Doris R. Meredith, 2013 At first glance he was a fine figure of a man Even the butcher knife buried in the middle of his chest didn t seriously detract from his good looks But that corpse nude except for a pair of mismatched socks and the butcher knife of course is trouble with a capital T for Leroy MacPherson in whose wheat field the body is dumped and rest of his extended family It s also trouble for the opponents of the nuclear waste depository the DOE plans to build in the Texas Panhandle The victim is Charlton Price Leigh III whose job it is or was to persuade local residents that burying radioactive waste in their backyards presented very little danger That s not what MacPherson and his neighbors believe and its not what attorney John Lloyd Branson believes either When John Lloyd and his legal clerk Lydia Fairchild take on MacPherson s defense they find themselves entangled in a series of deceptions Whatever they see whatever a witness says can not be trusted Even the victim cannot be trusted **Murder by Deception**

and the ever present terror of her vengeful return as the undead mother Re appraising masculinity and femininity the author re visits a wide and fascinating range of myths fairytales and stories Her critique casts new light on the writings of Freud Klein Kristeva and Irigaray Her vivid presentations of clinical material also show how the undead mother makes her presence felt in the consulting room and the steps which can be taken towards more genuine reparative mourning **The Take2**
