Sir Ernest Alfred Wallis Budge

Parable About The King:

Parables of the Kingdom Mary Ann Getty-Sullivan, 2007 Do you not understand this parable is a question Jesus posed to his disciples Mark 4 13 Just as the first disciples often did not understand Jesus many parables so it is for listeners and readers nearly two thousand years later In *Parables of the Kingdom* Mary Ann Getty Sullivan helps readers to hear and see and understand the parables of Jesus She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church In addition Getty Sullivan helps readers learn to interpret parables to enter into what the parables can reveal about Jesus and his audience about the evangelists and their communities and about how we are to understand the Kingdom of God today *Parables of the Kingdom* helps us hear and see Jesus parables with new eyes and renewed hearts thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's power in our world Mary Ann Getty Sullivan holds an S T D from the Catholic University of Louvain in Belgium She has been teaching New Testament courses in colleges and seminaries for more than thirty years and has recently retired from teaching full time to devote more time to writing and lecturing Mary Ann has written several commentaries on the Letters of Saint Paul Her recent books include *Women in the New Testament* published by Liturgical Press **All the Parables of the Bible** Herbert Lockyer, 1963 A study and analysis of the more than 250 parables in Scripture **The Parables of Jesus** Arland J.

Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached

The Book of Barlaam and Iôasaph, or Josaphat ; II. The Indian sources of the Book of Barlaam and Iôasaph, or Josaphat. III. Zannoni, 2002 Arthur Zannoni offers insights into the stories that Jesus told using the latest scripture scholarship Then he invites us to understand the stories as challenges for today's disciples *The King's story book*, by Mark Evans Paul Tidman, 1881 **Behold, Your House Is Left to You** Peter H. Rice, 2016-10-07 This book explores the place of Jerusalem and its Temple in Luke's Gospel paying attention both to the Third Gospel's narrative and theological dynamics and to the historical and rhetorical milieu in which Luke composed his narrative It argues for a portrait of the Jerusalem Temple in Luke's Gospel that is complex multifold and coherent one comprised of interwoven strands constituting an engaging and intertextual response to the pressing theological concerns of the Evangelist's day **Matthew's Parables** Warren Carter, John Paul Heil, 2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables **Modern Fables and Parables** William Shuler

Miller,2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech
