of the blandishments Ereshkigal puts before him except for the enticement of her body Having given into his desire Nergal must make the Underworld his abode and remain there as Ereshkigal's lover or else Ereshkigal will overturn the natural order by sending the dead onto the Earth to eat the living Divine and natural order are also themes of the last two stories in this section In the first the hero god Ninurta does his own work of restoring divine order when he defeats the Anzu Bird who steals the Tablets of Destiny from Ellil while the myth about Adapa functions as a just so story explaining why humans are not immortal Perhaps the most famous of all Mesopotamian myths is the Epic of Gilgamesh an extended narrative about the exploits of Gilgamesh king of Uruk and his wild man friend Enkidu If the stories of the gods told in the first two sections function as explanations about cosmic order the themes of Gilgamesh center on the internal order of human beings focusing on the deep love and friendship between Enkidu and Gilgamesh on human fears about mortality and the human desire for eternal life In Mesopotamian Mythology A Captivating Guide to Ancient Near Eastern Myths you'll find the following Sumerian myths and topics covered Creation Myths Tales of Gods and Goddesses Selections from the Epic of Gilgamesh And much much more So if you want a captivating collection of Mesopotamian myths click the add to cart button
