Mother Crocodile:

Mother Crocodile Birago Diop, 1995-12 A collection of children's books on the subject of mothers The Jaws of a Crocodile Edson Kudzai Mutuwira, 2014-05-27 It is about an orphan girl called Tambudzai Tambudzai stays with her grandmother The two live in abject poverty manifested by a monotonous diet of sadza thick maize meal porridge served with wild vegetables or mufushwa dried cowpeas leaves as relish everyday To break the monotony Tambudzai goes out fishing in a crocodile infested mighty Save River She catches a lot of fish She is attacked by a crocodile The crocodile drags her across a pool in the river and into a tunnel that leads to its nest The crocodile dumps into its nest what it thought was a corpse to feed its young ones The young crocodiles hungrily attack Tambudzai trying to tear off some flesh from her body Tambudzai recovers consciousness and kills all the young crocodiles She burrows her way out of the crocodile nest in a bid to escape On coming to check on its young ones the mother crocodile finds them all dead It follows Tambudzai's foot prints and crawls out of the nest through the same hole Tambudzai had made and used Once outside it sees Tambudzai and it goes after her to avenge for the death of its young ones Tambudzai tries to quicken her step but she cannot run fast because her leg was broken during the attack Tambudzai is saved by some dogs that were chasing a duiker The duiker passed between the crocodile and Tambudzai The dogs saw the crocodile and attacked it This gave Tambudzai a chance to escape from the jaws of the crocodile **The Monstrous Mother: Unexpected Evil in Myth, Literature, and Popular Culture** Anna Chiara Corradino, Alessandro Grilli, 2025-09-30 This edited volume delves into the unexpected intriguing depictions of monstrous mothers in different cultures literatures and the arts This wide ranging topic is explored through a variety of methodological approaches spanning disciplines from sociology to film studies and from comparative literature to cultural studies The scope of this collection is global highlighting the presence of maternal monstrosity not only in Western cultures but also in a number of other cultural contexts worldwide The book's international and interdisciplinary perspective makes it relevant to a broad and diverse readership focusing on literary criticism as well as cultural and gender studies *African Literature in French* Dorothy S. Blair, 1976-11-18 This 1976 book provides both a historical survey and a critical analysis of the literature in French from West and Equatorial Africa Professor Blair begins by discussing the social educational and political influences which led to the formation of the Negritude movement and to a flowering of French African creative writing This historical approach is then complemented by a study of the different literary genres She traces the evolution of the first manifestations of literary activity in French by African writers the written folk tale fable and short story from the oral tradition of the indigenous culture and the eventual appearance of the novel with a legendary or historical theme The origins of French African drama are considered for the first time and the work of the minor poets analysed Finally Professor Blair attempts a definition of the French African novel and studies examples from three major periods from the 1930s onwards Secrets of the Paradox Micheal D. Winterburn, 2013-08-01 Far from merely recycling what we already know about certain paradoxes

this book breaks entirely new ground by providing what everyone really wants solutions The king of all paradoxes is the Liar This statement is false If it is true it is false if it is false it is true which in its earliest form is over two and a half thousand years old Throughout all this time it has resisted every attempt to fully understand it This work finally unlocks the secrets of the Liar exposing principles patterns and formulae that have long lain hidden Several other important paradoxes also come under the logical searchlight and they too surrender their treasures Though paradoxes are inherently difficult this book approaches them in a clear and entertaining manner using plain English Secrets of the Paradox is written for the general reader yet is sufficiently rigorous to satisfy the demands of the professional philosopher If you relish an intellectual challenge this book is for you The Life Cycle of a Crocodile Barbara M. Zhang,2007-03-15 My South Seas Sleeping Beauty is a captivating coming of age tale set in the magical jungles of Borneo Told through the vivid recollections of a Chinese Malay youth the novel recounts the life of Su Qi a troubled sensitive son of a wealthy family and exemplifies the imaginative range of one of Taiwan s most innovative writers There were all sorts of stories about how my younger sister died Su Qi begins hinting at the power of memory to bend and refract truth Yet whichever the real story may be the fact is that the death of Su Qi s sister created an irrevocable rift in Su Qi s family driving his father into the arms of aboriginal women and his mother into a world of her own invention In an effort to escape the oppression of home Su Qi loses himself in the surrounding jungle full of Communist guerillas and strange tropical fauna The

jungle further blurs the line between fantasy and reality for Su Qi until he meets Chunxi the beautiful frail daughter of his father's best friend Chunxi is an oasis of kindness and honesty in an otherwise cruel and evasive world but after a bizarre accident Chunxi falls into a deep coma and Su Qi flees to Taiwan In college Su Qi meets Keyi a vivacious siren who helps Su Qi forget not only his violent past but also the colorful tales of his youth When a family member dies however Su Qi is pulled back to the jungles of Borneo where he begins to unravel the secrets of his family's past a story stranger than any fairy tale and learns that his cherished dream of awakening his beloved Chunxi may be more than just a fantasy Influenced by the lyricism of William Faulkner and the magical realism of Gabriel Garcia Marquez *My South Seas Sleeping Beauty* is a deeply evocative exploration of sexuality and identity and a masterful reworking of Chinese and Western myth Valerie Jaffee's careful translation retains all the tone and detail of the original work and provides rare access to a new and exciting generation of Chinese writers born in Southeast Asia

Elsewhere, Within Here Trinh T. Minh-ha, 2010-10-18 *Elsewhere Within Here* is an engaging look at travel across national borders as a foreigner a tourist an immigrant a refugee in a pre and post 9 11 world Who is welcome where What does it mean to feel out of place in the country you call home When does the stranger appear in these times of dark metamorphoses These are some of the issues addressed by the author as she examines the cultural meaning and complexities of travel immigration home and exile The boundary seen both as a material and immaterial event is where endings pass into beginnings Building upon themes present in her
