Midnight Round Up:

Shantaram Gregory David Roberts, 2004-10-13 Now a major television series from Apple TV starring Charlie Hunnam It took me a long time and most of the world to learn what I know about love and fate and the choices we make but the heart of it came to me in an instant while I was chained to a wall and being tortured An escaped convict with a false passport Lin flees maximum security prison in Australia for the teeming streets of Bombay where he can disappear Accompanied by his guide and faithful friend Prabaker the two enter the city's hidden society of beggars and gangsters prostitutes and holy men soldiers and actors and Indians and exiles from other countries who seek in this remarkable place what they cannot find elsewhere As a hunted man without a home family or identity Lin searches for love and meaning while running a clinic in one of the city's poorest slums and serving his apprenticeship in the dark arts of the Bombay mafia The search leads him to war prison torture murder and a series of enigmatic and bloody betrayals The keys to unlock the mysteries and intrigues that bind Lin are held by two people The first is Khader Khan mafia godfather criminal philosopher saint and mentor to Lin in the underworld of the Golden City The second is Karla elusive dangerous and beautiful whose passions are driven by secrets that torment her and yet give her a terrible power Burning slums and five star hotels romantic love and prison agonies criminal wars and Bollywood films spiritual gurus and mujaheddin guerrillas this huge novel has the world of human experience in its reach and a passionate love for India at its heart

The Definitive Guide to Emergency Department Operational Improvement Jody Crane, MD, MBA, Chuck Noon, PhD, 2019-11-25 This revised and updated book explores the academics behind managing the complex service environment that is the Emergency Department ED by combining applied management science and practical experiences to create a model of how to improve operations This book offers a presentation of Lean tools used in the ED along with basic and advanced flow principles It then shows how these concepts are applied and why they work supported by case studies in which Lean principles were used to transform an underperforming ED into a world class operation After reviewing best practices the authors explain how to achieve excellence by discussing the elements of creating a culture of change
