Revival Gods Way:

Revival God's Way Leonard Ravenhill, 1986-05 A clarion no compromise call to the principles of biblical revival **Why**
Revival Tarries Leonard Ravenhill, 2004-08-01 Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today Why Revival Tarries contains the heart of his message A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did Included are questions for group and individual study **Revival: God's Way: Experiencing God's Presence at the Deepest Level**
Vishnu M. Harbhajan, 2019-02-23 According to an ABC Poll 83% of Americans identify themselves as Christians Of this 53 % are Protestants 22% percent Catholic 37% of all Christians describe themselves as born again or evangelical which includes nearly half of all Protestants 47 percent However we all need to ask how viable is our faith Do we just carry on traditions because of our upbringing or is our faith in Christ intensely personal and inspirational Boredom should never be a feature of our lives if we have experienced a born again encounter with God The Body of Christ the church should be the living example of Christ on earth in holiness love and compassion If these traits are not evident then we do need a fresh touch from God both personally and collectively This is the thrust of this book To challenge and inspire the reader to examine his or her life and commit to all that Jesus demands so that He would restore and rekindle His love and grace within us God wants to work through us and His church but we all have to bring our lives under His agenda and expectations When this happens the Holy Spirit will explode within us the Life of Christ and our spiritual awakening will have begun Read pray fully and apply His Word as you work through the chapters Revival Gods way is just around the corner If our Christianity is dull and boring then we need to know that there is more much more Jesus came to give our lives meaning and purpose every day of our brief existence and not just for us to identify with a denomination or church The life of Jesus Christ is meant to be invasive and pervasive affecting every facet of the believers existence We were destined to live a joyful passionate Spirit filled life a quality of living that worldly wealth sensual pleasure or personal ambitions falls by the wayside in comparison to the abundant life in Christ Formality passionate less praying and preaching are often the norm Congregants sometimes attend out of duty and not because of a consuming desire to know the God of the Bible For non church people or the spiritually insensitive to turn to the church we first have to demonstrate a passion love and intensity that flows out of our daily communion with Christ which will subsequently outshine every aspiration of the non believer so they see and feel that we have much more than they do For this to happen the church and individual christian must experience a spiritual renewal Allow God to do a new work in you and in your church be available to Him and say in your heart I WANT MORE There is no second baptism but a complete turning to Christ giving Him all our sins and personal ambitions and making Him absolute Lord When that happens there will be a personal spiritual break through and the Lord of glory will no longer be on the

outside knocking pleading and begging to come in This will transform our tastes and goals and affect the spiritually unconnected around us The politicians and celebrities do not have the ultimate answers as they themselves need a Savior but even if everyone can attain the American Dream there will still be a deep and empty feeling of not having personal peace and hope Only Jesus Christ can meet the deepest need of the human race The book is my take on where we are and how we can experience a mighty touch from God if we seek Him His way **Evangelism God's Way Manual** Deborah

Nembhard-Colquhoun,2011-06-13 **EVANGELISM MANUAL** This manual exemplifies the most effective methods of evangelism It also provides many strategic plans and guidelines for effective evangelism All believers particularly those who aspire to be in leadership or are currently in ministry should own this evangelism manual This manual is a much needed resource in the field of evangelistic outreach It seeks to give practical training and equipping to those who wish to fulfill the call of the Great Commission The manual is useful for teaching training witnessing follow up discipleship launching your own ministry and even for acquiring personal knowledge of evangelism **Realities of a True Christian** Jeremy B.

Strang,2013-08 **Realities of a True Christian** encourages professing Christians of all ages to walk in godliness humility of heart holiness and piety in life Many people will come professing Jesus Christ at the final hour but many will be cast off forever With such pressing truths upon the professing believer author Jeremy Strang calls for personal examination and continual sanctification deep within one's soul Jeremy's clarion call brings to light realities of Christian conversion and the resulting affects of Christ's work of grace in the true believer Whether you desire to grow in your walk with Christ or to simply learn more about the realities of biblical Christianity this book is for you No grey areas No fiction No superficiality All proceeds benefit Gospel for Asia Who knows the true depth of their sin against God I am thankful to God that I can earnestly say I stand in a heap of sin so insurmountable that if it were not for the grace of Jesus Christ and His propitiation I would forever be undone by my atrocities against the Lord my God Endorsement **Realities of a True Christian** is a book in the line of many others that have come out recently that give a clarion call to the professing church with the message of true salvation Many a church member will do well to test their lives according to some of these things written May our Christian lives excel in the area of piety by the careful reading of this needful book Greg Gordon founder of SermonIndex.net **The Complete**

Works of Zacharias Tane Fomum on Prayer (Volume 4) Zacharias Tane Fomum,1901 The Complete Works of Zacharias Tane Fomum on Prayer Volume 4 contains the following books 1 Revolutionary Thoughts on Prayer Volume 3 2 Women of the Glory Volume 1 3 The Centrality of Prayer 4 Revolutionary Thoughts on fasting 5 From His Prayer Files Life Changing Thoughts on Prayer Revolutionary Thoughts on Prayer will produce a revolution in your life concerning your personal prayer vision It will bring you to see the inadequacy of your perception of prayer It will push you to want to know and to experience prayer with the author as He travels with Christ around the world in the School and Ministry of Prayer Women of the glory such as in this case Anna the prophetess come into the scene to demonstrate that you cannot love the

Lord deeply and not be a person of prayer The place of prayer is the place where the deepest love for the Lord is expressed A lover who does not live a life of deep and desperate prayer is not a lover but a liar A lover who does not habitually go away from the din and dance of the world to commune with his Lord in prayer is not a lover but a theoretician The centrality of prayer cannot be overemphasised Every work of God that is started continued and perpetuated without prayer may end up being a work of the enemy Prayer must be at the centre of every work of God that will endure That work is begun in prayer continued in prayer sustained in prayer and finished to completion in prayer While prayer is central to the accomplishment of God's purposes fasting is an acute weapon that the enemy dreads the most An empty stomach in the presence of God gnaws paws and gores the enemy terribly It moves God and the hosts of heaven to siege the enemy dismantle his setups confound his counsel and release captives from their hands In this volume you will travel through time with the author in his prayer life You will experience the daily prayer habits that have been cultivated with time We send this fourth prayer volume out with a cry to the Lord that He should use it to lead the saints into practical praying and fasting and that prayer should long at last take its central position in the life affairs and destiny of every believer in Christ Women of the Glory (Volumes 1—3)

Zacharias Tane Fomum, In this captivating trilogy *Women of the Glory* lies the remarkable stories of three Bible women who devoted their lives to the knowing the loving and the serving of the Lord often in secret and in private Volume One takes you on a journey through the life and ministry of the prophetess Anna in *The Secluded Worshipper* In Volume Two explore the profound transformation and unwavering devotion of Mary of Bethany in *Unending Intimacy* Finally in Volume Three witness the incredible journey of rescue development and fulfillment in the life of Mary Magdalene in *Winning Love* These powerful narratives will inspire uplift and challenge your faith as you witness the deep spiritual journeys of these extraordinary women Get your copy and let us celebrate their dedication and commitment to the glory of the Lord *Azusa Revisited* Keith

Davenport, 2008-08-12 While Brother Seymour kept his head inside the old empty box in Azusa all was well They later built a throne for him also Today we have not one hierarchy but many The Father must again be made King of each of our fleshly thrones We are looking with great expectation for the latter rain of the Spirit of God *Azusa Revisited* NO REPENTANCE EQUALS NO REVIVAL This book is for those that are genuinely interested in real revival If you have been praying for the latter rain and have only experienced showers this book will provide you with some very important principles of revival Includes special dedication to the late Mrs Elsie Mason widow of Church of God in Christ founder Charles Mason She was the last living witness of the events that occurred at Azusa **Revive Us Again** Joel A. Carpenter, 1999 Publicly humiliated by the Scopes monkey trial of 1925 fundamentalism in America seemed extinct by the end of the 1920s and then all but invisible to the mainstream until evangelists like Billy Graham gave new life to the movement in the popular revivals of the 1940s and 50s Here Joel A Carpenter illuminates these hidden years in the fundamentalist movement's history and in doing so provides answers to the riddle of its survival Blending painstaking research telling anecdotes and astute analysis Carpenter brings this

era into focus for the first time ever He shows that contrary to the popular opinion of the day fundamentalism was alive and well in America in the late 1920s and used its isolation over the next 20 years to build new strength from within Taking a reasoned objective approach to a topic frequently reduced to caricature Revive Us Again gives us a fresh look at the continuing influence of American fundamentalism an influence still evident in today s newspapers and cable TV newscasts
