Palestine And International Law

Alex Takkenberg

Palestine And International Law:

Palestine and International Law Henry Cattan, 1976 Palestine, Palestinians and International Law Francis A. Boyle, 2010-08-13 A leading US expert applies the norms and standards of international law to the Israeli Palestinian conflict addressing Palestinian statehood the negotiation and failure of the Oslo Accords the status of Jerusalem the Al Aqsa Intifada the right of return human rights violations war crimes crimes against humanity terrorism both state and suicide bombings the current divest from Israel campaign and the US war against Iraq Francis Boyle is regularly interviewed by media all over the world In recent months he has been interviewed by the Christian Science Monitor Time USA Today the Washington Post and Al Jazeera among others He is a frequent commentator on NPR his articles appear regularly in a wide range of online publications notably the website Counterpunch and he is often interviewed on radio and television *The Case for Palestine* John B. Quigley, 2005 John Quigley brings a necessary international law perspective to bear on the seemingly intractable Israeli Palestinian conflict in this updated edition of his important book Since 2000 the cycle of bloodshed and retribution has spiraled increasingly out of control Quigley attributes the breakdown of negotiations in 2000 to Israel's unwillingness to negotiate on the basis of principles of justice and law He argues that throughout the last century established tenets of international law and particularly the right of self determination have been overlooked or ignored in favor of the Zionists and then the Israelis to the detriment of the Palestinians In this volume Quigley provides a thorough understanding of both sides of the conflict in the context of international law He contends that the Palestinians have a stronger legal claim to Jerusalem than do the Israelis that Palestinian refugees should be repatriated to areas including those within the borders of Israel and that Israel should withdraw from the territory it occupied in 1967 As in his earlier volume Quigley provides an extensively documented evaluation of the conflict over the last century discussing the Zionist movement the League of Nations decision to promote a Jewish homeland in Palestine the 1948 war and creation of Israel and Israel's occupation of the West Bank Gaza Strip and Golan Heights during the 1967 war **Prolonged Occupation and International Law** Nada Kiswanson, Susan Power, 2023-03-20 This volume arose from a desire to advance academic discourse and reflection on the broader subject of prolonged occupation in light of the permanent character and resulting implications of the 55 year Israeli administration of the Palestinian Territories The roots of the volume lie in a 2018 academic conference on The Threshold from Occupation to Annexation The present volume moves that discussion forward updating and widening the range of topics addressed The result is a collection of thought provoking contributions by a wide range of scholars on the challenging and critical issue of prolonged occupation and international law ranging from colonialism apartheid the illegality of occupation and potential international criminal liability This volume reminds us forcefully that international law is alive and vibrant and can with imagination and in concert with social movements move us forward in the struggle for justice in Palestine and elsewhere It is a signal achievement George Bisharat The Honorable Raymond L Sullivan Professor of Law University of California Hastings

College of the Law Into today's deepening environment of political inertia co editor Nada Kiswanson comes this searing collection of essays examining international legal frameworks and legal responsibilities closely and tangibly informed by the painful realities of Palestinian life under prolonged Israeli occupation The editors authors convenors and everyone else involved are to be congratulated on producing a volume that will surely become a seminal resource for anyone serious about studying what Palestine has to teach us about international law Lynn Welchman Professor School of Law SOAS University of London Scholarly and comprehensive this impressive collection of essays by renowned experts offers a tour d horizon of the fundamental legal issues raised by Israel's prolonged occupation of Palestine as well as potential remedies that can confront the illegalities William A Schabas Professor of International Law School of Law Middlesex University

The Palestine Question in International Law Victor Kattan, 2008 The question of Palestine has been a pivotal one for international law ever since the foundation of the UN in 1945 It remains so today On July 9 2004 the International Court of Justice ICJ gave its advisory opinion on the Legal Consequences of the Construction of a Wall in Occupied Palestinian Territory It ruled on some major international law questions concerning the applicability of the Geneva Civilians Convention of 1949 to prolonged occupations as well as human rights law more generally It confirmed the illegality of the Israeli civilian settlements established on occupied Palestinian territory and affirmed the continuing relevancy of the right of the Palestinian people to self determination which it considered an obligation erga omnes The ICJ did not however rule on many of the international law questions pertaining to Final Status Issues which still need to be negotiated between the Israeli and Palestinian leadership if peace is to ever be accomplished in the Holy Land In this series of essays some of the most important questions relating to the Israel Palestine conflict are addressed and reproduced in one complete volume coinciding with the 60th anniversary of the creation of Israel and the demise of the British mandate of Palestine

The Palestine Yearbook of International Law 1990-1991 Shaw, 1991-06-01 The Palestine Yearbook of International Law is a well established yearbook which was previously published by the Al Shaybani Society of International Law Kluwer Law International will be publishing the Yearbook from the eighth volume onwards and will also manage the distribution of the previous seven volumes The Palestine Yearbook of International Law has become widely respected as a prime reference source of legal material relating to Palestinian issues and is an important forum for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on topical problems and issues it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English

The Statehood of Palestine John Quigley, 2010-09-06 Palestine as a territorial entity has experienced a curious history Until World War I Palestine was part of the sprawling Ottoman Empire After the war Palestine came under the administration of Great Britain by an arrangement with the League of Nations In 1948 Israel established itself in part of Palestine's territory and Egypt and Jordan assumed administration of the remainder By 1967 Israel took control of the sectors administered by Egypt and Jordan

and by 1988 Palestine reasserted itself as a state Recent years saw the international community acknowledging Palestinian statehood as it promotes the goal of two independent states Israel and Palestine co existing peacefully This book draws on evidence from the 1924 League of Nations mandate to suggest that Palestine was constituted as a state at that time Palestine remained a state after 1948 even as its territory underwent permutation and this book provides a detailed account of how Palestine has been recognized until the present day

The Palestine Yearbook of International Law 1987-1988

Pineschi,1997-02-01 The Palestine Yearbook of International Law is a well established yearbook which was previously published by the Al Shaybani Society of International Law Kluwer Law International will be publishing the Yearbook from the eighth volume onwards and will also manage the distribution of the previous seven volumes The Palestine Yearbook of International Law has become widely respected as a prime reference source of legal material relating to Palestinian issues and is an important forum for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on topical problems and issues it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English

International Law and the Israeli-Palestinian Conflict Susan M. Akram,Michael Dumper,Michael Lynk,Iain Scobbie,2010-12-23 Placing a rights based approach to the Israeli Palestinian conflict at the centre of discussions over its peaceful resolution this book provides detailed consideration of international law and its application to political issues Contributions from leading scholars in their respective fields give an in depth analysis of key issues ranging from security through legal and political frameworks to refugees and Jerusalem

The Palestinian Right of Return Under International Law Francis A. Boyle,2010-12-02 The just resolution of the Palestinian right of return is at the very heart of the Middle East peace process Nonetheless the Obama administration intends to impose a comprehensive peace settlement upon the Palestinians that will force them to give up their well recognized right of return under United Nations General Assembly Resolution 194 III of 1948 accept a Bantustan of disjointed and surrounded chunks of territory on the West Bank in Gaza and even expressly recognize Israel as the Jewish State as newly demanded by Benjamin Netanyahu All this will fail for the reasons so powerfully and eloquently stated in this book For the past three decades Francis A Boyle has provided the leadership of the Palestinian people with advice counsel and representation at all stages of the Middle East Peace Process Here he elaborates what the Palestinians must now do to realize their international legal right of return in keeping with his startling perception of Israel as itself nothing more than a Jewish Bantustan bound for failure While an enormous amount of scholarly literature has been generated affirming the Palestinian right of return under international law none is as authentic powerful personal or convincing

Palestine and International Law

Sanford R. Silverburg,2009-02-12 This collection of thirteen essays explains and analyzes the conflict between the Government of Israel and the Palestine Authority over the granting of sovereignty to Palestinians from the point of view of international law The dispute emotional so far intractable often violent is of global not merely Middle Eastern

concern The essays cover two general topics the political nature of the conflict and the economic issues The collection includes eight respected contributions previously published and five newly written essays The contributors represent a range of political alignments and differing perspectives providing the widest possible scope for understanding the issues and beliefs relating to the conflict Includes bibliography and index

State Silence Across International Law, 2025-05-05 The words and actions of states have a significant influence on international law But what of silence and inaction During the twentieth and twenty first century the framework of international law underwent profound transformation As a result the contexts in which State silence may be interpreted have become complex and are not well understood In light of these new realities this ground breaking volume explores the evolving legal meaning and effects of State silence in international law making Across sixteen chapters this book questions the circumstances that necessitate a State s reaction the factors influencing a State s ability to respond and how a period of silence should be assessed It also investigates whether and how the shift in international law from bilateralism towards community interests multilateralism intergovernmental institutions and expert bodies including international courts and tribunals affect the interpretation of State silence Furthermore it probes whether and how advancements in communication the increased number of States and their diverse characteristics influence this interpretation Examining these issues across multiple facets of international law the book demonstrates the ubiquity of State silence and its legal significance in different fields and the contextual factors that come together to interpret State silence in a particular instance Through this exploration the broad question of state silence s role in either maintaining stability or enabling change is scrutinised Featuring contributions from twenty one experts State Silence Across International Law is a must read for anyone interested in understanding state silence as a factor across different areas of law including peace and security international humanitarian law international criminal law and international economic law among others

The Palestine Yearbook of International Law 1984 Soar, 1997-02-11 The Palestine Yearbook of International Law is a well established yearbook which was previously published by the Al Shaybani Society of International Law and Kluwer Law International Martinus Nijhoff Publishers now publishes the Yearbook and will also manages the distribution of the previous volumes The Palestine Yearbook of International Law has become widely respected as a prime reference source of legal material relating to Palestinian issues and is an important forum for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on topical problems and issues it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English

The Palestine Yearbook of International Law, 1989 A. F. Kassim, 1997-02-01 The Palestine Yearbook of International Law is a well established yearbook which was previously published by the Al Shaybani Society of International Law Kluwer Law International will be publishing the Yearbook from the eighth volume onwards and will also manage the distribution of the previous seven volumes The Palestine Yearbook of International Law has become widely respected as a prime reference

source of legal material relating to Palestinian issues and is an important forum for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on topical problems and issues it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English

Islam and Contemporary Civilisation Halim Rane,2010 Islam and Contemporary Civilisation examines the most complex debates and dilemmas facing Islam today both internally and in its relations with Western civilisation Halim Rane provides a concise and comprehensive introduction to Islam and modern developments in Muslim thought and tackles questions of Islamic law human rights democracy jihad and the Israel Palestine conflict in the context of Islam West relations In confronting these challenging issues Rane proposes a way forward that has far reaching implications for advancing mutual understanding and finding common ground between the Muslim world and the West

The Asian Yearbook of Human Rights and Humanitarian Law ,2018-08-13 The Asian Yearbook of Human Rights and Humanitarian Law aims to publish peer reviewed scholarly articles and reviews as well as significant developments in human rights and humanitarian law It examines international human rights and humanitarian law with a global reach though its particular focus is on the Asian region The focused theme of Volume 2 is Islamic Law and its Implementation in Asia and the Middle East

[Encyclopedia of the Palestinians](#) Philip Mattar,2005 Presents the history of modern Palestine and biographies of important Palestinians

Palestine's Horizon Richard Falk,2017-03-20 Richard Falk has dedicated much of his life to the study of the Israel Palestine conflict In *Palestine's Horizon* he brings his experiences to bear on one of the most controversial issues of our times After enduring years of violent occupation the Palestinian movement is exploring different avenues for peace These include the pursuit of rights under international law through the UN and International Criminal Court and the new emphasis on global solidarity and non violent militancy embodied by the Boycott Divestment and Sanctions Campaign BDS In focusing on these new tactics of resistance Falk refutes the notion that the Palestinian struggle is a lost cause He also reflects on the legacy of Edward Said and the importance of his humanist thought in order to present a vision of peace that is mindful of the formidable difficulties of achieving a just solution to the long conflict

The Parliamentary Debates Great Britain. Parliament. House of Lords,1922 Contains the 4th session of the 28th Parliament through the session of the Parliament

The Status of Palestinian Refugees in International Law Alex Takkenberg,1998 7 Scope of the study

Palestine And International Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Palestine And International Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Palestine And International Law has opened up a world of possibilities. Downloading Palestine And International Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Palestine And International Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Palestine And International Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Palestine And International Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Palestine And International Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus

software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Palestine And International Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Palestine And International Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Palestine And International Law is one of the best book in our library for free trial.
