Purity Crusade Sexual Morality And Social Control 1868 1900:

Purity Crusade David J. Pivar, 1974 **Sex, Sin and Suffering** Roger Davidson, Lesley A. Hall, 2003-09-02 This volume brings together for the first time a series of studies on the social history of venereal disease in modern Europe and its former colonies It explores from a comparative perspective the responses of legal medical and political authorities to the Great Scourge In particular how such responses reflected and shaped social attitudes towards sexuality and social relationships of class gender generation and race **Feminism, Sexuality, and Politics** Estelle B. Freedman, 2006 One of a small group of feminist pioneers in the historical profession Estelle B. Freedman teaches and writes about women's history with a passion informed by her feminist values Over the past thirty years she has produced a body of work in which scholars **Intimate States** Margot Canaday, Nancy F. Cott, Robert O. Self, 2021-09-06 Fourteen essays examine the unexpected relationships between government power and intimate life in the last 150 years of United States history The last few decades have seen a surge of historical scholarship that analyzes state power and expands our understanding of governmental authority and the ways we experience it At the same time studies of the history of intimate life marriage sexuality child rearing and family also have blossomed Yet these two literatures have not been considered together in a sustained way This book edited and introduced by three preeminent American historians aims to close this gap offering powerful analyses of the relationship between state power and intimate experience in the United States from the Civil War to the present The fourteen essays that make up *Intimate States* argue that intimate governance the binding of private daily experience to the apparatus of the state should be central to our understanding of modern American history Our personal experiences have been controlled and arranged by the state in ways we often don't even see the authors and editors argue correspondingly contemporary government has been profoundly shaped by its approaches and responses to the contours of intimate life and its power has become so deeply embedded into daily social life that it is largely indistinguishable from society itself *Intimate States* makes a persuasive case that the state is always with us even in our most seemingly private moments **Pure Food** James Harvey Young, 2014-07-14 Pure food became the rallying cry among a divergent group of campaigners who lobbied Congress for a law regulating foods and drugs James Harvey Young reveals the complex and pluralistic nature not only of that crusade but also of the broader Progressive movement of which it was a significant strand In the vivid style familiar to readers of his earlier works *The Toadstool Millionaires* and *The Medical Messiahs* Young sets the pure food movement in the context of changing technology and medical theory and describes pioneering laws to control imported drugs and domestic oleomargarine He explains controversy within the pure food coalition showing how farming and business groups sought competitive commercial advantage while consumer advocates wished to promote commercial integrity and advance public health The author focuses on how the public became increasingly fearful of hazards in adulterated foods and narcotic nostrums and how Congress finally achieved the compromises necessary to pass the Food and Drugs Act and the meat

Passion and Power Kathy Lee Peiss, Christina Simmons, Robert A. Padgug, 1989 *Passion and Power* brings together some of the most recent and innovative writings on the history of sexuality and explores the experiences ideas and conflicts that have shaped the emergence of modern sexual identities Arguing that sexuality is not an unchanging biological reality or a universal natural force the essays in this volume discuss sexuality as an integral part of the history of human experience Articles on sexual assault homosexuality birth control venereal disease sexual repression pornography and the AIDS epidemic examine the ways that sexuality has become a core element of modern social identity in the nineteenth and twentieth century United States It is only in recent years that historians have begun to examine the social construction of sexuality This is the first anthology that addresses this issue from a radical historical perspective examining sexuality as a field of contention in itself and as part of other struggles rooted in divisions of gender class and race Author note Kathy Peiss is Associate Professor of History and Women's Studies at the University of Massachusetts at Amherst and author of *Cheap Amusements Working Women and Leisure in Turn of the century New York* Temple P Christina Simmons is Assistant Professor of History at the University of Cincinnati Raymond Walters College

Taming the Past Robert W. Gordon, 2017-06-09 Lawyers and judges often make arguments based on history on the authority of precedent and original constitutional understandings They argue both to preserve the inspirational heroic past and to discard its darker pieces such as feudalism and slavery the tyranny of princes and priests and the subordination of women In doing so lawyers tame the unruly ugly embarrassing elements of the past smoothing them into reassuring tales of progress In a series of essays and lectures written over forty years Robert W Gordon describes and analyses how lawyers approach the past and the strategies they use to recruit history for present use while erasing or keeping at bay its threatening or inconvenient aspects Together the corpus of work featured in *Taming the Past* offers an analysis of American law and society and its leading historians since 1900

Sexing the Maple Richard Cavell, Peter Dickinson, 2006-09-14 *Sexing the Maple* is a unique sourcebook designed to raise issues of nationalism and sexuality in Canada through a rich and diverse selection of fiction poetry criticism and history Structured so as to provide an interactive study of these issues the collection considers topics as wide ranging as First Nations sexuality censorship assisted reproduction and religion Literary works by Alice Munro Jane Rule Timothy Findley Leonard Cohen Irving Layton Lynn Crosbie Michael Turner and many others are juxtaposed with criticism and historical documents many of which were previously out of print or unavailable Selections include Marshall McLuhan's 1967 article *The Future of Sex* and excerpts

The New Temperance David Wagner, 2018-02-12 The war on drugs the campaigns against smoking cigarettes v chips to control what children watch on TV censoring the Internet and Calvin Klein jeans ads bipartisan lectures about the dangers of teen sex constant warnings about food and fat all are examples of what David Wagner terms the New Temperance The New Temperance contrasts the new obsession with personal behavior in America during the last two decades with the brief period of relative freedom in the 1960s and early 1970s and suggests strong consistencies with our past In particular the late twentieth century appears to have re-created the mood of the Victorian and Progressive Periods when social movements such as the Temperance Social Purity and Vice and Vigilance movements held sway The New Temperance questions the constant mantra in the media and in political debates about the dangers of personal behavior and challenges America's love affair with repression
