# Once A Marine

**Shasha Hu**

## **Once A Marine:**

**Once a Marine** Nick Popaditch, Mike Steere, 2022-05-20 The Silver Star awarded marine chronicles his service in Iraq in this transcendent memoir of military service and its personal consequences Ralph Peters Lt Col ret author of Looking For Trouble In April 2003 an AP photographer captured a striking image seen around the world of Gunny Sergeant Nick Popaditch smoking a victory cigar in his tank the haunting statue of Saddam Hussein hovering in the background Though immortalized in that moment as The Cigar Marine Popaditch s fighting was far from over The following year he fought heroically in the battle for Fallujah and suffered grievous head wounds that left him legally blind and partially deaf But he faced the toughest fight of his life when he returned home the battle to remain the man and Marine he was At first Nick fights to get back to where he was in Iraq in the cupola of an M1A1 main battle tank leading Marines in combat As the seriousness and permanence of his disabilities become more evident Nick fights to remain in the Corps in any capacity and help his brothers in arms Then following a medical retirement he battles for rightful recognition and compensation for his disabilities Throughout his harrowing ordeal Nick fights to maintain his honor and loyalty waging all these battles the same way the Marine way because anything less would be a betrayal of all he holds dear Once a Marine Claude

DeShazo, 2005-03-23 The former enlisted Marines whose stories you will read in this book have a common thread The common thread is that they became one of the few the proud the Marines They joined and entered the Vietnam war when their country called They fought and returned home to adjust to normal lives by themselves These are the life stories told in their own words of how Marine Corps vets came home built families businesses and are living the American dream today Many still live their lives today with the same traditions and values taught to them by the Marine Corps and have adjusted after the traumatic experience of a war Marine Corps values are easy to state as Honor Courage and Commitment The Marine Corps defines these values in the following way Honor as demonstrating integrity in all one does and accepting responsibility and accountability for ones actions Courage as doing the right thing in the right way and for the right reasons Commitment as devotion to the Corps and ones fellow Marines All Marines former and active duty live and fight under this same creed Read about these men who left the Corps and the war behind and used this experience as a stepping stone to success and happiness **Once a Marine...** Jamieson, 2009-02 Once a Marine always a Marine I heard that expression

countless times growing up in reference to my father Roger Jamieson He was a World War II era Marine officer He was one of 17 million Americans who put their lives on hold to defend our great nation He suffered from fleas and jungle rot Dengue Fever dysentery and Hepatitis A He was wounded twice and suffered the loss of his entire platoon He also lost his cousin David who was killed in action This is a story about my father s life his upbringing and subsequent training in the Marines It is a story about the battles he faced along the way some internal and some external It is also a story about a father and son revisiting old battlefields and reliving bad memories in the quest for closure Roger would say that he didn t do anything

special or different from anyone else In the end he his extended family and neighborhood sacrificed and suffered like all Americans did during the war separation loneliness illness injury and death of loved ones and comrades But to me my father was a brave man and my hero And like millions of his fellow servicemen and women when the war was over Roger married found work and raised a family and tried to put the war behind him We kids all knew about the Marines We were indoctrinated and believed they were the top branch in all the U S Armed Forces Most of my early recollections about World War II were based on the Hollywood heroics of John Wayne the television series Combat and the like My understanding about what our World War II veterans did was superficial at best In 1994 while watching a documentary on the 50th anniversary of D Day Normandy I began to think about my dad and what he must have gone through in the Pacific I knew he had quietly harbored a lot of guilt and pain over the years It became my goal and passion to help him experience as much healing as possible Thus we joined a reunion tour to Okinawa and took side tours to Guam and Saipan The year of preparation and the trip yielded many unexpected surprises and discoveries Part One of this book chronicles Roger Jamieson s life growing up in New Jersey and continues through his Marine Corps career Part Two is a story of rediscovery in which my dad and I retrace his steps as a Marine officer with the hope of coming to term with his past A portion of the proceeds from this book will be donated to the Injured Marine Semper FiFund Visit [www onceamarinebook info](http://www.onceamarinebook.info) *Once a Marine* Ralph T.

Eubanks,2008-08 The events of World War II thrust young Marine Corps recruit Ralph T Eubanks into a world he could not have imagined as a boy growing up on a farm in western Arkansas This firsthand account of his experiences based on recollections research and numerous letters to his family and sweetheart back home chronicles the tense and uncertain years of his service in the Marines Eubanks describes his admiration for the traditions and glorious history of the Marine Corps that convinced him to join We follow the adventures of this young recruit through his weeks of boot camp intense training as an aviation ordnanceman service in the Pacific combat zone marriage to Betty Carty trials of officer candidate school preparations and execution of the occupation of Japan and his eventual return to civilian life Along the way the farm boy from Arkansas is transformed into a model soldier who lives the maxim once a Marine always a Marine the rest of his life This is a rare glimpse into the everyday trials of a World War II Marine during one of our country s most trying periods **Once a**

**Marine** Loree Lough,2015-02-01 Does she even need a hero Summer Lane is no damsel in distress For the past two years she s been battling her way back from her worst nightmare all by herself So she doesn t need the fabulous former Marine Zach Marshall swooping in to save her But she needn t worry Zach has hung up his shining armor His instinct to rescue has only brought him heartache and he s not about to risk it all again even though everything about Summer makes him yearn to help But she just might accept his challenge to step up and conquer her fears on her own Even her deepest fears like trust and love *Once a Marine* Patty Campbell,2022-08-22 BD James is on an upward career path She works for a tyrant who

has already cost her one fianc so the last thing she needs is another manipulating man She s tired angry and ready for a

meltdown What she isn't ready for is Rafael Cruz a retired Marine who lives a secret and dangerous double life Rafi Cruz is a man who makes things happen but his timing couldn't be worse He's leaving on a hostage rescue mission in two days which means he won't have time for a long slow seduction He'll have to work fast or hot little BD will slip right through his fingers She's the only woman in a long time who's been strong enough to challenge him a quality he values highly He's reluctant to change his footloose life but he'll do whatever it takes not to lose her She'll understand Eventually But when BD learns Rafi has deliberately kept her in the dark about his black ops missions she questions whether he's a man she can trust and if he can be as faithful to her as he is to the Corps

*Once a Marine, Always a Poet* Alana M Johnson, 2007-02 Within these pages are the works of a skilled poet Alana M Johnson also known as A P Johnson The book is a unique blend of selected songs and poems Invite yourself to enter the mind of this poet and experience deep poetry like you never have before Topics range from love and life to experiences of the writer as a U S Marine Included are prose and views on the life of ancient Egypt and its people Also there are poems written with some of music's best in mind *Once a Marine Always a Poet* is a blend of poetry in its finest form whereas writing it is concerned
