Foraging in the Pacific Northwest: A Complete Beginners Guide for Identifying, Gathering, and Preparing Edible Wild Plants - Edible Plants Survival Guide Armand Hansen, 2022-06-21 How much do you know about which wild plants you can eat and which ones you should avoid? This information is absolutely essential if you're foraging or if you find yourself lost and need to find something to eat to survive. Perhaps you are interested in learning more about how to identify, gather, and prepare edible wild plants. Maybe you're thinking about setting out on a journey, one that will require you to forage as part of your expedition. You want to make sure you know everything you possibly need so you don't eat the wrong thing and get the most out of every wild plant you can eat. Or perhaps you have never been confident to plan this sort of trip before because you don't have enough knowledge. Well, that won't be an issue any longer. **Foraging in the Pacific Northwest** is the complete beginner's guide to preparing and eating edible wild plants. No clue how to identify and gather edible wild plants? It doesn't matter if you have some experience or no experience in foraging; this book will teach you everything you need to know. Our ancestors would forage food as their main way to eat each day. Foraged wild plants made up the majority of their diets. It's in our history and our blood to be great foragers, and this book will help you tap into that. Over the years, less and less people have taken an interest in foraging, as modern society rarely requires us to do so. But as we become more environmentally conscious and more people are looking to
