The Mandate of the Church in the Apocalypse of John Olutola K. Peters,2005 The Mandate of the Church in the Apocalypse of John fills a gap in the scholarly literature on the Apocalypse of John by offering a comprehensive discussion of what the Church is called upon to be and do It delineates various tasks and functions of the Church showing how they relate to one another and also how they are all unified under the mandate to provide faithful witness to Jesus With its strong emphasis on the ethical concerns of the Apocalypse this book challenges the view that John s Apocalypse is sub Christian in its ethics

**Parody and Counterimaging in the Apocalypse** Joe E. Lunceford,2009-10-01 As numerous scholars have noted The Revelation was first received orally Directed not merely to the intellect its author deliberately employed different literary schemes and devices to evoke the imagination of his audience In this new study Joe Lunceford examines the specific use of parody and counterimaging in The Revelation arguing that this often overlooked device was an essential means by which its author engaged the imagination of his readers and hearers In light of the best of recent scholarship on The Revelation Lunceford examines over thirty uses of this device most notably the contrasting images of the evil trinity of dragon beast from the sea and beast from the earth and the Holy Trinity

Apocalyptic fervor gripped the Eastern Roman Empire as late antiquity drew to a close The empire confronted bubonic plague civil war famine and catastrophic Persian invasions Meanwhile Andrew archbishop of Caesarea was tasked with writing what would become the first Greek patristic commentary on the Apocalypse and the single most influential commentary on any biblical book Andrew preserved existing Eastern Apocalypse interpretation and applied his own exegetical skills to create a commentary that remains fresh and remarkably contemporary Andrew emphasized the spiritual value of the Apocalypse transforming popular understanding of Revelation from a doomsday scenario to a useful God inspired book that would guide those who read it to a blessed end At the time Revelation was largely rejected from the canon in the East but Andrew s explanation would change its fate and influence Eastern eschatology forever His work became the predominant and standard patristic commentary for the Greek East as well as the Slavic Armenian and Georgian churches So highly regarded it was directly responsible for the eventual acceptance of Revelation into the canon of the Oriental and Eastern Orthodox churches In this interesting and insightful work Eugenia Scarvelis Constantinou the leading expert on Andrew of Caesarea and the first to translate his Apocalypse commentary into any modern language identifies an exact date for the commentary and a probable recipient Her groundbreaking book the first ever written about Andrew analyzes his historical milieu education style methodology theology eschatology and pervasive and lasting influence She explains the direct correlation between Andrew of Caesarea and fluctuating status of the Book of Revelation in Eastern Christianity through the centuries

ABOUT THE AUTHOR Eugenia Scarvelis Constantinou teaches biblical studies and early Christianity at the University of San Diego and records a weekly podcast Search the Scriptures at [ancientfaith.com](http://ancientfaith.com) which has attracted an international following She is translator of Andrew of Caesarea s Commentary on the Apocalypse in the Fathers of the Church series PRAISE FOR THE BOOK The commentary by Andrew of Caesarea proved to be of immense influence on all subsequent theologians grappling with the Book of Revelation and the theme of eschatology in the East Constantinou s development of compelling subjects prophecy and history eschatology and the millennium the afterlife and punishment angelology and the devil free will will be of immense interest to a wide readership John Chrysavgis Archdeacon Office of Ecumenical and Inter Faith Relations Greek Orthodox Archdiocese of America This book provides a fascinating look at the earliest Greek commentary in existence It is an exciting contribution to the study of theology and biblical interpretation for modern readers It is truly a groundbreaking work Bradley Nassif professor of biblical and theological studies North Park University Beautifully produced and lucidly written book on the important though far too less known patristic author Andrew bishop of Cappadocian Caesarea Vigiliae Christianae

Trupe,2006-05-30 Contemporary young adult literature is a relatively new genre This guide provides an overview of the burgeoning field focusing primarily on fiction Each of the 32 chapters is devoted to a theme of special significance to young adults and provides brief critical discussions of several related literary works Chapters close with lists of fiction for further reading An appendix groups works according to additional themes and a selected bibliography cites relevant critical studies    **"Those Who Call Themselves Jews"** Philip L. Mayo,2006-08-01 The nature of Jewish Christian relations at the end of the first century has been a subject of serious study and considerable debate The time between 70 and 150 CE is held to be a volatile time in that Jewish Christian relations were quickly although not uniformly deteriorating This is a time referred to as the partings of the ways when the church was emerging as a religion apart from Judaism Although it has often been neglected in this study of particular interest is the Apocalypse of John since it was written in this dark and turbulent time in Jewish Christian relations John who is a Jewish Christian is writing to what are likely predominantly Gentile churches At first he appears to deny the very name Jew to his ethnic kin while accusing them of belonging to Satan 2 9 3 9 Nevertheless he does not abandon his own Jewish background and theology He makes broad use of the Hebrew Scriptures and Jewish cultic imagery while maintaining a Christian understanding that Jesus is the fulfillment of God's redemptive plan What is of particular interest is how he adopts and adapts this imagery and language and applies it to the church It is John's mix of Jewish imagery with a Christian message that may provide some insight into his perspective on the relationship between these two increasingly polarized sects What exactly this perspective is constitutes the subject of the present discussion    **HEAVEN** Michael G. Maness,2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21 22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost    *The Horn Book Guide to Children's and Young Adult Books* ,1999    **Saint Bride and Her Book** Saint Bridget (of Sweden),Julia Bolton Holloway,2000 First published in 1992    **Fortress Commentary on the Bible** Margaret
