My Story.* Wendy Blaskovic, 2024-03-25 In today s world we are constantly juggling expectations and trying to manage the many pressures we feel around us We all have issues struggles and habits that we feel guilt or shame about We all have beliefs and expectations of ourselves and life that hold us back Society is also always pressuring us to look a certain way live a certain way and project happiness and joy through it all Essentially we are surrounded by expectation which can make just being alive a complex exhausting and daunting task For many of us we are following a path that doesn t quite fit right What if you could live every day feeling like you are exactly

where you should be What does being authentic mean look and feel like to you What would it take for you to unravel yourself and discover who you really are It is this search for authentic living that so many of us seek but have trouble achieving Wendy Blaskovic struggled with the same thing She felt a separation between who she truly was and what she was being doing on the outside That disconnection manifested in many challenges along the way an eating disorder the abuse of drugs and alcohol self imposed isolation overworking The feeling of living the wrong life was what pushed her to discover who she truly was As a life long learner and educator herself Wendy only truly unravelled from an unsatisfying life while she was writing her master s thesis on the connection between living being and teaching authentically My Journey My Story is a rather unique approach to self discovery In this book she shares her thesis her journey to healing so that others may find the kernel within to nurture their own true selves Though self discovery is a solitary process this book helps to reassure you that you are not alone My Journey Ingrid Seilern Szauter,2020-11-13 This is the life story of Ingrid Seilern Szauter the

daughter of Count and Countess Paul and Emilie Seilern It is a story of war passion inner growth love music family tragedy and miracles which spans 4 continents and takes place over 70 years It begins in Vienna Austria one of the most opulent capitals of the world and travels through varied places such as Poor Valley Virginia People who have met the author want to know her story If you haven t had the pleasure meet her between these pages **A Hero's Journey** Chris

Dooley,2022-09-06 A Hero s Journey Beyond Little Norway and Olympia Sports Camp is a compiled history of the Olympia Sports Camp in Huntsville Ontario through the lens of its founder and inspiration Dave Grace the hero of the book s title The hero s journey of the title is Dave Grace s adaptation of the writings and teaching of philosopher Joseph Campbell The basic tenet of the Dave Grace s hero s journey is that heroes all go through a 12 step journey from their own comfort zone to the unknown and all its challenges to a new normal where the hero bestows knowledge learned on others in order to help them on their journey Dave Grace s foundational belief is that we are all heroes on our own path and who we become on our journey is more important than the accomplishments we achieve A Hero s Journey chronicles the people and places that make up the history of the camp while also serving as an inspirational guidebook for readers to each become the hero of their own journey This book also examines the history of the land on which the camp has been built from its Indigenous origins to the European settlement of the 1800s and to the use of the land by the Norwegian Air Force during World War II The book takes readers on a journey through the various stages related to the development of the camp first established in 1974 The book is built on a collection of stories related to mentorship sports psychology and community building as well as interviews of past campers coaches and others with a longtime association with Olympia With this book author Chris Dooley honours Dave Grace and the many others who have been integral to the history of the camp and its land *Find Your Own Path*
