Age Bible of Mother Africa (Volumes 1 & 2) T Lindsey-Billingsley,2019-12-13 The author T Lindsey Billingsley has compiled a no nonsense philosophical study guide exploring racial origins the African origins of humanity and prehistoric Kemetic influence throughout the world The main focus of these studies is on the anthropological and physiological makeup of racial groups with indepth research into both the Out of Africa theories and divine creationism myths Billingsley supplies concrete evidence to support her conclusions on the true human experience in lieu of popular speculation and theory devoid of logic and sound proof In this and subsequent volumes the author will establish a new perspective of thinking that will tempt you to challenge the validity of theological creationism and evolution whilst substantiating a strong position on intelligent design and extraterrestrial intervention *AF Press Clips* ,1968 *Directory of World Cinema: Africa* Sheila Petty,2014-01-01 Eschewing the postcolonial hubris that suggests Africa could only define itself in relation to its colonizers a problem plaguing many studies published in the West on African cinema this entry in the *Directory of World Cinema* series instead looks at African film as representing Africa for its own sake values and artistic choices With a film industry divided by

linguistic heritage African directors do not have the luxury of producing comedies thrillers horror films or even love stories except perhaps as DVDs that do not travel far outside their country of production Instead African directors tend to cover serious sociopolitical ground even under the cover of comedy in the hopes of finding funds outside Africa Contributors to this volume draw on filmic representations of the continent to consider the economic role of women rural exodus economic migration refugees and diasporas culture religion and magic as well as representations of children music languages and symbols A survey of national cinemas in one volume Directory of World Cinema Africa is a necessary addition to the bookshelf of any cinephile and world traveller

Not Out of Africa Revisited Aylmer von Fleischer, This book has systematically demolished many of Mary Lefkowitz's myths This book proves that Socrates Cleopatra Terence Aesop and other ancient personalities were indeed Blacks that Alexandria was built on the site of an ancient Egyptian city known as Rhacotis where a town existed with its own library before the Library of Alexandria was built This book also proves that Pythagoras Plato and indeed many Greeks studied in Egypt This is an important book that proves that the so called Afrocentric claims are rooted in historical reality
