Mr Dooley Mr Dunne The Literary Life Of A Chicago Catholic:

Mr. Dooley & Mr. Dunne Edward J. Bander, 1981 *The Chicago Literary Experience* Frederik Byrn Køhlert, 2011 The Chicago Literary Experience is a concise literary history of the city of Chicago Taking as its thematic starting point the city's famous World's Columbian Exposition of 1893 the book provides an account of the city's rapid and in many ways unprecedented development from trading post to metropolis and examines the many literary responses to this new urban environment By contextualizing literature written about the city in these formative years the book shows not only how the city influenced its writers but also how these writers struggled to transform their urban environment into literary forms Covering such aspects as the emergence of the novel of the businessman as cultural hero the humorous newspaper columns of the late nineteenth century and the Depression era revitalization of Chicago literature from its ethnic neighborhoods the book moves beyond the obvious classics and rediscovers a vibrant literary tradition that restores almost forgotten writers such as Eugene Field and Floyd Dell to their place in American literary history Given the historical approach and the breadth of material covered the book will be valuable to anyone wanting to understand how American literature in this defining period moved from the farm to the city and what happened to it once it had arrived Authors discussed include Jane Addams George Ade Nelson Algren Sherwood Anderson Saul Bellow Gwendolyn Brooks Willa Cather Floyd Dell Theodore Dreiser James T Farrell Eugene Field Henry B Fuller Hamlin Garland Robert Herrick Jack London Frank Norris Carl Sandburg Upton Sinclair and Richard Wright Frederik Byrn Køhlert is a doctoral student at the University of Montreal He has an MA in English from the University of Oregon and an MA in English and Scandinavian Literature from the University of Aarhus Denmark **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature *The Continuum Encyclopedia of American Literature* Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1,100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 *Encyclopedia of Media and Propaganda in Wartime*

America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years

The Hidden History of Essex Law School Edward J. Bander, 2010-04-26 When law librarian Tom Jones is tapped by Dean Oberal to write the history for the one hundred year anniversary celebration of Essex Law School he takes his assignment seriously He soon discovers that the task will involve many challenges and will reveal even more surprises Such is the case when Tom interviews Mary McCarthy who served as the secretary to the schools founder Dean Seth Adams Mary is a legend at the school and she says that the history Tom is writing wont reflect half of what she really knows Mary reveals some interesting information about her relationship with Adams Tom also calls on Caleb Cushing the schools oldest alumnus who believes he graduated in either 1910 or 1911 Cushing not only has flavorful stories to tell about his law career but is also a colorful character in his own right As Tom pulls together the pieces from the schools one hundred years he learns some tidbits that might not be fit to print For Tom this project provides an eye opening glimpse into the legal world of academia with a sidelight into its interesting social aspects

Finley Peter Dunne and Mr. Dooley Charles Fanning, 2021-11-21 Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago s corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago s working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning s penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist Behind Mr Dooley s marvelously comic pose and ironic tone lies a wealth of material germane to the social and literary history of turn of the century America *American Public Opinion and the Modern Supreme Court, 1930-2020* Thomas R. Marshall, 2022-04-29 The United States Supreme Court is commonly thought to be an institution far removed from American public opinion Yet nearly two thirds of modern Supreme Court decisions reflect popular attitudes Comparing over 500 Supreme Court decisions with timely nationwide poll questions since the mid 1930s Thomas R Marshall shows that most Supreme Court decisions agree with poll majorities or pluralities across time and across issues and often represent Americans views to the same degree as federal policymakers This book looks beyond the litigants economic interests social movements organized interest groups or units of governments typically involved and instead examines how well the Court or the justices represent

Americans views Using nationwide public opinion broken down by key subgroups race gender education and party affiliation better describes exactly whom Supreme Court decisions and the justices individual votes best represent His book will be of interest to scholars in political science legal studies history and sociology *The Quote Verifier* Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes s *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain t I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain t over till the fat lady sings No one washes a rented car and Make my day Keyes s in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read

Reference Guide to American Literature Jim Kamp,1994 Now in its 3rd edition the *Reference Guide to American Literature* focuses on the rich diversity of individuals that comprise an important group of American novelists poets dramatists and essayists Entries include expanded multi ethnic representation and profile more African Americans and for the first time Asian Hispanic and Native American writers and works as well as writers who concentrate on women s and gay and lesbian issues

Reference Guide to American Literature D. L. Kirkpatrick,1987 *Irish Literature* Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

The Genesis of the Chicago Renaissance Mary Hricko,2013-09-05 This study examines the genesis of Chicago s two identified literary renaissance periods 1890 1920 and 1930 1950 through the writings of Dreiser Hughes Wright and Farrell The relationship of these four writers demonstrates a continuity of thought between the two renaissance periods By noting the affinities of these writers patterns such as the rise of the city novel the development of urban realism and the shift to modernism are identified as significant connections between the two periods Although Dreiser Wright and Farrell are more commonly thought of as Chicago writers this study argues that Langston Hughes is a transitional pivotal figure between the two periods Through close readings and contextualization the influence of Chicago writing on American literature in such areas as realism and naturalism as well as proletarian and ethnic fiction becomes apparent
