Duke, C. S. a (Classic Reprint) Basil Wilson Duke,2017-10-28 Excerpt from Reminiscences of General Basil W Duke C S A Both sections were alarmed The one feared an unrestricted extension of slavery into the public domain the other feared its abolition The South saw safety only in secession The North believed that with the dissolution of the Union permanent peace upon this continent would be impossible There was assuredly an intelligible apprehension if not a sufficient cam belli on both sides About the Publisher Forgotten Books

publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Reminiscences of General Basil W. Duke . .** Duke Basil Wilson 1838-1916,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      **Massacre at St. Louis** Kenneth E. Burchett,2024-08-02 In 1861 Union Brigadier General Nathaniel Lyon marched through the divided slave state Missouri en route to St Louis Lyon was to arrest a state militia unit at Camp Jackson that planned to raid a federal arsenal in the city Upon capturing the men Lyon s troops encountered crowds of hostile citizens and after a gun shot they fired on the mob killing at least 28 civilians in what is now known as the Camp Jackson affair or the St Louis massacre In this book the author describes partisan activities leading to hostilities promotes awareness about the history of slavery in America and explores political divisions still evident in American culture Previously unpublished materials about Governor Claiborne Jackson are included as well as the role of Montgomery Blair in the fight for Missouri an analysis of the number of arms in the St Louis Arsenal and the unknown total number of casualties of the St Louis massacre      *Braxton Bragg and Confederate Defeat* Grady McWhiney,Judith Lee Hallock,1991 In the Summer of 1863 Confederate General Braxton Bragg was commander of the Army of Tennessee still reeling from its defeat in January at Murfreesboro Tenn      **Rebel Watchdog: The Confederate States Army Provost Guard** Radley, Kenneth J.,1989      **Raising the White Flag** David Silkenat,2019-02-27 The American Civil War began with a laying down of arms by Union troops at Fort Sumter and it ended with a series of surrenders most famously at Appomattox Courthouse But in the intervening four years both Union and Confederate forces surrendered en masse on scores of other occasions Indeed roughly one out of every four soldiers surrendered at some point during the conflict In no other American war did surrender happen so frequently David Silkenat here provides the first comprehensive study of Civil War surrender focusing on the conflicting social political and cultural meanings of the action Looking at the conflict from the perspective of men who surrendered Silkenat creates new avenues to understand prisoners of war fighting by Confederate guerillas the role of southern Unionists and the experiences of African American soldiers The experience of surrender also sheds valuable light on the culture of honor the experience of combat and the laws of war      *The River Was Dyed with Blood* Brian Steel Wills,2014-03-17 The battlefield reputation of

Confederate general Nathan Bedford Forrest long recognized as a formidable warrior has been shaped by one infamous wartime incident At Fort Pillow in 1864 the attack by Confederate forces under Forrest s command left many of the Tennessee Unionists and black soldiers garrisoned there dead in a confrontation widely labeled as a massacre In *The River Was Dyed with Blood* best selling Forrest biographer Brian Steel Wills argues that although atrocities did occur after the fall of the fort Forrest did not order or intend a systematic execution of its defenders Rather the general s great failing was losing control of his troops A prewar slave trader and owner Forrest was a controversial figure throughout his lifetime Because the attack on Fort Pillow which as Forrest wrote left the nearby waters dyed with blood occurred in an election year Republicans used him as a convenient Confederate scapegoat to marshal support for the war After the war he also became closely associated with the spread of the Ku Klux Klan Consequently the man himself and the truth about Fort Pillow has remained buried beneath myths legends popular depictions and disputes about the events themselves Wills sets what took place at Fort Pillow in the context of other wartime excesses from the American Revolution to World War II and Vietnam as well as the cultural transformations brought on by the Civil War Confederates viewed black Union soldiers as the embodiment of slave rebellion and reacted accordingly Nevertheless Wills concludes that the engagement was neither a massacre carried out deliberately by Forrest as charged by a congressional committee nor solely a northern fabrication meant to discredit him and the Confederate States of America as pro Southern apologists have suggested The battle scarred fighter with his homespun aphorisms was neither an infallible warrior nor a heartless butcher but a product of his time and his heritage

*Breckinridge* William C. Davis,2021-05-11 John C Breckinridge rose to prominence during one of the most turbulent times in our nation s history Widely respected even by his enemies for his dedication to moderate liberalism Breckinridge s charisma and integrity led to his election as Vice President at age 35 the youngest ever in America s history After a decade of being out of print Breckinridge Statesman Soldier Symbol returns as the quintessential biography of one of Kentucky s great moderates Historian William C Davis sheds light on Breckinridge s life throughout three key periods spanning his career as a celebrated statesman heroic soldier and proponent of the reconciliation A true Kentucky hero Old Breck s bravery in battle dedication to the pursuit of truth and unique ability to win the loyalty of others rank him alongside Henry Clay and Simon Kenton Drawing from a remarkable collection of sources including previously unknown documents and letters as well as the papers of his associates and extensive aid from the Breckinridge family Davis presents the legacy of a man often overlooked

Homegrown Yankees James Alex Baggett,2009-06 Of all the states in the Confederacy Tennessee was the most sectionally divided East Tennesseans opposed secession at the ballot box in 1861 petitioned unsuccessfully for separate statehood resisted the Confederate government enlisted in Union militias elected U S congressmen and fled as refugees into Kentucky These refugees formed Tennessee s first Union cavalry regiments during early 1862 followed shortly thereafter by others organized in Union occupied Middle and West Tennessee In *Homegrown Yankees* the first book length study of Union

cavalry from a Confederate state James Alex Baggett tells the remarkable story of Tennessee's loyal mounted regiments. Fourteen mounted regiments that fought primarily within the boundaries of the state and eight local units made up Tennessee's Union cavalry. Young nonslaveholding farmers who opposed secession, the Confederacy, and the war from isolated villages east of Knoxville, the Cumberland Mountains, or the Tennessee River counties in the west filled the ranks. Most Tennesseans denounced these local bluecoats as renegades, turncoats, and Tories, accused them of betraying their people, their section, and their race, and held them in greater contempt than soldiers from the North. Though these homegrown Yankees participated in many battles, including those in the Stones River, Tullahoma, Chickamauga, East Tennessee, Nashville, and Atlanta campaigns, their story provides rare insights into what occurred between the battles. For them, military action primarily meant almost endless skirmishing with partisans, guerrillas, and bushwhackers, as well as with the Rebel raiders of John Hunt Morgan, Joseph Wheeler, and Nathan Bedford Forrest, who frequently recruited and supplied themselves from behind enemy lines. Tennessee's Union cavalry scouted and foraged the countryside, guarded outposts and railroads, acted as couriers, supported the flanks of infantry, and raided the enemy. On occasion, especially during the Nashville campaign, they provided rapid pursuit of Confederate forces. They also helped protect fellow unionists from an aggressive pro-Confederate insurgency after 1862. Baggett vividly describes the deprivation, sickness, and loneliness of cavalrymen living on the war's periphery and traces how circumstances beyond their control, such as terrain, transport, equipment, weaponry, public sentiment, and military policy, affected their lives. He also explores their well-earned reputation for plundering, misdeeds motivated by revenge, resentment, a lack of discipline, and the hard war policy of the Union army. In the never-before-told story of these cavalrymen, *Homegrown Yankees* offers new insights into an unexplored facet of southern Unionism and provides an exciting new perspective on the Civil War in Tennessee. *Nathaniel Lyon's River Campaign of 1861* Kenneth E. Burchett, 2025-04-22

On May 10, 1861, Captain Nathaniel Lyon marched out of the federal arsenal at St. Louis at the head of 7,000 Union Regulars and pro-Union volunteers to break up a Missouri State Militia encampment at Camp Jackson. Hostilities erupted, and several civilians and soldiers died when opposing forces opened fire on each other. The unfolding of events afterward drove previously undecided Missourians to join either the Union or Confederate side. Receiving near-dictatorial authority from the state legislature, Governor Claiborne Fox Jackson raised a Missouri State Guard force to protect the state from invaders. The war began in Missouri at the taking of Camp Jackson, and this book presents the history and context of this pivotal Civil War event. Contemporary illustrations provide detail to this complicated narrative, and care is taken to present these events in the context of the vibrant character and lifestyles of the people who participated. *The Rivers Ran Backward* Christopher Phillips, 2016

Most Americans imagine the Civil War in terms of clear and defined boundaries of freedom and slavery, a straightforward division between the slave states of Kentucky and Missouri and the free states of Illinois, Indiana, Ohio, and Kansas. However, residents of these western border states, Abraham Lincoln's home region, had far more ambiguous identities.

and contested political loyalties than we commonly assume In *The Rivers Ran Backward* Christopher Phillips sheds light on the fluid political cultures of the Middle Border states during the Civil War era Far from forming a fixed and static boundary between the North and South the border states experienced fierce internal conflicts over their political and social loyalties White supremacy and widespread support for the existence of slavery pervaded the free states of Ohio Indiana and Illinois which had much closer economic and cultural ties to the South while those in Kentucky and Missouri held little identification with the South except over slavery Debates raged at every level from the individual to the state in parlors churches schools and public meeting places among families neighbors and friends Ultimately the pervasive violence of the Civil War and the cultural politics that raged in its aftermath proved to be the strongest determining factor in shaping these states regional identities leaving an indelible imprint on the way in which Americans think of themselves and others in the nation *The Rivers Ran Backward* reveals the complex history of the western border states as they struggled with questions of nationalism racial politics secession neutrality loyalty and even place as the Civil War tore the nation and themselves apart In this major work Phillips shows that the Civil War was more than a conflict pitting the North against the South but one within the West that permanently reshaped American regions

This is likewise one of the factors by obtaining the soft documents of this **Reminiscences Of General Basil W Duke** by online. You might not require more get older to spend to go to the ebook foundation as skillfully as search for them. In some cases, you likewise get not discover the statement Reminiscences Of General Basil W Duke that you are looking for. It will extremely squander the time.

However below, like you visit this web page, it will be appropriately no question easy to get as skillfully as download guide Reminiscences Of General Basil W Duke

It will not understand many times as we tell before. You can get it while bill something else at home and even in your workplace. so easy! So, are you question? Just exercise just what we pay for under as competently as evaluation **Reminiscences Of General Basil W Duke** what you later than to read!
