Raccoon John Smith Elder Sparks, 2005-12-23 The Disciples of Christ one of the first Christian faiths to have originated in America was established in 1832 in Lexington Kentucky by the union of two groups led by Alexander Campbell and Barton W Stone The modern churches resulting from the union are known collectively to religious scholars as part of the Stone Campbell movement If Stone and Campbell are considered the architects of the Disciples of Christ and America s first nondenominational movement then Kentucky s Raccoon John Smith is their builder and mason Raccoon John Smith Frontier Kentucky s Most Famous Preacher is the biography of a man whose work among the early settlers of Kentucky carries an important legacy that continues in our own time The son of a Revolutionary War soldier Smith spent his childhood and adolescence in the untamed frontier country of Tennessee and southern Kentucky A quick witted thoughtful and humorous youth Smith was shaped by the unlikely combination of his dangerous feral surroundings and his Calvinist religious indoctrination The dangers of frontier life made an even greater impression on John Smith as a young man when several instances of personal tragedy forced him to question the philosophy of predeterminism that pervaded his religious upbringing From these crises of faith Smith emerged a changed man with a new vocation to spread a Christian faith wherein salvation was available to all people Thus began the long ecclesiastical career of Raccoon John Smith and the germination of a religious revolution Exhaustively researched engagingly written Raccoon John Smith is the first objective and painstakingly accurate treatment of the legendary frontier preacher The intricacies behind the development of both Smith s personal religious beliefs and the founding of the Christian Church are treated with equal care Raccoon John Smith is the story of a single man but in carefully examining the events and people that influenced Elder Smith this book also serves as a formative history for several Christian denominations as well as an account of the wild early years of the Commonwealth of Kentucky

(pseud),1868 **A Hanging in Nacogdoches** Gary B. Borders,2010-01-01 This historical study examines a legal lynching in 1902 Texas shedding light on race relations political culture and economic conditions of the time On October 17 1902 in Nacogdoches Texas a black man named James Buchanan was tried without representation condemned and executed for the murder of a white family all within three hours Two white men played pivotal roles in these events the editor of the Nacogdoches Sentinel Bill Haltom a prominent Democrat who condemned lynching but defended lynch mobs and A J Spradley a Populist sheriff who managed to keep the mob from burning Buchanan alive only to escort him to the gallows Each man s story illuminates part of the path toward the terrible parody of justice at the heart of A Hanging in Nacogdoches The turn of the twentieth century was a time of dramatic change for the people of East Texas Frightened by the Populist Party s attempts to unite poor blacks and whites in a struggle for economic justice white Democrats defended their power base by exploiting racial tensions in a battle that ultimately resulted in complete disenfranchisement for the black population In telling the story of a single lynching Gary Borders dramatically illustrates the way politics and race combined to bring horrific violence to small southern towns like Nacogdoches *A Digest of the Reported Cases Adjudged in the Several Courts Held in Pennsylvania; Together with Some Manuscript Cases.
