Karen Dudley

Macaws Of Death A Robyn Devara Mystery:

Macaws of Death Karen Dudley, 2002 Tropical birds in a smuggled suitcase Expensive Beautiful Dead But for field biologist Robyn Devara this latest grim reminder of the illegal trade in endangered species includes an unexpected surprise one of the birds is unknown to science *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Canadian Books in Print** , 2003 *Canadian Books in Print. Author and Title Index* , 1975 *Canadian Book Review Annual* Joyce M. Wilson, 2003 *Canadian Fiction* Sharron Smith, Maureen O'Connor, 2005-10-30 Discover some of the great Canadian authors and titles you've been missing This guide describes and organizes according to reading interests more than 500 of the best contemporary Canadian fiction titles available today Canadian fiction offers a wealth of diverse pleasures to readers from high toned literary works to down and dirty genre fiction However apart from the big names and superstars many of these authors are not well known outside of Canada Designed to help readers advisors in the United States Canada and other English speaking countries make informed reading recommendations to their patrons this guide provides readers advisors and readers with an overview of Canadian fiction covering more than 650 popular titles mainstream and genre fiction most published within the past decade The guide categorizes mainstream titles according to primary appeal features language character setting and story and identifies the secondary appeal when there is one Genre fiction covered in a separate section is organized according to standard genres fantasy romance etc with subdivisions for subgenres and themes For each title bibliographic information and a brief annotation is provided Subjects are listed along with awards and an indication of whether the title is appropriate for book

groups A read on section with references to some 2 400 titles leads you to titles with similar features Indexes cover author title and subject including awards genre series character names An appendix contains information on Canadian Book Awards A readers advisory guide and reference tool this book is also an important aid for collection development **Quill & Quire**,2007
