Palm Beach Babylon Sins Scams And Scandals:

Palm Beach Babylon Murray Weiss,Bill Hoffmann,1992 Looks at Palm Beach s scandals including the battle between Donald and Ivana the insatiable sexual appetities of the Kennedy brothers and the bizarre death of a suspect in the JFK assassination

Palm Beach Babylon Murray Weiss,Bill Hoffmann,1995 Only 12 miles long Palm Beach has become America s Riviera with grand Arabian Nights mansions and lavish champagne and caviar parties The island has turned into the playground of influential industrialists politicians aristocrats and diplomats

Bobby and Jackie C. David Heymann,2009-07-14 From the New York Times bestselling author of A Woman Named Jackie comes this in depth and well researched look at the complex relationship that existed between Bobby Kennedy and Jacqueline Kennedy Onassis 50 b w photos throughout

Bobby Kennedy Larry Tye,2016 NEW YORK TIMES BESTSELLER From the author of Satchel comes an in depth vibrant and measured biography about the most complex and controversial member of the Kennedy family History remembers Robert F Kennedy as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy s enshrinement in the liberal pantheon was actually the final stage of a journey that had its beginnings in the conservative 1950s In Bobby Kennedy Larry Tye peels away layers of myth and misconception to paint a complete portrait of this singularly fascinating figure To capture the full arc of his subject s life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for the past forty years He conducted hundreds of interviews with RFK intimates including Bobby s widow Ethel his sister Jean and his aide John Siegenthaler many of whom have never spoken to another biographer Tye s determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive one volume biography of a man much beloved but just as often misunderstood Bobby Kennedy s transformation from cold warrior to fiery liberal is a profoundly moving personal story that also offers a lens onto two of the most chaotic and confounding decades of twentieth century American history The first half of RFK s career underlines what the country was like in the era of Eisenhower while his last years as a champion of the underclass reflect the seismic shifts wrought by the 1960s Nurtured on the rightist orthodoxies of his dynasty building father Bobby Kennedy began his public life as counsel to the red baiting senator Joseph McCarthy He ended it with a noble campaign to unite working class whites with poor blacks and Latinos in an electoral coalition that seemed poised to redraw the face of presidential politics Along the way he turned up at the center of every event that mattered from the Bay of Pigs and the Cuban Missile Crisis to race riots and Vietnam Bare knuckle operative cynical White House insider romantic visionary Bobby Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive new biography Praise for Bobby Kennedy We are in Larry Tye s debt for bringing back to life the young presidential candidate who for a brief moment almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Sweeping Tye

captures RFK's rise and fall with straightforward prose bolstered by impressive research. Along with hundreds of interviews with Kennedy intimates including his widow Ethel Tye sifted through unpublished memoirs, unreleased government files and boxes of Kennedy papers that had been locked away for some forty years. USA Today Bobby Kennedy, who was assassinated during his 1968 presidential campaign, is remembered for his antiwar stance and for standing up for civil rights and against poverty. But Tye's *Superman* shows how RFK was not always the progressive hero but a work in progress. After all, Kennedy worked for Joseph McCarthy for a spell. Tye's pages on the assassination are heart-wrenching. New York Post This biography will appeal not only to those wanting a portrait of a dynamic idealist but also to those seeking to understand the emotions of the times in which he lived. Henry A. Kissinger

Bubble in the Sun Christopher Knowlton, 2021-01-12 Christopher Knowlton, author of *Cattle Kingdom* and former *Fortune* writer, takes an in-depth look at the spectacular Florida land boom of the 1920s and shows how it led directly to the Great Depression. The 1920s in Florida was a time of incredible excess, immense wealth and precipitous collapse. The decade there produced the largest human migration in American history, far exceeding the settlement of the West, as millions flocked to the grand hotels and the new cities that rose rapidly from the teeming wetlands. The boom spawned a new subdivision civilization and the most egregious large-scale assault on the environment in the name of progress. Nowhere was the glitz and froth of the Roaring Twenties more excessive than in Florida. Here was Vegas before there was a Vegas; gambling was condoned and so was drinking since prohibition was not enforced. Tycoons, crooks and celebrities arrived en masse to promote or exploit this new and dazzling American frontier in the sunshine. Yet the import and deep impact of these historical events have never been explored thoroughly until now. In *Bubble in the Sun*, Christopher Knowlton examines the grand artistic and entrepreneurial visions behind Coral Gables, Boca Raton, Miami Beach and other storied sites, as well as the darker side of the frenzy. For while giant fortunes were being made and lost and the nightlife raged more raucously than anywhere else, the pure beauty of the Everglades suffered wanton ruination and the workers, mostly black, who built and maintained the boom endured grievous abuses. Knowlton breathes dynamic life into the forces that made and wrecked Florida during the decade: the real estate moguls Carl Fisher, George Merrick and Addison Mizner and the once-in-a-century hurricane whose aftermath triggered the stock market crash. This essential account is a revelatory and riveting history of an era that still affects our country today.

American Legacy C. David Heymann, 2007-07-10 From the moment of their births, John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States, if not the world. Even as young children growing up in the White House, their most subtle gestures and actions made headlines. Yet until now they have not been the subject of a dual biography. In that sense, this volume represents a first. In *American Legacy*, 1 New York Times bestselling author C. David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy. A longtime biographer of various members of the Kennedy clan, including Jackie and Robert Kennedy, Heymann covers John's and Caroline's

childhood in the White House the dark aftermath of their father's assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John's and Caroline's loving but at times trying relationship with their larger than life mother as well as Jackie's own emotional struggles romantic relationships and financial concerns following JFK's death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr's romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline's rise to become one of the wealthiest women in America and her life now as the sole keeper of her family's magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family

Forthcoming Books Rose Army, 1993 Great Events from History: 1904-1972 Carl Leon Bankston, 2009 The latest edition in the overwhelmingly popular Great Events from History series Modern Scandals examines over 400 of the most important and most publicized scandals throughout the world since the beginning of the twentieth century The essays in this set are 3-5 pages long and follow the same reader friendly format that users have come to expect from the Great Events from History series **The New York Times Magazine**, 1994-11 **Rose** Charles Higham, 1995 The recent death of America's most famous matriarch signals the end of an amazing era Now drawing on hundreds of recently declassified documents and with the cooperation of Jacqueline Kennedy Onassis's relatives among others New York Times bestselling author Charles Higham chronicles the life of Rose Fitzgerald Kennedy in this dramatic moving biography During her times of glory agony and ecstasy Rose gave birth to nine children and to an unforgettable vision of the American Dream Deeply religious intensely ambitious for her family she moved through fascinating worlds politics big business England as the American ambassador's wife Hollywood high society and Washington's inner circles The tragic deaths of four of her children never shook her faith she believed despite the worst that God always held her in his hands **American Empress** Nancy Rubin Stuart, 1995 A chronicle of nine decades of American history as lived and influenced by the daughter of breakfast food magnet C W Post

Good Ted, Bad Ted Lester David, 1993 Good Ted a devoted father to his own sons and guardian to his brothers thirteen children an able legislator who has been described by colleagues as the best senator of his generation Bad Ted the world's oldest teenager As his political star ascended he was exposed as a relentless womanizer and drinker with no regard for public opinion Good Ted Bad Ted puts this paradoxical Kennedy in perspective and answers the question How can the two Teds coexist in the same individual Filled with startling new information this book reveals John Hinckley the man who shot President Reagan initially chose Senator Kennedy as his target He waited in Kennedy's office reception room for three hours with a loaded 22 caliber Saturday Night Special in his pocket Had the Senator not been late he would surely have been the

third Kennedy to be assassinated Nixon was so terrified of facing Kennedy in the 1972 presidential election that he had his two top aides John Ehrlichman and H R Haldeman set up a team to ferret out any information they could get on Ted This pre Watergate plot was financed by 100 000 from CREEP the Committee to Re Elect the President Even Secretary of State Henry Kissinger rushed to Nixon with a hot rumor that proved wrong Only three years after Chappaquiddick Ted was a strong contender for the Democratic nomination for President leading in the polls by a wide margin and placing fourth in the Gallop Poll as the most admired American Readers will now know the real reason why he was not nominated It was not because of Chappaquiddick Ted s attempt to dissuade Aristotle Onassis from marrying Jackie Kennedy fearing that the marriage would harm the Kennedy clan Ted was roaring drunk at the White House and so were many New Frontiersmen the evening after JFK was buried A year by year rundown of Ted s women starting in 1969 and continuing to 1991 The Kennedy money is drying up Once one of America s great fortunes larger than the Rockefellers it is dwindling fast Now it barely qualifies for Forbes magazine s Four Hundred If nothing is done to augment the principal the fortune will be tapped out soon after the turn of the century Ted s marriage in 1992 to Victoria Reggie and the very positive influence she has had on his life both personal and political
