Rural Space in the Middle Ages and Early Modern Age Albrecht Classen, 2012-05-29 Older research on the premodern world limited its focus on the Church the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of

scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic

British Literature and Print Culture Sandro Jung, 2013 The complexity of print culture in Britain between the seventeenth and nineteenth century is investigated in these wide ranging articles The essays collected here offer examinations of bibliographical matters publishing practices the illustration of texts in a variety of engraved media little studied print culture genres the critical and editorial fortunes of individual works and the significance of the complex interrelationships that authors entertained with booksellers publishers and designers They investigate how all these relationships affected the production of print commodities and how all the agents involved in the making of books contributed to the cultural literacy of readers and the formation of a canon of literary texts Specific topics include a bibliographical study of Aphra Behn's *Oroonoko* and its editions from its first publication to the present day the illustrations of John Bunyan's *Pilgrim's Progress* and the ways in which the interpretive matrices of book illustration conditioned the afterlife and reception of Bunyan's work the almanac and the subscription edition publishing history collecting reading and textual editing especially of Robert Burns's poems and James Thomson's *The Seasons* the printing for the author practice the illustrated and material existence of Sir Walter Scott's *Waverley* novels and the Victorian periodical *The Athenaeum* Sandro Jung is Research Professor of Early Modern British Literature and Director of the Centre for the Study of Text and Print Culture at Ghent University Contributors Gerard Carruthers Nathalie Coll Bak Marysa Demoor Alan Downie Peter Garside Sandro Jung Brian Maidment Laura L Runge

Routledge Companion to Women, Sex, and Gender in the Early British Colonial World Kimberly Anne Coles, Eve Keller, 2018-10-03 All of the essays in this volume capture the body in a particular attitude in distress vulnerability pain pleasure labor health reproduction or preparation for death They attend to how the body's transformations affect the social and political arrangements that surround it And they show how apprehension of the body in social and political terms gives it shape

The Longman Anthology of British Literature Constance Jordan, Clare Carroll, 1999 Volume 1B Early Modern Period of 6 volume splits of parent volumes *The Longman Anthology of British Literature, Volumes 1A, 1B, And 1C* David Damrosch, Christopher Baswell, Kevin Dettmar, Clare Carroll, Heather Henderson, Andrew Hadfield, Stuart Sherman, Peter Manning, Anne Schotter, William Sharpe, Susan Wolfson, 2010 The Longman Anthology of British Literature is the most comprehensive and thoughtfully arranged text in the field offering a rich selection of compelling British authors through the ages With its first edition The Longman Anthology of British Literature created a new paradigm for anthologies Responding to major shifts in literary studies over the past thirty years it was the first collection to pay sustained attention to the contexts within which literature is produced even as it

broadened the scope of that literature to embrace the full cultural diversity of the British Isles Within its pages canonical authors mingle with newly visible writers English accents are heard next to Anglo Norman Welsh Gaelic and Scottish ones female and male voices are set in dialogue literature from the British Isles is integrated with post colonial writing and major works are illuminated by clusters of shorter texts that bring literary social and historical issues vividly to life Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and 150 illustrations show both artistic and cultural developments from the medieval period to the present The Fourth Edition builds on the pioneering features of the previous three editions expanding the strong core of frequently taught works while continuing to lead the way in responding to the shifting interests of the discipline *Stevie Smith and Authorship* William May,2010-08-12 The most useful critical guide to the Movement that has appeared in recent years Alan Brownjohn Literary Review **MLA Handbook** The Modern Language Association of America,2021-04-22 The ninth edition of the MLA Handbook is a textbook and reference guide that offers student writers and writing instructors guidance on creating works cited list entries in MLA style using the template of core elements It features advice on punctuation grammar inclusive language formatting research papers and in text citations Includes an appendix of sample works cited list entries illustrations and an index **Romantic Period Writings 1798-1832: An Anthology** Ian Haywood,Zachary Leader,2005-11-01 Romantic Period Writings 1798 1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions **Fair Philosopher** Lynn Marie Wright,Donald J. Newman,2006 Fair Philosopher the first sustained scholarly study of The Female Spectator brings together an impressive collection of established and upcoming Haywood scholars who challenge much of the received opinion about this groundbreaking journal Several of the essays show that Haywood s periodical was far more political than is generally thought that its connections to her career as a novelist are more intimate than has been recognized and that The Spectator was a target as well as a model This collection makes a convincing argument that Haywood s periodical deserves far more critical attention than it has received so far and suggests new lines of development for future Haywood scholarship Publisher s website **Teaching Transatlanticism** Linda K Hughes,2015-02-05 The 18 chapters in this book outline conceptual approaches to the field and provide practical resources for teaching ranging from ideas for individual class sessions to full syllabi and curricular frameworks [Black British Writing](#) Lauri Ramey,2004-09-03 This collection of essays provides an imaginative international perspective on ways to

incorporate black British writing and culture in the study of English literature and presents theoretically sophisticated and practical strategies for doing so It offers a pedagogical pragmatic and ideological introduction to the field for those without background and an integrated body of current and stimulating essays for those who are already knowledgeable Contributors to this volume include scholars and writers from Britain and the U S Following on recent developments in African American literature postcolonial studies and race studies the contributors invite readers to imagine an enhanced and inclusive British canon through varied essays providing historical information critical analysis cultural perspective and extensive annotated bibliographies for further study

Spirits Unseen: The Representation of Subtle Bodies in Early Modern European Culture
,2007-12-31 Spirits airy volatile subtle bodies occupied a central place in early modern European culture At the edge of the visible and perceptible spiritus could signify a broad variety of subtle substances both natural and divine the vapours moving inside the body the elements of air and fire angels demons and spectres the Holy Spirit and the human soul Spirits functioned as intermediaries between two opposite worlds with continually shifting borders This book investigates specific meanings and uses of spiritus in a variety of early modern disciplines and fields physiology psychology alchemy theology demonology art theory music theory novels and the literature on love thus revisiting the ambivalent history of a central ancient concept in a period of crisis and change Contributors include Wietse de Boer Sven Dupr Jennifer Frangos Axel Christoph Gampp Christine G ttler Berthold Hub Dawn Morgan Wolfgang Neuber Bret Rothstein Rose Marie San Juan Wilhelm Schmidt Biggemann Justin E H Smith Paul J Smith Thijs Weststeijn and Sarah F Williams
