wider global context **Luke-Acts** Christopher R. Smith, 2011-08-20 This study guide will take individuals or groups through Luke and Acts in 32 sessions that correspond with their natural parts Readers will discover that these books are actually the two parts of a single story that tells how the community of Jesus followers began with his life and ministry and then spread around the world The readings and discussion will help them recognize the ways God is still working today and how they can be part of what God is doing The Understanding the Books of the Bible series helps readers understand the biblical story by not only talking about what the authors wrote but also how they wrote Quite often recognizing whether a passage is poetry proverb or history and discerning how the author built his book will unlock its meaning for today's reader Instead of following artificial chapter and verse divisions these Bible study guides lead groups through whole books following their natural outlines and pose engaging questions for discussion and personal application all along the way The Healing Path Study Guide Dan B. Allender, 1999-02-16 DON'T WASTE YOUR PAIN None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we've been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we let it make us stronger Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn't have to mangle our hearts and rob us of the joy of life It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives We don't have to be held captive by the hurts of our past We can move from feelings of powerlessness betrayal and ambivalence into faith hope and love The Healing Path takes us beyond self discovery to God discovery giving us the tools to excavate the riches that lay beneath the surface of our pain If you're ready to use the experiences of the past and present to shape a future characterized by love service and joy now is the time to step out onto The Healing Path

A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture

A guide to Acts John Hargreaves, 1990

Luke-Acts; a Bible Study Guide Thomas Wieser, 1959

SCM Studyguide: Theology in the Contemporary World Ben Pugh, 2017-10-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry

Subject Guide to Books in Print, 2001 **The Letters of Jude and Second Peter: An Introduction and Study Guide** George Aichele, 2017-01-12 This Guide surveys the more important historical socio cultural theological and literary factors we must grapple with in understanding the two letters of Jude and Second Peter between which there are very strong similarities It appears that the letter of Jude was almost entirely plagiarized by the letter of Second Peter George Aichele s main approach is the method of semiotics examining signifying mechanisms in each of the texts both independently and when they are read together In both of the letters Jesus Christ is called the master with a Greek word that means slave owner and the authors of both books refer to themselves and other Christians as the slaves of Christ Furthermore both writings report situations of paranoid fear within Christian communities of their time as they picture heretical infiltrators who threaten to pervert and perhaps even destroy the community In addition to this in an adventurous excursion the letter of Jude is read intertextually with the classic science fiction horror film *Invasion of the Body Snatchers* Siegel 1956 in order to explore the dynamics of paranoia *NKJV, The Bible Study Bible* Sam O'Neal, 2023-06-06 The NKJV Bible Study Bible provides a study guide for every chapter of the Bible Use this Bible to encourage discussion in a small group study or for further engagement in your personal devotions to gain a deeper understanding of any chapter in the Bible Additional materials provide directions for leading a group through studies on specific topics such as the names of God prayer salvation and suffering Features include Double column typesetting with guides set in boxes after each chapter Study guides for each of the 1 189 chapters of the Bible Suited for both small groups and individual study Topical study guides ranging from 4 to 13 weeks on key subjects Concordance Full color maps Clear and readable 9 5 point NKJV Comfort Print
