Look Out For Ghosts:

Look Out for Ghosts! Annette Tison, 1991 **Archaeology, Narrative, and the Politics of the Past** Julia A.

King, 2012-07-15 In this innovative work Julia King moves nimbly among a variety of sources and disciplinary approaches archaeological historical architectural literary and art historical to show how places take on convey and maintain meanings Focusing on the beautiful Chesapeake Bay region of Maryland King looks at the ways in which various groups from patriots and politicians of the antebellum era to present day archaeologists and preservationists have transformed key landscapes into historical indeed sacred spaces The sites King examines include the region's vanishing tobacco farms St Mary's City established as Maryland's first capital by English settlers in the seventeenth century and Point Lookout the location of a prison for captured Confederate soldiers during the Civil War As the author explores the historical narratives associated with such places she uncovers some surprisingly durable myths as well as competing ones St Mary's City for example early on became the center of Maryland's founding narrative of religious tolerance a view commemorated in nineteenth century celebrations and reflected even today in local museum exhibits and preserved buildings And at Point Lookout one private group has established a Confederate Memorial Park dedicated to those who died at the prison thus nurturing the Lost Cause ideology that arose in the South in the late 1800s while nearby the custodians of a 1 000 acre state park avoid controversy by largely ignoring the area's Civil War history preferring instead to concentrate on recreation and tourism an unusually popular element of which has become the recounting of ghost stories As King shows the narratives that now constitute the public memory in southern Maryland tend to overlook the region's more vexing legacies particularly those involving slavery and race Noting how even her own discipline of historical archaeology has been complicit in perpetuating old narratives King calls for research particularly archaeological research that produces new stories and counter narratives that challenge old perceptions and interpretations and thus convey a more nuanced grasp of a complicated past **Ghost Watch** David

Rollins, 2010-01-10 Special Agent Vin Cooper is feeling reckless He volunteers for the dumbest and most dangerous job going personal security operations in Afghanistan protecting bent politicians But when his principal is killed in a suicide bomb attack Cooper is reassigned to a cushy job nursing a couple of needy African American entertainers putting on a show for US military advisors at a secret base in Rwanda Or so he thinks Things go horribly wrong when their United Nations chopper is forced down in the Democratic Republic of Congo in the middle of an all out firefight by opposing forces The nightmare only intensifies when some of Cooper's people including one of the entertainers are captured While risking his life to rescue his principals Cooper spies a US DoD advisor in the enemy encampment which is awash with American weaponry It seems that their forced landing in this inhospitable place was no accident *Legend Tripping* Lynne S. Ghost Hunter's Guide to Los Angeles Jeff Dwyer, 2007-03-31 The renowned paranormal investigator and ghost hunter shows tourists residents and even nonbelievers where to encounter spirits in the City of Angels As useful to the paranormally curious as to locals and adventurers seeking new and unusual spots *Ghost Hunter's Guide to Los Angeles* shows you how and where to seek out the supernatural in Los Angeles and surrounding areas from Hollywood to Long Beach as well as destinations in nearby San Diego and Santa Barbara Suggested stops include familiar locations such as Forest Lawn Memorial Park Cemetery Catalina Island Grauman's Chinese Theatre Lookout Mountain and missions like Mission San Juan Capistrano Mission San Buena Ventura and more Many other suggested adventures refer to sights where ghosts of movie stars like Marilyn Monroe Montgomery Clift and Howard Hughes have been seen There are also numerous anecdotes and leads for exploring more obscure supernatural entities like the murdered waitress the ghost protester indigenous ghosts and many other seemingly anonymous spirits around the Los Angeles area The appendix is full of references for further exploration including a list of local ghost tours historical societies and museums and an exhaustive list of suggested books Internet resources films and national organizations relating to ghostly communications A handy sighting report form is included to assist witnesses in the case of an encounter Jeff Dwyer has done it again Easily one of the best Ghost Story writers working today You will never look at the City of Angels the same way Ray Couch *Southern Ghosts*

In Search of Ghosts Hans Holzer, 2012-02-21 Famed ghost hunter Hans Holzer once told an interviewer There are three dirty words in my vocabulary belief disbelief and supernatural They don't exist There's no supernatural world Everything that exists is natural Yet there is a dimension of existence that is as real as your living room even if the average person cannot access it with all their senses For five decades this meticulous Vienna born researcher has

been delving into manifestations that seem miraculous moving among ghosts with a calm resolve that might have startled even the spooks In book after book he has documented these spirit presences building an unprecedented bibliography of The Other Side In Search of Ghosts brings together some of The Ghost Hunter s famous astonishing and controversial cases Holzer recreates eerie scenes with a skillful sense of telling detail His long deep immersion in the field is evidenced by the vast diversity of his subjects He writes about Bavarian poltergeists and Connecticut left behinds spectral murder victims and a ghostly spy courier who refuses to disappear a noisy spirit in a San Francisco suburb and a Revolutionary War traitor whose imprint stubbornly remains Some posthumous visitors tiptoe others thrash some require the gentle coaxing of mediums Holzer brings alive not only phantoms who emerge from the shadows but also the average people whose everyday lives were interrupted by these unexpected nocturnal visitors and their intrusive rumblings Like any good researcher he realizes that context is everything With tireless attention he pursues his vaporish subjects back into history separating the chaff from the wheat and puzzling out the true stories of their uneasy exits For Hans Holzer things that go bump in the night are no longer phenomena to be regarded with fear or awestricken wonder In Search of Ghosts offers you a steadying hand as he escorts you into haunted realms you never imagined so vividly **Ghosts across Kentucky** William Montell,2010-09-12

Lynwood Montell has collected ghost tales all over the state of Kentucky from coal mining settlements to river landings from highways to battlefields He presents these suspense filled stories just as he first heard or read them as bona fide personal experiences or as events witnessed by family members or friends There are over 250 stories in Ghosts across Kentucky that are set in specific places and times They include tales of graveyards haunted dormitories animal ghosts and vanishing hitchhikers Montell describes weird lights unexplained sounds felt presences and disappearing apparitions Phantom workmen fallen soldiers young lovers and executed criminals appear in these pages along with the living who chance upon them Though the focus is on the stories themselves Montell also includes a chapter explaining our fascination with the supernatural and the deep truths these storytelling traditions reveal about our lives and our pasts William Lynwood Montell emeritus professor of folk studies at Western Kentucky University is the author of several books including Killings
