Spies on the Sidelines Kevin Bryant, 2022-07-13 The first book to fully explore the extraordinary covert actions NFL teams are willing to take in order to win Spies disguised as priests Secret surveillance of targets movements Radio frequency jamming Tapped telephones These might sound like acts of espionage right out of the Cold War or a spy movie but in fact came straight from the National Football League In Spies on the Sidelines The High Stakes World of NFL Espionage Kevin Bryant provides the first in depth investigation of spying in professional football as well as the countermeasures utilized to defend against these threats Spanning across all teams and eras Bryant shines a light on the shady world of NFL reconnaissance from clandestine photography and hidden draft prospects to listening devices and stolen documents along with the permissible if sometimes questionable spy techniques teams utilize day in and day out to gain an advantage over their opponents Written by a former Special Agent with decades of experience collecting and safeguarding information for the Department of Defense Spies on the Sidelines reveals that behind the game day action professional football can be as cloak and dagger as American intelligence agencies This fascinating and expansive compilation of NFL spy anecdotes exposes the extraordinary measures teams are willing to take in order to win

Green Bay Packers William Povletich, 2012-08-22 On the field legends like Don Hutson Ray Nitschke and Brett Favre made the Green Bay Packers into a professional football powerhouse But the history of the NFL s only small town franchise is as much a story of business creativity as gridiron supremacy Behind every Packer who became a legend on the field there was an Andrew Turnbull Dominic Olejniczak or Bob Harlan leaders whose dedication and creativity in preserving the franchise were unwavering Green Bay Packers Trials Triumphs and Traditions tells the improbable story of professional football s most iconic team and along the way gives a unique window into the rise of modern professional sports As the NFL has evolved into a financial juggernaut the Green Bay Packers with more than 112 158 stockholders stand alone as the only professional sports franchise owned by fans thus providing the only public record of how a sports team is run Featuring more than 300 photographs some never before seen Green Bay Packers illustrates how the most creative team in sports is also one of the most successful with names like Lambeau Canadeo Lombardi Hornung Holmgren and White leading the way to a league best thirteen NFL titles and twenty one Hall of Fame inductees This comprehensive up to date history of the Packers includes the 2011 season

The People's Team Mark Beech, 2019 The Packers the only fan owned team in any of North America s major pro sports leagues and Green Bay population 104 057 is the smallest city with a big time franchise They re unlikely candidates to be pro football s preeminent team yet nobody in the NFL has won more championships In honor of the team s 100th anniversary Beech paints compelling pictures of a franchise a town and a fan base from the days of the French fur traders who settled on
