

JOSEF SKVORECKY

THE REPUBLIC OF WHORES

—A NOVEL—
—TRANSLATED BY—
—TIMOTHY B. WHEELER—

Republic Of Whores

Josef Skvorecky

Republic Of Whores:

Republic Of Whores Josef Skvorecky, 2012-07-31 In a not so long ago time on an army base in rural Czechoslovakia the draftees of the Seventh Tank Battalion gird themselves for the inevitable war with America by practicing tank manoeuvres or faking them studying Russian texts with horror novels tucked inside and singing patriotic songs with refreshing new lyrics Among them is Tank Commander Danny Smiricky looking forward to discharge and trying to stay out of trouble in the meantime not an easy task when he is torn between two irresistible women and surrounded by a boisterous and hilariously independent minded tank crew But the greatest danger to Danny is his politically correct major a tiny termagant known as the Pygmy Devil And on the eve of Danny's discharge disaster looms Behind the comedy of his exuberantly lustful tale lies a savage parody of life under foreign occupation

The Republic of Whores Josef Škvorecký, 1994 On an army base in rural Czechoslovakia the draftees of the Seventh Tank Battalion gird themselves for the inevitable war with America by practising tank manoeuvres or faking them studying Russian texts with horror novels tucked inside and singing patriotic songs with refreshing new lyrics

Goddesses, Whores, Wives, and Slaves Sarah Pomeroy, 2011-05-18 The first general treatment of women in the ancient world to reflect the critical insights of modern feminism Though much debated its position as the basic textbook on women's history in Greece and Rome has hardly been challenged Mary Beard Times Literary Supplement

Illustrations **Investigating Women** David Skene-Melvin, 1995-12-01 Meet some fascinating females Jennie Baxer 1890s journalist and world traveller Nelvana of the Northern Lights created for comic book starved Canadians during the Second World War the 60s Eve Adam the Rock Hit of Prague whose methods violate all the rules for detective books and very much of the 1990s vampire detective Vicki Nelson whose beat is Toronto's Queen Street West As well as the fifteen investigating women in the book Skene Melvin's introduction describes hundreds of female sleuths and their creators in an in depth analysis of women detective fiction by Canadians You will recognize many of the writers included in Investigating Women Grant Allen Robert Barr Marisa De Franceschi Adrian Dingle Katherine V Forrester Hulbert Footner Maurice Gagnon Margaret Haffner Joan Hall Hovey Tanya Huff Medora Sale Josef Skvorecky and Betsy Struthers For each of the selections a brief note sets the story bibliographies help readers find other books by the authors featured in Investigating Women

The Canadian Forum, 1994 Includes critical reviews **The Pistoleer - Invasion** Skye Smith, 2019-04-16 Cover Flap In the winter of 1642-43 while King Charles was hiding in Oxford his wife Henrietta was in The Hague pawning the English crown jewels buying an army and chartering ships to invade England Two of the leading Reformers Admiral Rich and Colonel Waller moved quickly to secure all of the ports along the south coast Denied the south coast the invasion convoy sailed up the North Sea coast They were first spotted off the coast of Lowestoft by the crew of a small patrol ship The crew included Daniel Vanderus his clansmen and a dragoon captain named Robert Blake About the Author Skye Smith is my pen name In 1630 some of my Manchester Puritan ancestors sailed away to Massachusetts on one of Robert Rich's ships The Pistoleer is a

series of historical adventure novels set in Britain in the 1640 s I was encouraged to write them by fans of my Hoodsman series This is the sixth of the series and you should read at least the first novel HellBurner before you read Invasion because it sets the characters and scene for the entire series The sequence of the books follows the timeline of the Republic of Great Britain The chapter headings identify the dates and places The Appendix gives historical insight in the form of an FAQ Enjoy Other Novels By The Same Author The Hoodsman 12 historical adventures set in the Norman conquest Maya s Aura 8 new age adventures while tripping around the world Knut many historical adventures set in the Viking Era The Pistoleer 9 historical adventures set in the English Civil War The Pistoleer 1 HellBurner 1638 1640 The Pistoleer 2 Slavers 1640 1641 The Pistoleer 3 Pirates 1641 1642 The Pistoleer 4 Edgehill 1642 The Pistoleer 5 Brentford 1642 The Pistoleer 6 Invasion 1642 1643 The Pistoleer 7 Roundway Down 1643 The Pistoleer 8 Bristol 1643 The Pistoleer 9 Lyme 1644 **Whore Stories** Tyler Stoddard Smith,2012-06-18 A Working History of Working Girls and Guys Have you ever wondered how Heidi Fleiss came to be the face of upscale prostitution or if Casanova really was the world s greatest lover How about why Latin playboy Rubi Rubirosa got the nickname The Ding Dong Daddy Anything but judgmental Whore Stories sheds light on one of our more stigmatized icons The Prostitute Featuring the true stories of famous streetwalkers call girls rent boys and go go dancers this book offers a revealing look at the men and women who have blazed the bawdy trail of prostitution since the dawn of time While you may think that you know everything about this occupation Whore Stories includes plenty of details and even celebrities such as Maya Angelou and Bob Dylan that will leave you in awe From private schools and child preachers to mime fantasies and unfortunate amputations this book uncovers the truth behind the world s oldest profession

An Introduction to Twentieth-Century Czech Fiction Robert Porter,2001-01-01 This is an appraisal of some of the best Czech fiction of the 20th century After a brief introduction there are chapters on Hasek Hrabal Skorecky Pavel Klima and a final chapter on Hodrova Viewegh and Topol Mothers, Monsters, Whores Laura Sjoberg,Caron E. Gentry,2013-07-04 A woman did that The general reaction to women s political violence is still one of shock and incomprehension Mothers Monsters Whores provides an empirical study of women s violence in global politics The book looks at military women who engage in torture the Chechen Black Widows Middle Eastern suicide bombers and the women who directed and participated in genocides in Bosnia and Rwanda Sjoberg Gentry analyse the biological psychological and sexualized stereotypes through which these women are conventionally depicted arguing that these are rooted in assumptions about what is appropriate female behaviour What these stereotypes have in common is that they all perceive women as having no agency in any sphere of life from everyday choices to global political events This book is a major feminist re evaluation of women s motivations and actions as perpetrators of political violence **Beyond Mothers, Monsters, Whores** Caron E. Gentry,Laura Sjoberg,2015-08-15 Beyond Mothers Monsters Whores takes the suggestion in Mothers Monsters Whores that it is important to see genderings in characterizations of violent women and to use critique of those genderings to retheorize individual

violence in global politics It begins by demonstrating the interdependence of the personal and international levels of global politics in violent women s lives but then shows that this interdependence is inaccurately depicted in gender subordinating narratives of women s violence Such narratives the authors argue are not only normatively problematic on the surface but also intersect with other identifiers such as race religion and geopolitical location Whores and Other Feminists Jill Nagle,2013-09-13 Whores and Other Feminists fleshes out feminist politics from the perspective of sex workers strippers prostitutes porn writers producers and performers dominatrices and their allies Comprising a range of voices from both within and outside the academy this collection draws from traditional feminisms postmodern feminism queer theory and sex radicalism It stretches the boundaries of contemporary feminism holding accountable both traditional feminism for stigmatizing sex workers and also the sex industry for its sexist practices **Europe Since 1945** Bernard A. Cook,2001 Employing 286 scholars this two volume encyclopedia contains entries on post World War II European political history and groups significant events and persons the economy religion education the arts women s issues writers and more The Burgher and the Whore Lotte van de Pol,2011-03-31 Amsterdam was after London and Paris the third largest city in early modern Europe and was renowned throughout Europe for its widespread and visible prostitution Delving deep into a wide range of sources but making particular use of the transcripts of thousands of trials The Burgher and the Whore reconstructs Amsterdam s whoredom in detail The colourful and fascinating descriptions of the prostitutes their bawds their clients and the police shed new light on the cultural social and economic conditions of the lives of poor women in a seafaring society Lotte van de Pol explores how the vice trade was embedded in Amsterdam s society economy and judicial system and how legislation and policing were shaped by misogynist attitudes towards women and fear of God s wrath and venereal diseases towards sex The story concentrates on the people living at the margins of a rich metropolis in which there was a large surplus of women many of them poor immigrants with little prospect of marriage Many changes are visible in the 150 years underscrutiny including the view of prostitution from immorality to trade and of prostitutes from whores and criminals to paupers The result is a book that can be read as the history of the Dutch Golden Age from below **Common Whores, Vertuous Women, and Loveing Wives** Debra A. Meyers,2003-03-31 Religious conflicts had a pronounced effect on women and their families in early modern England but our understanding of that impact is limited by the restrictions that prevented the open expression of religious beliefs in the post Reformation years More can be gleaned by shifting our focus to the New World where gender relations and family formations were largely unhampered by the unsettling political and religious climate of England In Maryland English Arminian Catholics Particular Baptists Presbyterians Puritans Quakers and Roman Catholics lived and worked together for most of the 17th century By closely examining thousands of wills and other personal documents as well as early Maryland s material culture this transatlantic study depicts women s place in society and the ways religious values and social arrangements shaped their lives Common Whores Vertuous Women and Loveing Wives takes

a revisionist approach to the study of women and religion in colonial Maryland and adds considerably to our understanding of the social and cultural importance of religion in early America

Witches, Wife Beaters, and Whores Elaine Forman Crane, 2011-10-15 The early American legal system permeated the lives of colonists and reflected their sense of what was right and wrong honorable and dishonorable moral and immoral In a compelling book full of the extraordinary stories of ordinary people Elaine Forman Crane reveals the ways in which early Americans clashed with or conformed to the social norms established by the law As trials throughout the country reveal alleged malefactors such as witches wife beaters and whores as well as debtors rapists and fornicators were as much a part of the social landscape as farmers merchants and ministers Ordinary people made law by establishing and enforcing informal rules of conduct Codified by a handshake or over a mug of ale such agreements became custom and custom became law Furthermore by submitting to formal laws initiated from above common folk legitimized a government that depended on popular consent to rule with authority In this book we meet Marretie Joris a New Amsterdam entrepreneur who sues Gabriel de Haes for calling her a whore peer cautiously at Christian Stevenson a Bermudian witch as bad as any in the world and learn that Hannah Dyre feared to be alone with her husband and subsequently died after a beating We travel with Comfort Taylor as she crosses Narragansett Bay with Cuff an enslaved ferry captain whom she accuses of attempted rape and watch as Samuel Banister pulls the trigger of a gun that kills the sheriff's deputy who tried to evict Banister from his home And finally we consider the promiscuous Marylanders Thomas Harris and Ann Goldsborough who parented four illegitimate children ran afoul of inheritance laws and resolved matters only with the assistance of a ghost Through the six trials she skillfully reconstructs here Crane offers a surprising new look at how early American society defined and punished aberrant behavior even as it defined itself through its legal system

Sexual politics in revolutionary England Sam Fullerton, 2024-06-18 Sexual politics in revolutionary England recounts a dramatic transformation in English sexual polemic that unfolded during the kingdom's mid-seventeenth century civil wars In early Stuart England explicit sexual language was largely confined to manuscript and oral forms by the combined regulatory pressures of ecclesiastical press licensing and powerful cultural notions of civility and decorum During the early 1640s however graphic sex talk exploded into polemical print for the first time in English history Over the next two decades sexual politics evolved into a vital component of public discourse as contemporaries utilized sexual satire to reframe the English Revolution as a battle between licentious Stuart tyrants and their lecherous puritan enemies By the time that Charles II regained the throne in 1660 this book argues sex was already a routine element of English political culture

Spatial Turns Jaimey Fisher, Barbara Caroline Mennel, 2010 The phrase spatial turns signals the growing importance of space as an analytical as well as representational category for culture The volume addresses such emerging modes of inquiry by bringing together for the first time essays that engage with spatial turns spatiality and the theoretical implications of both in the context of German culture history and theory Migrating from fields like geography urban studies and architecture the new

centrality of space has transformed social science fields as diverse as sociology philosophy and psychology In cultural studies productive analyses of space increasingly cut across the studies of literature film popular culture and the visual arts Spatial Turns brings together essays that apply a spatial analysis to German literature and other media and engages with specifically German theorizations of space by such figures as Siegfried Kracauer and Walter Benjamin The volume is organized in four sections Mapping Spaces addresses cartography in all forms and in its intersection with culture Spaces of the Urban takes up one of the key sites of spatial studies the city Spaces of Encounter considers how Germany has become a contact zone for multiple ethnicities and Visualized Spaces concerns the theorization of space in film and new media studies

The Week in Germany, 1991

Berlin Coquette Jill Suzanne Smith, 2014-02-28 During the late nineteenth century the city of Berlin developed such a reputation for lawlessness and sexual licentiousness that it came to be known as the Whore of Babylon Out of this reputation for debauchery grew an unusually rich discourse around prostitution In *Berlin Coquette* Jill Suzanne Smith shows how this discourse transcended the usual clichés about prostitutes and actually explored complex visions of alternative moralities or sexual countercultures including the New Morality articulated by feminist radicals lesbian love and the New Woman Combining extensive archival research with close readings of a broad spectrum of texts and images from the late Wilhelmine and Weimar periods Smith recovers a surprising array of productive discussions about extramarital sexuality women's financial autonomy and respectability She highlights in particular the figure of the *cocotte* *Kokotte* a specific type of prostitute who capitalized on the illusion of respectable or upstanding womanhood and therefore confounded easy categorization By exploring the semantic connections between the figure of the *cocotte* and the act of flirtation of being *coquette* Smith's work presents flirtation as a type of social interaction through which both prostitutes and non prostitutes in Imperial and Weimar Berlin could express extramarital sexual desire and agency

Whore Biographies, 1700-1825, Part I Vol 1 Julie Peakman, 2024-12-11 Focuses on autobiographies and biographies of courtesans directories of whores erotic poems dedicated to harlots jocular descriptions of prostitutes and jest books on strumpets These provide sources for the study of sexuality gender women's studies and the literature and history of the eighteenth century

Republic Of Whores Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Republic Of Whores**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
