## **Lord Given Lovers The Holy Union Of David And Jonathan:**

**Lord Given Lovers** Christopher Hubble,2003-10 The Holy Union of David and Jonathan is a provocative biblical story of passion and political intrigue LGBT readers will discover a story that will help them find self acceptance and constructively challenge the prejudice of religious homophobes David and Jonathan formed a magnificent and beautiful partnership that they apparently intended to last for a lifetime Theirs was a loving and committed relationship The failure of our culture to recognize the intrinsic divinity of homosexuality and the sanctity of our relationships is the central dilemma challenging lesbian gay bisexual and transgendered people Our society s civil morality is informed by the religious mores of our culture A redefined cultural and societal understanding of same sex love derived from and supported by the Bible a widespread knowledge of the holy union of David and Jonathan will have a profound impact on the long term success of our justice movement

**The Love of David and Jonathan** James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

*Jacob's Wound* Theodore W. Jennings Jr.,2005-06-08 The very suggestion that there may be homoeroticism in Hebrew narrative may seem odd given the supposition that the religion and culture of ancient Israel resolutely opposed same sex erotic relationships The apparent prohibition of homosexuality in Leviticus and the story of Sodom from Genesis have been made to speak for the whole Hebrew Bible The oddity of this situation has not been lost on some interpreters who have recognized that the story of Sodom tells us no more about attitudes toward what we call homosexuality than the story of the rape of Dina tells us about attitudes toward heterosexuality Prof Jennings says that the well known eroticism of the Hebrew Bible is not confined to heterosexuality but also includes an astonishing diversity of

material that lends itself to homoerotic interpretation In Part one Jennings examines saga materials associated with David It is no innovation to detect in the David and Jonathan s relationship at least the outline of a remarkable love story between two men What becomes clear however is that the tale is far more complex than this since it involves Saul and is set within a context of a warrior society that takes for granted that male heroes will be accompanied by younger or lower status males Thus the complex erotic connections between David and Saul and David and Jonathan play out against the backdrop of a context of heroes and pals The second type of same sex relationship explored has to do with shamanistic forms of eroticism in which the sacral power of the holy man is both a product of same sex relationship and expressed through same sex practice This section deals with Samuel and Saul and Elijah and Elisha These are not warriors but persons whose sacral power is also erotic power that may find expression in erotic practices with persons of the same sex The third type of same sex relationship discusses we now call transgendered persons especially males and their erotic relationship to other males Here the book explores the transgendering of Israel by several prophets who use this device to explore the adultery and promiscuity that they wish to attribute to Israel as well as the story of Joseph

*Treatise on the Love of God* St. Francis de Sales,2013-08-20 *Treatise on the Love of God* is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The *Treatise* is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales *Treatise* is a captivating depiction of love *Theion Enōtikon, a Discourse of Holy Love* Cristóbal de Fonseca,1652 **Herald and Presbyter ,1905** **Treatise on the Love of God** Saint Francis de Sales,Aeterna Press,2017-05-28 THE following *Treatise* presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and whatever may be
