The People of God: Finding the Future in Your Bible - 26 Keys that Unlock Prophecy John Finkbeiner,2010-05-20 Wake up A dangerous combination of spiritual sleep and paralyzing fear threatens humanity Beset by a constantly growing number of disaster scenarios failing leaders and voices of insanity we must heed the Bible s comforting words of reassurance Jesus saves Using a literal common sense approach to Scripture prophecy comes alive in this exciting faith building book The

greatest enemy to our future survival is ignorance or a disregard for God's evacuation plan. The People of God cuts through the speculation, common misunderstandings, distractions, and false teachings of today and shines the light of Biblical truth on 26 keys. With these keys, understanding tomorrow is achievable by studying with the backdrop of God's version of yesterday. The God of Scripture is all about saving our families and friends, not condemning them. In his Word, he has given clear warnings as well as many great and precious promises of deliverance. The world is not ending; this evil age soon will. Following their Lord's specific directions, hundreds of thousands of contemporary Noahs around the globe are preparing their Ark. They are doing so with the living hope that a new kingdom where Jesus reigns lies just beyond, awaiting our arrival. Will you and your loved ones be among them? Finding the Future in Your Bible contains nearly a thousand quotes and verse citations from Genesis to Revelation. Chapters called Keys include Gazillions, Land, Cheap Sex, The Lie, Saints, Mothers, and Gathered Up, each opening doors and illuminating the path of God's prophetic plan of escape. The People of God is not for the faint-hearted or religious traditionalists. The surprising discoveries from cover to cover will be enthusiastically embraced by men and women that believe God's Word has the answer to their all-important question: In the midst of this wicked and corrupt generation, what must I do to be saved?

Prophecy Joseph Franklin Rutherford, 1929 [Daniel Eleven Mysteries](#) Gordon Ziegler, 2014-01-22

Some prophecies like Daniel 2 for the most part have been well understood by God's people for hundreds of years. Daniel 11 is different. Though the symbols are thrown off in that prophecy and the angel prophecies in plain language, the prophecy has been more difficult because so many applications have presented themselves to scholars and it has not been clear which application is correct. That is particularly true of the last verses of Daniel 11. The author has solved that problem by making all of the applications correct, one after another, in a sequence. He finds there are more applications of the last verses of Daniel 11 than of any other known prophecy of scripture: seven. No wonder the prophecy has been intractable so long. The author does careful exegesis and develops an unparalleled hermeneutic base for accurate interpretations: 24 hermeneutic principles. The research is not fruitless or moot because several earth-shaking results are brought to view. Ellen White points out the truth that the promises and threatenings of God are alike conditional (1SM 67). If the conditions were right, any of the last-day prophecies could be shortened by a Revelation 11:15-19 experience. Then let not the reader become irrevocably fixed on the scenario of events in this book. Prophecy will still be fulfilled, no matter how events come to pass. And the 24 hermeneutic principles will hold true regardless. The reader will recognize the truth of the prophecies, however they are fulfilled. God bless the reader as he/she reads and attempts to digest this book. May you learn from it precious things showing the nearness of the coming of Jesus. Amen.
