your life That's called lachesism Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced That's anemoia If you've never heard of these terms before that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion The Dictionary of Obscure Sorrows creates beautiful new words that we need but do not yet have says John Green bestselling author of The Fault in Our Stars By turns poignant relatable and mind bending the definitions include whimsical etymologies drawn from languages around the world interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition from astrophe the longing to explore beyond the planet Earth to zenosyne the sense that time keeps getting faster The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective pondering the ineffable feelings that make up our lives With a gorgeous package and beautiful illustrations throughout this is the perfect gift for creatives word nerds and human beings everywhere Who are You Really? Peter J. Cullinane, 2005 Who is that sitting on a small rotating planet gliding through a large cold universe It's you of course And where do you think you are going The deepest question in every human heart is does my life ultimately matter What is my value based on In Who Are You Really you will see where others have found meaning which can be a vantage point from which to make your own discoveries Becoming the person you are called to be is a journey into reality The journey involves shedding all that is not your true self The journey is about becoming more real These pages cover a range of topics your past coming to see God's gifts your relationship with God and more touching on things you might have thought were unrelated to each other They all have something to do with who you are and how you can know this Doing the exercises at the end of each chapter and praying the psalms will help you make your own discoveries and see for yourself There is someone waiting for you at the end of this journey someone you will enjoy meeting You will find the answer to who you really are **A People's Future of the United States** Charlie Jane Anders, Lesley Nneka Arimah, Charles Yu, 2019-02-05 A glittering landscape of twenty five speculative stories that challenge oppression and envision new futures for America from N K Jemisin Charles Yu Jamie Ford G Willow Wilson Charlie Jane Anders Hugh Howey and more NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In these tumultuous times in our deeply divided country many people are angry frightened and hurting Knowing that imagining a brighter tomorrow has always been an act of resistance editors Victor LaValle and John Joseph Adams invited an extraordinarily talented group of writers to share stories that explore new forms of freedom love and justice They asked for narratives that would challenge oppressive American myths release us from the chokehold of our

history and give us new futures to believe in They also asked that the stories be badass The result is this spectacular collection of twenty five tales that blend the dark and the light the dystopian and the utopian These tales are vivid with struggle and hardship whether it s the othered and the terrorized or dragonriders and covert commandos but these characters don t flee they fight Thrilling inspiring and a sheer joy to read A People s Future of the United States is a gift for anyone who believes in our power to dream a just world Featuring stories by Violet Allen Charlie Jane Anders Lesley Nneka Arimah Ashok K Banker Tobias S Buckell Tananarive Due Omar El Akkad Jamie Ford Maria Dahvana Headley Hugh Howey Lizz Huerta Justina Ireland N K Jemisin Alice Sola Kim Seanan McGuire Sam J Miller Daniel Jos Older Malka Older Gabby Rivera A Merc Rustad Kai Cheng Thom Catherynne M Valente Daniel H Wilson G Willow Wilson Charles Yu **Proving the Existence of God** Borges C. Pasteur,2011-05-19 Herein this book is great works found within the highest power of thoughts shared from a young writer by the name of Borges C Pasteur In this book you will find so many things that point to the existences of God through faith facts nature scriptures science history and thoughts that before was not heard of until the making of this book came to be The goal of these great texts is to give one the greater understandings of the world space time and the ordinance that God the Creator left for us to enjoy in the righteous manner and so much more in which one can come to believe in the Creator of the heaven and the earth Also you will find quotes from great people like Jesus Christ the LORD of lords Albert Einstein Sr Isaac Newton Noah who build the ark and what God shared with him Dr King a wonderful person I know and so many more to broaden your mind to find and to look beyond religion and see that God lives on That the entire human race exists for this Greater purpose of God But we must first live this life the here and now before understanding beyond what we can see that is eternity to one day have it in come our grips by being worthy of it We must first love the little things and understand them So we can know what we are here for and have to fulfill before we can understand the greater things of God that would blow our minds if we were to see them and know them now Just for what you are going to read in this book it will bring a great amount of understanding to your mind Things like the purpose for the sand of the sea what causes the ocean tides to divided the reason we see the rainbow in the sky today what science cannot fully explain but only found within the Holy bible the meaning of the word Bible the things our founding Fathers new about our great country You will know some of these insights just from reading what God allowed me to find and explain in this book it will bring you more and greater understanding and broaden your thoughts to think highly on a normal bases You will love what comes to mind so enjoy what I now understand in which many of the brilliant mind of the past understood **The Power of Moving Forward** Carla Morris Weis MD,2023-06-14 The Power of Moving Forward is a book written for anyone navigating through life s changes Dr Carla has created a guidebook using ancient wisdom illuminating the individual stages of life development Through accessing this same ancient wisdom she provides guidance on successfully traveling through your individual life course This book is entertaining educational and thought provoking Whether you feel on top of the world

A woman's work, memorials of Eliza Fletcher, ed. [really written] by C.A. Salmond Charles Adamson Salmond,1885 Journalism, Reporting, Writing and Editing Rowan Kidd,2018-01-25 The present book has been brought into being in view of incessant demand pertaining to the subject Journalism inherently requires that stories be told in depth Many newspapers have cut out long articles even before the Internet They have followed the example set by television news They have been hit by the rising price of newsprint and the renewed emphasis on cost cutting They are convinced that readers are pressed for time impatient with detail and conditioned to ingest the news in pellet like form The bulk of broadcast news is reporting in the sense that is used is different rather than journalism It is epitomized by the two minute wire service radio bulletin on the hour already a fast disappearing format In this incisive and well presented work the book has synthesized the findings to lay down principles of sound journalism for both those in the industry and the citizens who rely on the free press as a fundamental element of democracy First and foremost among these principles is journalism s obligation to the truth It will immensely benefit students teachers mass communicators theoreticians and practitioners alike Something usable today a ready reckoner for years to come and a collector s item for all times A must read enduring and preservable

A Dictionary of Modern English Usage H. W. Fowler,2010-10-14 What grammarians say should be has perhaps less influence on what shall be than even the more modest of them realize No book had more influence on twentieth century attitudes to the English language in Britain than Henry Fowler s Dictionary of Modern English Usage It rapidly became the standard work of reference for the correct use of English in terms of choice of words grammar and style Much loved for his firm opinions passion and dry humour Fowler has stood the test of time and is still considered the best arbiter of good practice In this new edition of the original Dictionary David Crystal goes beyond the popular mythology surrounding Fowler s reputation to retrace his method and arrive at a fresh evaluation of his place in the history of linguistic thought With a wealth of entertaining examples he looks at Fowler s stated principles and the tensions between his prescriptive and descriptive temperaments He shows that the Dictionary does a great more than make normative recommendations and express private opinion In addition he offers a modern perspective on some 300 entries in which he shows how English has changed since the 1920s ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s

commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Bong the Bouncing Elephant and His Fantastic Friends Wayne Teall, 2012 I have always wanted to write a book ever since I can remember but one day I was listening to a programme on Radio 5 which I don't normally listen to Sir Terry Pratchett the famous author was on there saying how everyone has something in them but if they can't write it down or if they can't type try and get it down somehow After a while a couple of days after listening to the programme I was asked to go and clear up something at work and funnily enough there were two dictaphones I thought this was a bit spooky so I decided to use one of the dictaphones and start my book It wasn't easy it was difficult at first to talk into a tape recorder and put down your feelings and thoughts on there This book was done purely through my imagination the characters are purely my thoughts and I see how everything was when I was a kid at school how we were brought up and how the school is broken down into different elements at school where you have some friends there some friends there not so many friends there no friends there and you went around in a group all your life This book is about Bong how he meets his friends how he falls out with friends and how he has some great friends and they always will be this is what the book is all about friends The biggest thing about the book is honour and respect to your friends and family The characters in the book are also caricatures of themselves which is self explanatory

The Awakening Synarchy Book 1 Crystal Storm, 2019-12-21 When the head of the Terenzio mafia family summons Vasco Simone and Lucien to his deathbed the triplets get a shock they never saw coming Their grandfather shares the family secret that the alien Anunnaki are behind a secret cabal running Earth To break free and bring the cabal down they'll have to confront and destroy both Earth's secret societies and the Anunnaki they serve Worse time is running out to save humanity as the winter solstice draws near The Anunnaki are coming but the Terenzios know nothing about the metaphysical wonders underpinning reality wonders they must harness to win Arrogance and money aren't enough to succeed time isn't on their side and the siblings have never faced anything like this If they don't find the strength and information to finish what their family started humanity will remain enslaved to the Anunnaki And the Terenzio triplets will face even worse consequences Fans of the Godfather and Stargate will enjoy this mobsters vs aliens sci-fi conspiracy thriller
