Return to Me Sharon Udy Storrs, 2024-06-05 *Return to Me* is a historical fiction work which is written to be used as an impactful educational resource for students who are studying World War II The book covers all 5 fronts of the war with a clear explanation of the role the key players Hitler Mussolini Stalin Churchill Roosevelt and the Empire of Japan played in the escalation and eventual resolution of the war The story is intertwined with characters living in a small town nestled in the Rocky Mountains during the Depression and World War II Nate and Bea Roundy and their family as well as their community and the rest of the country are impacted by the Depression followed on the heels of the senseless loss of millions of lives and the devastation and destruction of WWII Nate's Sister Ruth is serving as a nurse and is captured as a POW in the Philippines Will they ever see her again Her fiancé is serving as an American spy in Italy on the Italian Front Will they ever be together again and realize their dream of getting married The death of Nate's sister in childbirth leaves 8 motherless children in the care of a dysfunctional stepmother What will become of them What will become of Blake and his sweetheart Anna now that he has enlisted as a medic and is serving in the Normandy invasion What will become of Bobby his best friend who is shot down in German territory Will he live to tell his story Members of the community find themselves being drafted into the war on many fronts The story covers their challenges love stories tragedies and atrocities that occur in war as well as at home and is laced with examples of courage and valor The question is will their family ever be united again and if so will it ever be the same We hope that you will thoroughly enjoy reading *Return to Me* written by Sharon Storrs It's an educational interesting and informative presentation of World War II and the valiant souls who fought and gave the ultimate sacrifice to rid the world of the demons of World War II

Return to Me, My Love John P. Schwulst, 2010-05 *Return to Me My Love* is an in depth look at the end times prophecies concerning the Jews and Israel as seen through the eyes of St John the Revelator Most books on the Revelation attempt to interpret what John was trying to say but contend that he couldn't find the correct words to describe the visions he was given Such interpretations are not very helpful in the understanding the Revelation or the entire panoply of end times prophecy for that matter The Revelation defines and explains each of the terms it uses if the reader will carefully consider John's words in light of all the prophecies of the Old and New Testaments taken together as a whole This book does exactly that It is a literal approach to the study of Prophecy Over 500 pages of additional research materials are available on line to prove what is contained in the book In *Return to Me*

My Love the author assumes the role of St John as he explains each verse of the Revelation to his reading audience and shows them how it foretells the entire counsel of God concerning the Last Days In this book the reader will be shown how God took the people of Israel as his wife but after bearing with their centuries of apostasy against him he finally wrote them a Bill of Divorce and sent them away Yet the Lord was not done with Israel and just as he wrote in Hosea he was determined to allure her and eventually bring her back to him We are seeing that story being played out as we watch the modern State of Israel struggle without her Messiah Jesus The Tribulation that is coming in last days Israel will be God s way of testing his Jewish people purging the nation of its apostasy and taking back the remnant of his Chosen People to be his wife hence the title of the book This is a must read and is unlike anything currently available on prophecy Every Christian needs to understand prophecy in order to be ready to assist the Jews when their time of trial begins Return to Me : A Tragic Gay Romance James Oliver French,2014-11-23 What would you do if the man you loved vanished without a trace Kyle and Todd meet at a party in their freshman year at college They fall in lust at first sight then deep in love In spite of Kyle s melancholy past their future together looks bright Then Kyle disappears leaving Todd heartbroken and alone and their dreams in ruins Fifteen years later Todd is a successful but lonely psychiatrist He still hasn t come to terms with the loss of his first love When a dangerous amnesiac arrives at the hospital Todd is forced to confront the past and is driven to find answers to the questions that have haunted him all these years Praise for Return to Me A powerful off the grid and fascinating read 5 stars from The Novel Approach I didn t know just how much I was going to end up loving James Oliver French s debut novel despite how much it shattered my heart into little pieces 5 stars from Sinfully Sexy Book Reviews one of the best I have read this year and there have been quite a few to choose from 5 stars from Multitaskingmamma This author has written one of the most brilliant and heartfelt stories 5 stars from Gay Media Reviews I haven t read many m m books but this one absolutely blew me away 5 stars from R J Prescott author of The Hurricane It takes phenomenal talent for an author to touch a reader so deeply 4 5 stars from The Smutsonian Oh My God There goes my early night 4 stars from Boy Meets Boy Reviews
