Bernard Shaw,1922 **The Methuselah Project** Chris Petersen,2010-08-18 Dr Hank Rison has discovered a way to stop the aging process in humans He knows this because he has tried it and it is working The entities who fund his research suspect he is holding back on the results and Hank is convinced they are watching his every move Somebody wants the drug and they are willing to employ desperate measures to get what they want When Hank dies mysteriously his best friend Franklin Stone vows to discover why and how Hank died Was it murder or an accident At first there are too many suspects and too few answers As Stone slowly unravels the twists and turns it becomes apparent that there are more bad guys and more twists to the mystery than anyone imagined **Methuselah's Daughter** John Eddy,Dean Esmay,2006 Zsallia Marieko is a solitary immortal very much the pagan barbarian at heart but tempered by her centuries amongst a growing Christian influence in Western Europe Her tale is by turns pathetic endearing unnerving and horrifying as the reader witnesses her climb from nameless slave to terrifying goddess then her plunge into murderous insanity until she emerges humbled and remade all this in just her first 1500 years Concomitant with that tale is the modern narrative where Zsallia is forced to confront what it means to cease living outside society and join the world around her to take up the benefits and responsibilities of living openly and asking people to simply accept who and what she is **The Methuselah Project** Rick Barry,2015-09-24 Nazi scientists started many experiments One never ended Roger Greene is a war hero Raised in an orphanage the only birthright he knows is the feeling that he was born to fly Flying against the Axis Powers in World War II is everything he always dreamed until the day he s shot down and lands in the hands of the enemy When Allied bombs destroy both his prison and the mad genius experimenting on POWs Roger survives Within hours his wounds miraculously heal thanks to those experiments The Methuselah Project is a success but this ace is still not free Seventy years later Roger hasn t aged a day but he has nearly gone insane This isn t Captain America just a lousy existence only made passable by a newfound faith The Bible provides the only reliable anchor for Roger s sanity and his soul When he finally escapes there s no angelic promise or personal prophecy of deliverance just confusion It s 2015 and the world has become an unrecognizable place Katherine Mueller crack shot genius and real Southern Belle offers to help him find his way home Can he convince her of the truth of his crazy story Can he continue to trust her when he finds out she works for the very organization he s trying to flee Thrown right into pulse pounding action from the first page readers will find themselves transported back in time to a believable full colored past and then catapulted into the present once more The historical back and forth adds a constantly moving element of suspense to keep readers on the edge of their seats **Back to Methuselah** George Bernard Shaw,1987-12-10 Back to Methuselah A Metabiological Pentateuch is a 1921 series of five plays and a preface by George Bernard Shaw The five plays are In the Beginning B C 4004 In the Garden of Eden The Gospel of the Brothers Barnabas Present Day The Thing Happens A D 2170 Tragedy of an Elderly Gentleman A D 3000 As Far as Thought Can Reach A D 31

920 The plays were published with a preface titled *The Infidel Half Century* and first performed in 1922 by the New York Theatre Guild at the Garrick Theatre *Secrets of the Times* Jeremy Hughes,1990-04-01 This book is concerned primarily with the chronology of the Hebrew Bible in its various textual forms The central thesis is that these chronologies are essentially schematic and may be seen as mythical expressions of a belief that human history is ordered according to a divine plan Call Me Methuselah R.G. Hendrickson,2021-11-27 Since humanity s first steps in the Stone Age Methuselah has harbored an ancient secret Cursed by the shaman to witness the end of days he searches in vain for a home place to place clan to clan yearning to belong First in prehistoric Africa and lately disillusioned with love for a hundred years in the New World he learns all too well to guard his heart and hide his story That changes when a car crash lands him in the hospital with a fractured skull Doctors discover strange stem cells in his blood promising cures and a fountain of youth Methuselah faces choices of life and death Forced on the run again he comforts himself by reliving a happier time when he and Arrow his first love raft across the paleo lake Makgadikgadi which rested in those days on the vast Kalahari In their age old journey the cavemen lovers find a place to call home and learn what it means to belong While Arrow s enlightened sensibilities get the two of them in trouble and challenge Methuselah s judgment their adventures in an untamed world bring them together When Methuselah s enduring youth reveals itself through the passing seasons he and Arrow bravely face a dire reality From the distant past that lives inside Methuselah Arrow s spirit reaches out providing guidance for our threatened times He gives Methuselah the strength to do the right thing and the courage to live his true self in the modern world Arrow s memory opens Methuselah s heart and renews for him a hope of redemption in the arms of a caring man today If only Methuselah permits himself to love once more **The Methuselah Solution** William O. Harris III,2000-11-06 As the prison population grows exponentially in the U S today writer Bill Harris has captured the politics of the prison system and found a revolutionary answer in his futuristic novel *The Methuselah Solution* One of the storys two protagonists Dr Cynthia Turner is a rising star at the Institute where she supervises the administration of a new form of alternative sentencing an aging serum developed to replace multiple years of costly confinement with the injection of a drug that rapidly ages convicted felons to their prescribed sentence The serum is a favorite with politicians but the bane of powerful companies long profiting from the spiraling expansion of prison construction The serum is in its sixth year of use when the problems start A time when prisons have become a place where aged felons can readjust to life with weaker bones slower pulses and mottled minds Except for the antagonist Joshua Howard A career criminal Joshua is clever attractive self righteous and has been sentenced to be aged twenty years for embezzlement Dr Turner watches with a mixture of awe and horror as Joshua is over aged thirty years leaving his body far weaker than his spared mind Dr Turner and her boss Dr Kenneth Lambert attempt to deal with Joshua and another prisoner Patricia Bennett a former Olympic Gymnast who killed her husband while responding to the encouragement of her dead father The Institute is now faced with the epic task of confronting Patricias Olympic strength and

the determination of Joshua's contempt and rage. What happens inside the underground prison throughout the story would remain as silent and deadly to the population of Texas as the Ebola virus was to Reston, Virginia, except for the disorganized attempts of the second protagonist, Alexis Troutman. Alex is a local reporter who has begun to oppose the use of the aging serum and attempts to enlist Dr. Turner's help to rectify the prison's problems. The Institute is racing to develop an antidote to counteract over-aging reactions; the only problem is that Joshua gets to the antidote first. The apocalyptic conclusion explodes when Alex enters the Institute as Joshua and Patricia embark on a reign of terror and vengeance after securing the antidote.

The Methuselah Project Jim Nelson, 2023-08-30 Tribesmen murdered in Papua New Guinea. A shaman brutally killed in the Amazon. Mercenary commandos infiltrating biolabs across the globe. Billionaire Umberto Morton will stop at nothing to assure he is the first to patent the Fountain of Youth. He has transformed his worldwide pharmaceutical empire to a single effort; he calls it the Methuselah Project. Welcome to Madagascar, land of exotic spiders, leeches, jumping rats, crocodiles, hissing cockroaches, and the mysterious predator called the fossa. And maybe land that is hiding a secret elixir, the Fountain of Youth. Harvard entomologist Trygve Lindstrom has accepted Morton's generous six-month sabbatical to a remote village in Madagascar. For centuries, mariners' reports and missionary accounts claim that these reclusive villagers, the Rock People, may have found the secret to youth and longevity. Lindstrom scoffs at the tales but leaps at a chance to collect and study rare bugs. In time, he is accepted by the villagers, especially the children who joyfully accompany him on his collecting journeys. Then the unthinkable happens: Morton sends two armed commandos to Madagascar. Lindstrom is determined to protect his beloved villagers and their sacred secret. But what can he do against armed intruders? *Exodus According to Methuselah*

Reva Spiro Luxenberg, 2019-05-21 Methuselah, the recording angel of history, is correcting the mistakes in Exodus that the dyslexic and nearsighted scribe who copied the Bible first made. For instance, Moses's mother takes an entire month to make the basket for the baby since Macy's has not yet come into existence. The infant's sister Miriam places the basket in the bulrushes of Nile to save the Hebrew baby from being killed. Pharaoh's daughter, who has severe psoriasis, rescues the infant and raises him in the palace. When Moses is ten, he is taught how to box. At the age of sixteen, he learns how to drive a chariot. That gives him the inspiration to initiate chariot races when he's seventeen long before the Roman ones, as depicted in *Ben Hur*. Moses is placed in an anger management class that he hates. He becomes an unquestionably great leader but never fully controls his temper for the rest of his eventful life. **The Maxims of Methuselah** Gelett Burgess, 1907 Humorous

rendition in scriptural verse of the great patriarch's views on the wiles of women. *The Death of Methuselah* Isaac Bashevis Singer, 2003-05-16 Nobel Prize winner Singer's 10th collection of short stories demonstrates the same vigor that he has shown throughout his long career. *New York Times* and reaffirms his place as an extremely popular and enduring author.
