Seth Moglen

Rebels In Bohemia The Radicals Of The Masses 1911 1917:

Rebels in Bohemia Leslie Fishbein, 1982 *Rebels in Bohemia The Radicals of The Masses 1911 1917* Bohemia in America, 1858-1920 Joanna Levin, 2009-10-21 *Bohemia in America 1858 1920* explores the construction and emergence of Bohemia in American literature and culture Simultaneously a literary trope a cultural nexus and a socio economic landscape la vie boh me traveled to the United States from the Parisian Latin Quarter in the 1850s At first the province of small artistic coteries Bohemia soon inspired a popular vogue embodied in restaurants clubs neighborhoods novels poems and dramatic performances across the country Levin s study follows la vie boh me from its earliest expressions in the U S until its explosion in Greenwich Village in the 1910s Although Bohemia was everywhere in nineteenth and twentieth century American culture it has received relatively little scholarly attention *Bohemia in America 1858 1920* fills this critical void discovering and exploring the many textual and geographic spaces in which Bohemia was conjured Joanna Levin not only provides access to a neglected cultural phenomenon but also to a new and compelling way of charting the development of American literature and culture

A People's Art History of the United States Nicolas Lampert, 2013-11-05 Most people outside of the art world view art as something that is foreign to their experiences and everyday lives *A People s Art History of the United States* places art history squarely in the rough and tumble of politics social struggles and the fight for justice from the colonial era through the present day Author and radical artist Nicolas Lampert combines historical sweep with detailed examinations of individual artists and works in a politically charged narrative that spans the conquest of the Americas the American Revolution slavery and abolition western expansion the suffragette movement and feminism civil rights movements environmental movements LGBT movements antiglobalization movements contemporary antiwar movements and beyond *A People s Art History of the United States* introduces us to key works of American radical art alongside dramatic retellings of the histories that inspired them Stylishly illustrated with over two hundred images this book is nothing less than an alternative education for anyone interested in the powerful role that art plays in our society

A Cultural History of the Radical Sixties in the San Francisco Bay Area Anthony Ashbolt, 2015-10-06 The San Francisco Bay Area was a meeting point for radical politics and counterculture in the 1960s Until now there has been little understanding of what made political culture here unique This work explores the development of a regional culture of radicalism in the Bay Area one that underpinned both political protest and the counterculture

American Writers And Radical Politics 1900-39 Eric Homberger, 1986-12-03

Babel and Babylon Miriam Hansen, 2009-07-01 Focusing on exemplary moments in the American silent era Hansen explains how the concept of the spectator evolved as a crucial part of the classical Hollywood paradigm as one of the new industry s strategies to integrate ethnically socially and sexually differentiated audiences in a modern culture of consumption

Mourning Modernity Seth Moglen, 2007-08-13 In *Mourning Modernity* Seth Moglen argues that American literary modernism is at its heart an effort to mourn for the injuries inflicted by modern capitalism He

demonstrates that the most celebrated literary movement of the 20th century is structured by a deep conflict between political hope and despair between the fear that alienation and exploitation were irresistible facts of life and the yearning for a more just and liberated society He traces this conflict in the works of a dozen novelists and poets ranging from Eliot Hemingway and Faulkner to Hurston Hughes and Tillie Olsen Taking John Dos Passos neglected U S A trilogy as a central case study he demonstrates how the struggle between reparative social mourning and melancholic despair shaped the literary strategies of a major modernist writer and the political fate of the American Left Mourning Modernity offers a bold new map of the modernist tradition as well as an important contribution to the cultural history of American radicalism and to contemporary theoretical debates about mourning and trauma

Inez Linda J. Lumsden,2004-07-08 Inez Milholland was

the most glamorous suffragist of the 1910s and a fearless crusader for women s rights Moving in radical circles she agitated for social change in the prewar years and she epitomized the independent New Woman of the time Her death at age 30 while stumping for suffrage in California in 1916 made her the sole martyr of the American suffrage movement Her death helped inspire two years of militant protests by the National Woman s Party including the picketing of the White House which led in 1920 to ratification of the 19th Amendment granting women the right to vote Lumsden s study of this colorful and influential figure restores to history an important link between the homebound women of the 19th century and the iconoclastic feminists of the 1970s

World War I and American Art Robert Cozzolino,Anne Classen Knutson,David M. Lubin,2016-11 World

War I and American Art provides an unprecedented look at the ways in which American artists reacted to the war Artists took a leading role in chronicling the war crafting images that influenced public opinion supported mobilization efforts and helped to shape how the war s appalling human toll was memorialized The book brings together paintings drawings prints photographs posters and ephemera spanning the diverse visual culture of the period to tell the story of a crucial turning point in the history of American art

Hotbed Joanna Scutts,2022-06-07 The dazzling story of the Greenwich Village

feminists who blazed the trail for the movement s most radical ideas On a Saturday in New York City in 1912 around the wooden tables of a popular Greenwich Village restaurant a group of women gathered all of them convinced that they were going to change the world It was the first meeting of Heterodoxy a secret social club Its members were passionate advocates of free love equal marriage and easier divorce They were socialites and socialists reformers and revolutionaries artists writers and scientists Their club at the heart of America s bohemia was a springboard for parties performances and radical politics But it was the women s extraordinary friendships that made their unconventional lives possible as they supported each other in pushing for a better world *Hotbed* is the never before told story of the bold women whose audacious ideas and unruly acts transformed a feminist agenda into a modern way of life
