Internet Dating Just Bytes Mari Wisely, Terry Richman, 2005-09-08 This is a humorous approach for finding a good recipe Learning how to write a great personal ad It will show you what to put in your ad and most importantly what to leave out How to read personal ads to know what they are really saying and reading between the lines for what they dont say Dating

and relationships is like making a cake You should start with a good recipe A recipe that does not include any foiled Bundt cakes fruitcakes and no half baked nut wonders What we really need is a human Mixmaster where you can gather up all of the ingredients you want and throw them in there to make the perfect mate but then that would take all of the fun and surprise out of searching the Internet now wouldnt it Even with a good recipe things can still go awry Great growling grizzly I had a date with Wild Man Mike from the Klondike An extremely nice guy but short of coming to the date with a weed eater for beard trimming I was not equipped to handle what I had unearthed Mother Mary he was wild and hairy The only sparks that arose in this situation came from the undercarriage of my car when I hit a speed bump driving away at 85 miles an hour In this book you will discover some of the pitfalls and the pratfalls of online romance We have endeavored in creating this book to show you a little of both Many of the things that we discuss are through observations and stories from people that have been there and done that We truly hope that you enjoy reading our somewhat comic romp through the world of matchmaking in cyber space as much as we enjoyed creating it On line dating can be interesting and fun but all of the stars have to align perfectly for that to happen Finding that perfect someone is not the norm its kind of like winning the lottery You run the ball hopper and see what pops out Maybe if youre lucky youll get a winner but more often than not youll get a loser This is both a man and a womans perspective about Internet Dating and relationships Burgh Blonde April Marie, 2022-02-01 Meet me Burgh Blonde Pittsburgh's token single girl This book picks up where Sex and the City left off but with a blue collar working class American twist In Pittsburgh we re known for our sports teams Primanti's sandwiches and kitschy vinzer language This book puts into context exactly what it s like to date men from the City of Champions and what a woman has to put up with when we are growing more successful and independent while the men are reverting back to cavemen This book is not for the faint of heart There is sex foul language and magical metaphors to keep you hooked from start to finish These eighteen short stories give you an up close and personal look into my private sex life and all the dirty hijinks that comes with it After reading this book you will know what it s like to give a BJ to a UFC fighter have a three way on an official Air Force barracks how to have sex with a furry and dare I say even weirder stuff Not only will the ladies of all ages enjoy reading about the ridiculous men in this book but also men will be fascinated to know what women really think of them because in Burgh Blonde I spill all the tea For as long as I remember I ve been making people laugh with my stories and comedy That's why I finally decided to give the people what they we been asking for I am in no way a great literary author I am simply a single girl with a ton of funny sex stories So put your feet up open a nice bottle of wine and prepare yourself for a hilarious walk in this single gal s heels
